### **OCCUPANCY AGREEMENT**

**Between**

(b)(5)

**And**

### **GENERAL SERVICES ADMINISTRATION**

AMA03427	Final	Version:	24	Date Last Modified:	03-Jan-2019
MA0131ZZ				FY14 shell rate dropped off, re-requesting rate	

(b)(5) will occupy 4,574.79 usable ( 6,155.55 rentable) square feet of space and 2 structured parking spaces and 1 surface parking spaces at JFK FEDERAL BUILDING (MA0131) located at 15 New Sudbury St, BOSTON, MA, for a period of 12 months commencing on or about 01/01/2019. The agency share of Joint Use Spaces is 368.38 rentable square feet. The agency share of Joint Use Structured Parking Spaces is 0.01 parking spaces.

(b)(5) will pay the General Services Administration rent in accordance with the attached page(s). The rental will be adjusted annually for operating cost and parking escalations.

(b)(5) will pay the General Services Administration additional rent for prorated share of joint use space associated with this location, if any.

Additional/reduced services are shown on the attached Occupancy Agreement Financial Summary.

#### **Mandatory Clauses**

##### **Federal Specific Mandatory Clauses**

##### **Alterations by Tenant Agency**

The tenant agency agrees that it will undertake no alterations to the real property governed by this OA without prior approval from PBS.

##### **Building Services**

Building services to be provided are outlined in the PBS Real Property Customer Guide. Additional or upgraded services beyond those identified are provided by PBS on a reimbursable basis. Charges for certain recurring reimbursable services may be billed on the PBS Bill. Recurring charges for overtime utilities, enhanced custodial services, mechanical O&M HVAC, mechanical O&M Other and additional guard services are eligible for billing on the PBS Bill provided the tenant agency has been designated as a "participating agency". The charges must be initiated by the tenant agency and renewed annually. The recurring RWA processing fee will be assessed against each service billed.

##### **Federal Construction**

In the case of Federal construction, the parties agree that PBS is responsible for providing the funds necessary to acquire land (if appropriate), design and construct the building shell, and fund the tenant agency's tenant improvement allowance. The tenant agency is responsible for any tenant improvement costs in excess of the tenant improvement allowance. The parties further agree that savings or cost over-runs on the acquisition of land or the design and construction of building shell will not result in increases or decreases in the tenant allowance amount, except in the case of prospectus level projects, where bids for the

construction of the shell are over the approved budget. In this case, it is permissible to lower the tenant allowance in order to increase the shell budget, but only with approval of the tenant agency. The tenant agency can appeal to the PBS asset manager in cases in which the agency's assigned tenant improvement allowance is inadequate to provide basic functionality for the space.

### **Federal Rent Charges**

Federal rental charges will consist of a shell rent plus amortized tenant improvements, if applicable. There may be additional charges for operating expenses, security, joint use, parking, and other space items such as antennas. In 2017, GSA transitions to 10-year rates for occupancies in buildings where new appraisals are available. OAs will be transitioned to a 10-year rate as the current shell rate terms expire. The shell or "as is" rent will be reset every 10 years. For OAs in a building without a new 10-year appraisal, the shell rate or as is rate will continue to be set for periods up to but not beyond 5 years. These OAs will transition to the new 10-year rate no later than FY22 as their current rate terms expire. In the case of buildings priced on a "Return on Investment" approach, the rent attributable to the original shell improvements will remain level for the duration of the OA. If additional capitalized shell replacements or improvements are made, the Shell Rent rate will be adjusted every 5 years to reflect the additional investment. Charges for operating expenses, joint use space, parking, antennas and security may be adjusted on an annual basis.

### **Financial Terms**

While this Occupancy Agreement (OA) addresses financial terms that cover multiple fiscal years, the parties agree that unless otherwise specified: The tenant agency may relinquish space upon four (4) months notice. Thus, at any future time, the tenant agency's financial obligation can be reduced to four (4) months of rent, plus the unamortized balance of any tenant improvements financed through PBS, plus any rent concession not yet earned. Any free Rent or other concession given at the beginning of the occupancy term must be allocated on a pro-rata basis over the entire OA term, and the unearned balance repaid to PBS. The tenant's financial obligations for years beyond the current year do not mature until the later year(s) are reached. Thus, there is no requirement that the tenant agency certify that current year funds are available to defray future year obligations. Any free Rent or other concession given at the beginning of the occupancy term (for all occupancy types) must be allocated on a pro-rata basis over the entire OA term, and the unearned balance repaid to PBS.

The tenant's financial obligations for years beyond the current year do not mature until the later year(s) are reached. Thus, there is no requirement that the tenant agency certify that current year funds are available to defray future year obligations.

The tenant's future years obligation to pay Rent is subject to the availability of funds, but the tenant agrees to make a good faith effort to meet its obligations as they arise.

### **Move Cost Responsibilities**

At the end of this OA term, if the tenant cannot remain in the space covered by this OA, the tenant is responsible for funding the physical move to new space. In the event PBS displaces or allows another user to displace the tenant before the expiration of the OA term, PBS must fund, or require the new user to fund, the tenant's physical move, and relocation of the tenant's telecommunications equipment. PBS must also reimburse, or require the new user to reimburse, the tenant for the undepreciated value of any lump sum payments the tenant made toward tenant improvements and the Rent differential at the new location until the displaced agency has time to budget. The Rent differential is calculated on all elements of Rent except the amortized tenant improvement cost. In the event of a PBS disposal of a building or an approved prospectus project requiring the agency relocation from this space before the expiration of the OA term, PBS will fund tenant agency move costs unless PBS has provided 3 years' written notice of the action. In the event PBS provides 3 years' written notice, the agency is responsible for funding the physical move to new space.

### **Obligation to Pay Rent**

The Tenant agency's obligation to pay rent for the space governed by this OA commences when both of the following occur: the space is substantially complete and operationally functional. Occupancy and rent start will be coordinated with the Tenant.

1. The space is ready for occupancy of personal property, typically the substantial completion date. Substantial completion is signaled by PBS's acceptance of the space as substantially complete in accordance with the general construction contract documents. "Substantially complete" and "substantial completion" mean that the work, the common and other areas of the building, and all other things necessary for the Government's access to the premises and occupancy, possession, use and enjoyment thereof, as provided in the general construction contract, have been completed or obtained, excepting only such minor matters as do not interfere with or materially diminish such access, occupancy, possession, use or enjoyment

. PBS will offer to an authorized representative of the Tenant the opportunity to participate in a walk-through of the space prior to final acceptance of the space as substantially complete by PBS. The authorized representative of the Tenant will make himself or herself available so as to not delay the walk-through of the space. The authorized representatives of PBS and the Tenant will itemize any defects and omissions (D&Os, or "punch list") of the construction project that will need to be corrected prior to final contract payment. Provided that the D&Os are minor matters not materially diminishing use of the space, the authorized representative of PBS, acting on behalf of the Government and its Tenant, will determine substantial completion.

2. The space is operationally functional. Operationally functional means that the building systems included in the general construction contract must function and GSA-provided building-specific safety and security features must be operational. Related space that is necessary for a Tenant to function due to workflow adjacencies must be complete before rent commences

For large projects that entail phased occupancy of the Tenant's space, rent will commence on the individual blocks of space when they are substantially complete and operationally functional. The blocks will be added to the Agency Space Assignment (ASA) incrementally. In the case of phased occupancy with separate ASAs (example, different Agency/Bureau codes), the rent start date for each ASA will occur when the space associated with it is substantially complete and operationally functional.

If there is a substantial punch list for the space that would interfere with the Tenant's full access, occupancy, possession, use and enjoyment of the space, and the Tenant chooses to move in anyway, GSA will negotiate a rent discount with the Tenant while the punch list work is being completed. If after hours work is required, GSA will ensure that adequate security is provided while the contractor is in the Tenant's space.

Once the above 'substantially complete' and 'operationally functional' requirements have been met, rent will commence. GSA does not provide tenant agencies a grace period prior to rent commencement to accomplish the physical move into the space or to allow for the installation of personal property such as phones, furniture, computers, etc. However, rent should not start until those personal property items that have been included in the General Services Administration's general construction contract, such as telephone and data systems or audio/video systems, are operational unless the Tenant chooses to move into the space pursuant to the preceding paragraph.

### **Occupancy Agreement Iterations**

The parties hereby agree that iterations of OAs prepared before completion of a building design, and before final security/joint use charges are provided, contain preliminary financial terms only. Financial terms in preliminary OAs are estimates for budgeting purposes, and are updated through additional OA versions as business terms evolve throughout the space acquisition. Accordingly, execution by the tenant agency on preliminary OAs constitutes that agency's commitment to the project, and is required prior to PBS awarding

any contract for: design, construction/alterations, and/or a lease. Until site purchase or contract award to a design architect, the tenant agency has the right to cancel the proposed project without financial obligation.

### **PBS Services**

The services that PBS provides may be found in the fourth edition of the Pricing Desk Guide. Unless PBS provides otherwise in writing, the cost of these services is included in PBS's rents and fees. Any services beyond those identified in the Pricing Desk Guide are provided by PBS for an additional charge.

### **Payment of Tenant Improvements**

The tenant agency must pay for tenant improvements in excess of the allowance by RWA. The tenant agency also has the right to pay lump sum for tenant improvements below the allowance threshold. The ability to make lump sum payments below the allowance threshold is only available at assignment inception, and only for the customization component of the allowance in new space. In backfill or relet space, if the tenant can accept existing tenant improvements "as is" or with modifications, the tenant can elect to waive all or part of the general allowance. Further, once the tenant allowance is set, if the agency then wishes to make a lump sum payment for improvements which are charged against the allowance, PBS cannot accept payments below the allowance threshold by RWA.

### **Replacement Responsibilities**

The parties agree that PBS is amortizing through a specific charge in Rent the portion of the tenant improvement allowance the tenant elects to use. The tenant has funding responsibility for replacement, renewal or alteration of tenant improvements. PBS is responsible for replacement and renewal of all building shell elements.

### **Tenant Agency Move**

In the event the space covered by this OA involves a tenant agency move, once a design and construction schedule has been established it must be incorporated into this OA. Once part of this OA, the schedule becomes binding upon the tenant agency as well as upon PBS. Delay in project completion caused by either a) tenant agency failure to meet the review and approval times provided in the construction schedule, or b) tenant changes to project scope, will be borne by the tenant agency. As a consequence of tenant-caused delay, PBS may decline to postpone the scheduled substantial completion date (thereby advancing Rent commencement for the space) by the duration of the tenant-caused delay, on a day-to-day basis; this may result in rent charges at two locations simultaneously for the tenant. Additional direct expenses caused through tenant-caused delay or changes in project scope are chargeable against the tenant allowance; in the event the tenant allowance has been exhausted, the tenant must pay the lump sum cost by RWA. In summary, the tenant is responsible for the delay claim of the affected contractor and for rent that GSA budgeted to start on the date included in the Occupancy Agreement. If partial occupancy of the building is not possible due to one agency change, that agency is liable for the other tenant's rent who are unable to occupy their space on the date contained in their Occupancy Agreement. The rent start date should be adjusted for delay of occupancy caused by PBS failing to deliver the real property on time. The rent start date should not be adjusted for delay of occupancy caused by a GSA contractor failing to install personal property on time with one exception. For those personal property items that have been included in the general construction contract, such as telephone and data systems, or audio/video systems, and the systems are not ready, the rent start date should be adjusted. Delayed furniture delivery and installation, which is not part of the general construction contract, is not reason for delaying the rent start date. In its role as building owner, PBS may also be the cause of delay. Expenses associated with PBS-caused delay incurred by the tenant, for such things as additional storage for furniture, re-procurement expense, or additional consulting fees, will be credited against the tenant's rent obligation to PBS for the new space. In the case of excusable delay (e.g., force majeure or any other delay the cause of which is beyond the reasonable control of either PBS or the tenant agency), neither PBS nor the tenant agency may pursue the other for the consequences of the delay.

### **Environmental and Safety Standards and Regulations**

The tenant agency will comply with all applicable Federal, State, and local environmental, health & safety laws and regulations, such as but not limited to those issued by the U.S. Environmental Protection Agency (EPA) under Title 40 of the Code of Federal Regulations (CFR); the U.S. Occupational Safety and Health Administration (OSHA) under Title 29 of the CFR; the Federal Management Regulation sections that relate to safety and environmental management (41 CFR part 102-80, subpart B); and all applicable laws and regulations set by State and local regulatory agencies.

#### **Other Mandatory Clauses**

#### **JU Space Details**

The agency share of Joint Use Spaces is 368.38 rentable square feet, \$17,286.31 Annual which is further defined as:

	Rentable Space RSF	Rentable Space Annual
JFK FEDERAL BUILDING (MA0131), 15 New Sudbury St	368.38	\$17,286.31

#### **Security Services**

Beginning in FY 2005, payment for FPS provided Basic and Building Specific Operating Security will be made to the Federal Protective Service (FPS), Department of Homeland Security (DHS) and will be separate from rental payments to GSA (OMB Object Class 23.1). Charges for FPS provided security are determined by, and may be obtained from, FPS.

#### **Optional Clauses**

#### **Ad Hoc Clauses**

#### **Senate Clause**

(b)(4) (b)(4)

#### **Space Verification Clause**

This building has completed a Spatial Data Management re-measurement. GSA will periodically verify space in the building covered by this Occupancy Agreement in order to ensure compliance with PBS application of the ANSI/BOMA measurement standard. As a result of these space verifications, tenants may experience changes in square footage and/or changes in rental rates (due to a change in the building's rentable/usable factor) which may change their overall rent bill. Should there be any changes found during verification, tenants will be notified prior to these changes being implemented to their occupancy and will be given proper time to budget for any rental increase or decrease.

I agree to the initial terms with the understanding modifications will be made over time.

### OCCUPANCY AGREEMENT

Between

(b)(5)

And

GENERAL SERVICES ADMINISTRATION

AMA03455	Final	Version:	3	Date Last Modified:	07-Nov-2018
MA0131ZZ				Reduction of Term	

(b)(5) will occupy 0.00 usable ( 0.00 rentable) square feet of space and 1 structured parking spaces and 0 surface parking spaces at JFK FEDERAL BUILDING (MA0131) located at 15 New Sudbury St, BOSTON, MA, for a period of 14 months commencing on or about 03/05/2018.

(b)(5) will pay the General Services Administration rent in accordance with the attached page(s).

(b)(5) will pay the General Services Administration additional rent for prorated share of joint use space associated with this location, if any.

Additional/reduced services are shown on the attached Occupancy Agreement Financial Summary.

#### Mandatory Clauses

##### Promoting Efficient Spending

##### Reduce the Footprint

The Office of Management and Budget Memorandum, "Promoting Efficient Spending to Support Agency Operations" issued on May 11, 2012 and Management Procedures Memorandum issued on March 25, 2015, have established a Reduce the Footprint policy for executive agencies. GSA OUTLEASED HISTORIC PROPERTIES is responsible for making sure their space request is consistent with any applicable square foot reduction targets and can contact TotalWorkplace@gsa.gov for help developing agency-wide space design standards that optimize their space usage.

##### Federal Specific Mandatory Clauses

##### Alterations by Tenant Agency

The tenant agency agrees that it will undertake no alterations to the real property governed by this OA without prior approval from PBS.

##### Building Services

Building services to be provided are outlined in the PBS Real Property Customer Guide. Additional or upgraded services beyond those identified are provided by PBS on a reimbursable basis. Charges for certain recurring reimbursable services may be billed on the PBS Bill. Recurring charges for overtime utilities, enhanced custodial services, mechanical O&M HVAC, mechanical O&M Other and additional guard services are eligible for billing on the PBS Bill provided the tenant agency has been designated as a "participating agency". The charges must be initiated by the tenant agency and renewed annually. The

recurring RWA processing fee will be assessed against each service billed.

### **Federal Construction**

In the case of Federal construction, the parties agree that PBS is responsible for providing the funds necessary to acquire land (if appropriate), design and construct the building shell, and fund the tenant agency's tenant improvement allowance. The tenant agency is responsible for any tenant improvement costs in excess of the tenant improvement allowance. The parties further agree that savings or cost over-runs on the acquisition of land or the design and construction of building shell will not result in increases or decreases in the tenant allowance amount, except in the case of prospectus level projects, where bids for the construction of the shell are over the approved budget. In this case, it is permissible to lower the tenant allowance in order to increase the shell budget, but only with approval of the tenant agency. The tenant agency can appeal to the PBS asset manager in cases in which the agency's assigned tenant improvement allowance is inadequate to provide basic functionality for the space.

### **Federal Rent Charges**

Federal rental charges will consist of a shell rent plus amortized tenant improvements, if applicable. There may be additional charges for operating expenses, security, joint use, parking, and other space items such as antennas. In 2017, GSA transitions to 10-year rates for occupancies in buildings where new appraisals are available. OAs will be transitioned to a 10-year rate as the current shell rate terms expire. The shell or "as is" rent will be reset every 10 years. For OAs in a building without a new 10-year appraisal, the shell rate or as is rate will continue to be set for periods up to but not beyond 5 years. These OAs will transition to the new 10-year rate no later than FY22 as their current rate terms expire. In the case of buildings priced on a "Return on Investment" approach, the rent attributable to the original shell improvements will remain level for the duration of the OA. If additional capitalized shell replacements or improvements are made, the Shell Rent rate will be adjusted every 5 years to reflect the additional investment. Charges for operating expenses, joint use space, parking, antennas and security may be adjusted on an annual basis.

### **Financial Terms**

While this Occupancy Agreement (OA) addresses financial terms that cover multiple fiscal years, the parties agree that unless otherwise specified: The tenant agency may relinquish space upon four (4) months notice. Thus, at any future time, the tenant agency's financial obligation can be reduced to four (4) months of rent, plus the unamortized balance of any tenant improvements financed through PBS, plus any rent concession not yet earned. Any free Rent or other concession given at the beginning of the occupancy term must be allocated on a pro-rata basis over the entire OA term, and the unearned balance repaid to PBS. The tenant's financial obligations for years beyond the current year do not mature until the later year(s) are reached. Thus, there is no requirement that the tenant agency certify that current year funds are available to defray future year obligations. Any free Rent or other concession given at the beginning of the occupancy term (for all occupancy types) must be allocated on a pro-rata basis over the entire OA term, and the unearned balance repaid to PBS.

The tenant's financial obligations for years beyond the current year do not mature until the later year(s) are reached. Thus, there is no requirement that the tenant agency certify that current year funds are available to defray future year obligations.

The tenant's future years obligation to pay Rent is subject to the availability of funds, but the tenant agrees to make a good faith effort to meet its obligations as they arise.

### **Move Cost Responsibilities**

At the end of this OA term, if the tenant cannot remain in the space covered by this OA, the tenant is responsible for funding the physical move to new space. In the event PBS displaces or allows another user to displace the tenant before the expiration of the OA term, PBS must fund, or require the new user to fund, the tenant's physical move, and relocation of the tenant's telecommunications equipment. PBS must also

reimburse, or require the new user to reimburse, the tenant for the undepreciated value of any lump sum payments the tenant made toward tenant improvements and the Rent differential at the new location until the displaced agency has time to budget. The Rent differential is calculated on all elements of Rent except the amortized tenant improvement cost. In the event of a PBS disposal of a building or an approved prospectus project requiring the agency relocation from this space before the expiration of the OA term, PBS will fund tenant agency move costs unless PBS has provided 3 years' written notice of the action. In the event PBS provides 3 years' written notice, the agency is responsible for funding the physical move to new space.

### **Obligation to Pay Rent**

The Tenant agency's obligation to pay rent for the space governed by this OA commences when both of the following occur: the space is substantially complete and operationally functional. Occupancy and rent start will be coordinated with the Tenant.

1. The space is ready for occupancy of personal property, typically the substantial completion date. Substantial completion is signaled by PBS's acceptance of the space as substantially complete in accordance with the general construction contract documents. "Substantially complete" and "substantial completion" mean that the work, the common and other areas of the building, and all other things necessary for the Government's access to the premises and occupancy, possession, use and enjoyment thereof, as provided in the general construction contract, have been completed or obtained, excepting only such minor matters as do not interfere with or materially diminish such access, occupancy, possession, use or enjoyment

. PBS will offer to an authorized representative of the Tenant the opportunity to participate in a walk-through of the space prior to final acceptance of the space as substantially complete by PBS. The authorized representative of the Tenant will make himself or herself available so as to not delay the walk-through of the space. The authorized representatives of PBS and the Tenant will itemize any defects and omissions (D&Os, or "punch list") of the construction project that will need to be corrected prior to final contract payment. Provided that the D&Os are minor matters not materially diminishing use of the space, the authorized representative of PBS, acting on behalf of the Government and its Tenant, will determine substantial completion.

2. The space is operationally functional. Operationally functional means that the building systems included in the general construction contract must function and GSA-provided building-specific safety and security features must be operational. Related space that is necessary for a Tenant to function due to workflow adjacencies must be complete before rent commences

For large projects that entail phased occupancy of the Tenant's space, rent will commence on the individual blocks of space when they are substantially complete and operationally functional. The blocks will be added to the Agency Space Assignment (ASA) incrementally. In the case of phased occupancy with separate ASAs (example, different Agency/Bureau codes), the rent start date for each ASA will occur when the space associated with it is substantially complete and operationally functional.

If there is a substantial punch list for the space that would interfere with the Tenant's full access, occupancy, possession, use and enjoyment of the space, and the Tenant chooses to move in anyway, GSA will negotiate a rent discount with the Tenant while the punch list work is being completed. If after hours work is required, GSA will ensure that adequate security is provided while the contractor is in the Tenant's space.

Once the above 'substantially complete' and 'operationally functional' requirements have been met, rent will commence. GSA does not provide tenant agencies a grace period prior to rent commencement to accomplish the physical move into the space or to allow for the installation of personal property such as phones, furniture, computers, etc. However, rent should not start until those personal property items that have been

included in the General Services Administration's general construction contract, such as telephone and data systems or audio/video systems, are operational unless the Tenant chooses to move into the space pursuant to the preceding paragraph.

### **Occupancy Agreement Iterations**

The parties hereby agree that iterations of OAs prepared before completion of a building design, and before final security/joint use charges are provided, contain preliminary financial terms only. Financial terms in preliminary OAs are estimates for budgeting purposes, and are updated through additional OA versions as business terms evolve throughout the space acquisition. Accordingly, execution by the tenant agency on preliminary OAs constitutes that agency's commitment to the project, and is required prior to PBS awarding any contract for: design, construction/alterations, and/or a lease. Until site purchase or contract award to a design architect, the tenant agency has the right to cancel the proposed project without financial obligation.

### **PBS Services**

The services that PBS provides may be found in the fourth edition of the Pricing Desk Guide. Unless PBS provides otherwise in writing, the cost of these services is included in PBS's rents and fees. Any services beyond those identified in the Pricing Desk Guide are provided by PBS for an additional charge.

### **Payment of Tenant Improvements**

The tenant agency must pay for tenant improvements in excess of the allowance by RWA. The tenant agency also has the right to pay lump sum for tenant improvements below the allowance threshold. The ability to make lump sum payments below the allowance threshold is only available at assignment inception, and only for the customization component of the allowance in new space. In backfill or relet space, if the tenant can accept existing tenant improvements "as is" or with modifications, the tenant can elect to waive all or part of the general allowance. Further, once the tenant allowance is set, if the agency then wishes to make a lump sum payment for improvements which are charged against the allowance, PBS cannot accept payments below the allowance threshold by RWA.

### **OA Renewal**

In the event of a continued occupancy after expiration with no additional space and with no additional tenant improvements provided, the tenant agency will be financially responsible for an extension of this agreement at the market rates in place at the time of the expiration. The rates and term of the extension will be set according to the policy at the time of the extension. The tenant agency rights to relinquish space as specified in this OA remain in effect.

### **Replacement Responsibilities**

The parties agree that PBS is amortizing through a specific charge in Rent the portion of the tenant improvement allowance the tenant elects to use. The tenant has funding responsibility for replacement, renewal or alteration of tenant improvements. PBS is responsible for replacement and renewal of all building shell elements.

### **Tenant Agency Move**

In the event the space covered by this OA involves a tenant agency move, once a design and construction schedule has been established it must be incorporated into this OA. Once part of this OA, the schedule becomes binding upon the tenant agency as well as upon PBS. Delay in project completion caused by either a) tenant agency failure to meet the review and approval times provided in the construction schedule, or b) tenant changes to project scope, will be borne by the tenant agency. As a consequence of tenant-caused delay, PBS may decline to postpone the scheduled substantial completion date (thereby advancing Rent commencement for the space) by the duration of the tenant-caused delay, on a day-to-day basis; this may result in rent charges at two locations simultaneously for the tenant. Additional direct expenses caused through tenant-caused delay or changes in project scope are chargeable against the tenant allowance; in the event the tenant allowance has been exhausted, the tenant must pay the lump sum cost by RWA. In summary, the tenant is responsible for the delay claim of the affected contractor and for rent that GSA

budgeted to start on the date included in the Occupancy Agreement. If partial occupancy of the building is not possible due to one agency change, that agency is liable for the other tenant's rent who are unable to occupy their space on the date contained in their Occupancy Agreement. The rent start date should be adjusted for delay of occupancy caused by PBS failing to deliver the real property on time. The rent start date should not be adjusted for delay of occupancy caused by a GSA contractor failing to install personal property on time with one exception. For those personal property items that have been included in the general construction contract, such as telephone and data systems, or audio/video systems, and the systems are not ready, the rent start date should be adjusted. Delayed furniture delivery and installation, which is not part of the general construction contract, is not reason for delaying the rent start date. In its role as building owner, PBS may also be the cause of delay. Expenses associated with PBS-caused delay incurred by the tenant, for such things as additional storage for furniture, re-procurement expense, or additional consulting fees, will be credited against the tenant's rent obligation to PBS for the new space. In the case of excusable delay (e.g., force majeure or any other delay the cause of which is beyond the reasonable control of either PBS or the tenant agency), neither PBS nor the tenant agency may pursue the other for the consequences of the delay.

### **Environmental and Safety Standards and Regulations**

The tenant agency will comply with all applicable Federal, State, and local environmental, health & safety laws and regulations, such as but not limited to those issued by the U.S. Environmental Protection Agency (EPA) under Title 40 of the Code of Federal Regulations (CFR); the U.S. Occupational Safety and Health Administration (OSHA) under Title 29 of the CFR; the Federal Management Regulation sections that relate to safety and environmental management (41 CFR part 102-80, subpart B); and all applicable laws and regulations set by State and local regulatory agencies.

### **Other Mandatory Clauses**

#### **Security Services**

Beginning in FY 2005, payment for FPS provided Basic and Building Specific Operating Security will be made to the Federal Protective Service (FPS), Department of Homeland Security (DHS) and will be separate from rental payments to GSA (OMB Object Class 23.1). Charges for FPS provided security are determined by, and may be obtained from, FPS.

### **Federal Construction**

In the case of Federal construction, the parties agree that PBS is responsible for providing the funds necessary to acquire land (if appropriate), design and construct the building shell, and fund the tenant agency's tenant improvement allowance. The tenant agency is responsible for any tenant improvement costs in excess of the tenant improvement allowance. The parties further agree that savings or cost over-runs on the acquisition of land or the design and construction of building shell will not result in increases or decreases in the tenant allowance amount, except in the case of prospectus level projects, where bids for the construction of the shell are over the approved budget. In this case, it is permissible to lower the tenant allowance in order to increase the shell budget, but only with approval of the tenant agency. The tenant agency can appeal to the PBS asset manager in cases in which the agency's assigned tenant improvement allowance is inadequate to provide basic functionality for the space.

### **Federal Rent Charges**

Federal rental charges will consist of a shell rent plus amortized tenant improvements, if applicable. There may be additional charges for operating expenses, security, joint use, parking, and other space items such as antennas. In 2017, GSA transitions to 10-year rates for occupancies in buildings where new appraisals are available. OAs will be transitioned to a 10-year rate as the current shell rate terms expire. The shell or "as is" rent will be reset every 10 years. For OAs in a building without a new 10-year appraisal, the shell rate or as is rate will continue to be set for periods up to but not beyond 5 years. These OAs will transition to the new 10-year rate no later than FY22 as their current rate terms expire. In the case of buildings priced on a "Return on Investment" approach, the rent attributable to the original shell improvements will remain level for the duration of the OA. If additional capitalized shell replacements or improvements are made, the Shell Rent rate will be adjusted every 5 years to reflect the additional investment. Charges for operating expenses, joint use space, parking, antennas and security may be adjusted on an annual basis.

### **Financial Terms**

While this Occupancy Agreement (OA) addresses financial terms that cover multiple fiscal years, the parties agree that unless otherwise specified: The tenant agency may relinquish space upon four (4) months notice. Thus, at any future time, the tenant agency's financial obligation can be reduced to four (4) months of rent, plus the unamortized balance of any tenant improvements financed through PBS, plus any rent concession not yet earned. Any free Rent or other concession given at the beginning of the occupancy term must be allocated on a pro-rata basis over the entire OA term, and the unearned balance repaid to PBS. The tenant's financial obligations for years beyond the current year do not mature until the later year(s) are reached. Thus, there is no requirement that the tenant agency certify that current year funds are available to defray future year obligations. Any free Rent or other concession given at the beginning of the occupancy term (for all occupancy types) must be allocated on a pro-rata basis over the entire OA term, and the unearned balance repaid to PBS.

The tenant's financial obligations for years beyond the current year do not mature until the later year(s) are reached. Thus, there is no requirement that the tenant agency certify that current year funds are available to defray future year obligations.

The tenant's future years obligation to pay Rent is subject to the availability of funds, but the tenant agrees to make a good faith effort to meet its obligations as they arise.

### **Move Cost Responsibilities**

At the end of this OA term, if the tenant cannot remain in the space covered by this OA, the tenant is responsible for funding the physical move to new space. In the event PBS displaces or allows another user

to displace the tenant before the expiration of the OA term, PBS must fund, or require the new user to fund, the tenant's physical move, and relocation of the tenant's telecommunications equipment. PBS must also reimburse, or require the new user to reimburse, the tenant for the undepreciated value of any lump sum payments the tenant made toward tenant improvements and the Rent differential at the new location until the displaced agency has time to budget. The Rent differential is calculated on all elements of Rent except the amortized tenant improvement cost. In the event of a PBS disposal of a building or an approved prospectus project requiring the agency relocation from this space before the expiration of the OA term, PBS will fund tenant agency move costs unless PBS has provided 3 years' written notice of the action. In the event PBS provides 3 years' written notice, the agency is responsible for funding the physical move to new space.

### **Obligation to Pay Rent**

The Tenant agency's obligation to pay rent for the space governed by this OA commences when both of the following occur: the space is substantially complete and operationally functional. Occupancy and rent start will be coordinated with the Tenant.

1. The space is ready for occupancy of personal property, typically the substantial completion date. Substantial completion is signaled by PBS's acceptance of the space as substantially complete in accordance with the general construction contract documents. "Substantially complete" and "substantial completion" mean that the work, the common and other areas of the building, and all other things necessary for the Government's access to the premises and occupancy, possession, use and enjoyment thereof, as provided in the general construction contract, have been completed or obtained, excepting only such minor matters as do not interfere with or materially diminish such access, occupancy, possession, use or enjoyment

. PBS will offer to an authorized representative of the Tenant the opportunity to participate in a walk-through of the space prior to final acceptance of the space as substantially complete by PBS. The authorized representative of the Tenant will make himself or herself available so as to not delay the walk-through of the space. The authorized representatives of PBS and the Tenant will itemize any defects and omissions (D&Os, or "punch list") of the construction project that will need to be corrected prior to final contract payment. Provided that the D&Os are minor matters not materially diminishing use of the space, the authorized representative of PBS, acting on behalf of the Government and its Tenant, will determine substantial completion.

2. The space is operationally functional. Operationally functional means that the building systems included in the general construction contract must function and GSA-provided building-specific safety and security features must be operational. Related space that is necessary for a Tenant to function due to workflow adjacencies must be complete before rent commences

For large projects that entail phased occupancy of the Tenant's space, rent will commence on the individual blocks of space when they are substantially complete and operationally functional. The blocks will be added to the Agency Space Assignment (ASA) incrementally. In the case of phased occupancy with separate ASAs (example, different Agency/Bureau codes), the rent start date for each ASA will occur when the space associated with it is substantially complete and operationally functional.

If there is a substantial punch list for the space that would interfere with the Tenant's full access, occupancy, possession, use and enjoyment of the space, and the Tenant chooses to move in anyway, GSA will negotiate a rent discount with the Tenant while the punch list work is being completed. If after hours work is required, GSA will ensure that adequate security is provided while the contractor is in the Tenant's space.

Once the above 'substantially complete' and 'operationally functional' requirements have been met, rent will commence. GSA does not provide tenant agencies a grace period prior to rent commencement to accomplish

the physical move into the space or to allow for the installation of personal property such as phones, furniture, computers, etc. However, rent should not start until those personal property items that have been included in the General Services Administration's general construction contract, such as telephone and data systems or audio/video systems, are operational unless the Tenant chooses to move into the space pursuant to the preceding paragraph.

### **Occupancy Agreement Iterations**

The parties hereby agree that iterations of OAs prepared before completion of a building design, and before final security/joint use charges are provided, contain preliminary financial terms only. Financial terms in preliminary OAs are estimates for budgeting purposes, and are updated through additional OA versions as business terms evolve throughout the space acquisition. Accordingly, execution by the tenant agency on preliminary OAs constitutes that agency's commitment to the project, and is required prior to PBS awarding any contract for: design, construction/alterations, and/or a lease. Until site purchase or contract award to a design architect, the tenant agency has the right to cancel the proposed project without financial obligation.

### **PBS Services**

The services that PBS provides may be found in the fourth edition of the Pricing Desk Guide. Unless PBS provides otherwise in writing, the cost of these services is included in PBS's rents and fees. Any services beyond those identified in the Pricing Desk Guide are provided by PBS for an additional charge.

### **Payment of Tenant Improvements**

The tenant agency must pay for tenant improvements in excess of the allowance by RWA. The tenant agency also has the right to pay lump sum for tenant improvements below the allowance threshold. The ability to make lump sum payments below the allowance threshold is only available at assignment inception, and only for the customization component of the allowance in new space. In backfill or relet space, if the tenant can accept existing tenant improvements "as is" or with modifications, the tenant can elect to waive all or part of the general allowance. Further, once the tenant allowance is set, if the agency then wishes to make a lump sum payment for improvements which are charged against the allowance, PBS cannot accept payments below the allowance threshold by RWA.

### **Replacement Responsibilities**

The parties agree that PBS is amortizing through a specific charge in Rent the portion of the tenant improvement allowance the tenant elects to use. The tenant has funding responsibility for replacement, renewal or alteration of tenant improvements. PBS is responsible for replacement and renewal of all building shell elements.

### **Tenant Agency Move**

In the event the space covered by this OA involves a tenant agency move, once a design and construction schedule has been established it must be incorporated into this OA. Once part of this OA, the schedule becomes binding upon the tenant agency as well as upon PBS. Delay in project completion caused by either a) tenant agency failure to meet the review and approval times provided in the construction schedule, or b) tenant changes to project scope, will be borne by the tenant agency. As a consequence of tenant-caused delay, PBS may decline to postpone the scheduled substantial completion date (thereby advancing Rent commencement for the space) by the duration of the tenant-caused delay, on a day-to-day basis; this may result in rent charges at two locations simultaneously for the tenant. Additional direct expenses caused through tenant-caused delay or changes in project scope are chargeable against the tenant allowance; in the event the tenant allowance has been exhausted, the tenant must pay the lump sum cost by RWA. In summary, the tenant is responsible for the delay claim of the affected contractor and for rent that GSA budgeted to start on the date included in the Occupancy Agreement. If partial occupancy of the building is not possible due to one agency change, that agency is liable for the other tenant's rent who are unable to occupy their space on the date contained in their Occupancy Agreement. The rent start date should be adjusted for delay of occupancy caused by PBS failing to deliver the real property on time. The rent start date should not be adjusted for delay of occupancy caused by a GSA contractor failing to install personal

### OCCUPANCY AGREEMENT

Between

(b)(5)

And

**GENERAL SERVICES ADMINISTRATION**

AMA03630	Final	Version:	4	Date Last Modified:	01-Nov-2018
MA0131ZZ				Annual Operating Cost Escalation	

(b)(5) will occupy 843.69 usable ( 1,140.69 rentable) square feet of space and 0 structured parking spaces and 0 surface parking spaces at JFK FEDERAL BUILDING (MA0131) located at 15 New Sudbury St, BOSTON, MA, for a period of 108 months commencing on or about 11/01/2018.

The agency share of Joint Use Spaces is 67.94 rentable square feet.

(b)(5) will pay the General Services Administration rent in accordance with the attached page(s). The rental will be adjusted annually for operating cost.

(b)(5) will pay the General Services Administration additional rent for prorated share of joint use space associated with this location, if any.

Additional/reduced services are shown on the attached Occupancy Agreement Financial Summary.

#### **Mandatory Clauses**

##### **Promoting Efficient Spending**

##### **Reduce the Footprint**

The Office of Management and Budget Memorandum, "Promoting Efficient Spending to Support Agency Operations" issued on May 11, 2012 and Management Procedures Memorandum issued on March 25, 2015, have established a Reduce the Footprint policy for executive agencies. OFFICE OF JOB CORPS is responsible for making sure their space request is consistent with any applicable square foot reduction targets and can contact TotalWorkplace@gsa.gov for help developing agency-wide space design standards that optimize their space usage.

##### **Federal Specific Mandatory Clauses**

##### **Alterations by Tenant Agency**

The tenant agency agrees that it will undertake no alterations to the real property governed by this OA without prior approval from PBS.

##### **Building Services**

Building services to be provided are outlined in the PBS Real Property Customer Guide. Additional or upgraded services beyond those identified are provided by PBS on a reimbursable basis. Charges for certain recurring reimbursable services may be billed on the PBS Bill. Recurring charges for overtime utilities, enhanced custodial services, mechanical O&M HVAC, mechanical O&M Other and additional guard services are eligible for billing on the PBS Bill provided the tenant agency has been designated as a "participating agency". The charges must be initiated by the tenant agency and renewed annually. The

recurring RWA processing fee will be assessed against each service billed.

**Federal Construction**

In the case of Federal construction, the parties agree that PBS is responsible for providing the funds necessary to acquire land (if appropriate), design and construct the building shell, and fund the tenant agency's tenant improvement allowance. The tenant agency is responsible for any tenant improvement costs in excess of the tenant improvement allowance. The parties further agree that savings or cost over-runs on the acquisition of land or the design and construction of building shell will not result in increases or decreases in the tenant allowance amount, except in the case of prospectus level projects, where bids for the construction of the shell are over the approved budget. In this case, it is permissible to lower the tenant allowance in order to increase the shell budget, but only with approval of the tenant agency. The tenant agency can appeal to the PBS asset manager in cases in which the agency's assigned tenant improvement allowance is inadequate to provide basic functionality for the space.

**Federal Rent Charges**

Federal rental charges will consist of a shell rent plus amortized tenant improvements, if applicable. There may be additional charges for operating expenses, security, joint use, parking, and other space items such as antennas. In 2017, GSA transitions to 10-year rates for occupancies in buildings where new appraisals are available. OAs will be transitioned to a 10-year rate as the current shell rate terms expire. The shell or "as is" rent will be reset every 10 years. For OAs in a building without a new 10-year appraisal, the shell rate or as is rate will continue to be set for periods up to but not beyond 5 years. These OAs will transition to the new 10-year rate no later than FY22 as their current rate terms expire. In the case of buildings priced on a "Return on Investment" approach, the rent attributable to the original shell improvements will remain level for the duration of the OA. If additional capitalized shell replacements or improvements are made, the Shell Rent rate will be adjusted every 5 years to reflect the additional investment. Charges for operating expenses, joint use space, parking, antennas and security may be adjusted on an annual basis.

**Financial Terms**

While this Occupancy Agreement (OA) addresses financial terms that cover multiple fiscal years, the parties agree that unless otherwise specified: The tenant agency may relinquish space upon four (4) months notice. Thus, at any future time, the tenant agency's financial obligation can be reduced to four (4) months of rent, plus the unamortized balance of any tenant improvements financed through PBS, plus any rent concession not yet earned. Any free Rent or other concession given at the beginning of the occupancy term must be allocated on a pro-rata basis over the entire OA term, and the unearned balance repaid to PBS. The tenant's financial obligations for years beyond the current year do not mature until the later year(s) are reached. Thus, there is no requirement that the tenant agency certify that current year funds are available to defray future year obligations. Any free Rent or other concession given at the beginning of the occupancy term (for all occupancy types) must be allocated on a pro-rata basis over the entire OA term, and the unearned balance repaid to PBS.

The tenant's financial obligations for years beyond the current year do not mature until the later year(s) are reached. Thus, there is no requirement that the tenant agency certify that current year funds are available to defray future year obligations.

The tenant's future years obligation to pay Rent is subject to the availability of funds, but the tenant agrees to make a good faith effort to meet its obligations as they arise.

**Move Cost Responsibilities**

At the end of this OA term, if the tenant cannot remain in the space covered by this OA, the tenant is responsible for funding the physical move to new space. In the event PBS displaces or allows another user to displace the tenant before the expiration of the OA term, PBS must fund, or require the new user to fund, the tenant's physical move, and relocation of the tenant's telecommunications equipment. PBS must also

reimburse, or require the new user to reimburse, the tenant for the undepreciated value of any lump sum payments the tenant made toward tenant improvements and the Rent differential at the new location until the displaced agency has time to budget. The Rent differential is calculated on all elements of Rent except the amortized tenant improvement cost. In the event of a PBS disposal of a building or an approved prospectus project requiring the agency relocation from this space before the expiration of the OA term, PBS will fund tenant agency move costs unless PBS has provided 3 years' written notice of the action. In the event PBS provides 3 years' written notice, the agency is responsible for funding the physical move to new space.

### **Obligation to Pay Rent**

The Tenant agency's obligation to pay rent for the space governed by this OA commences when both of the following occur: the space is substantially complete and operationally functional. Occupancy and rent start will be coordinated with the Tenant.

1. The space is ready for occupancy of personal property, typically the substantial completion date. Substantial completion is signaled by PBS's acceptance of the space as substantially complete in accordance with the general construction contract documents. "Substantially complete" and "substantial completion" mean that the work, the common and other areas of the building, and all other things necessary for the Government's access to the premises and occupancy, possession, use and enjoyment thereof, as provided in the general construction contract, have been completed or obtained, excepting only such minor matters as do not interfere with or materially diminish such access, occupancy, possession, use or enjoyment

. PBS will offer to an authorized representative of the Tenant the opportunity to participate in a walk-through of the space prior to final acceptance of the space as substantially complete by PBS. The authorized representative of the Tenant will make himself or herself available so as to not delay the walk-through of the space. The authorized representatives of PBS and the Tenant will itemize any defects and omissions (D&Os, or "punch list") of the construction project that will need to be corrected prior to final contract payment. Provided that the D&Os are minor matters not materially diminishing use of the space, the authorized representative of PBS, acting on behalf of the Government and its Tenant, will determine substantial completion.

2. The space is operationally functional. Operationally functional means that the building systems included in the general construction contract must function and GSA-provided building-specific safety and security features must be operational. Related space that is necessary for a Tenant to function due to workflow adjacencies must be complete before rent commences

For large projects that entail phased occupancy of the Tenant's space, rent will commence on the individual blocks of space when they are substantially complete and operationally functional. The blocks will be added to the Agency Space Assignment (ASA) incrementally. In the case of phased occupancy with separate ASAs (example, different Agency/Bureau codes), the rent start date for each ASA will occur when the space associated with it is substantially complete and operationally functional.

If there is a substantial punch list for the space that would interfere with the Tenant's full access, occupancy, possession, use and enjoyment of the space, and the Tenant chooses to move in anyway, GSA will negotiate a rent discount with the Tenant while the punch list work is being completed. If after hours work is required, GSA will ensure that adequate security is provided while the contractor is in the Tenant's space.

Once the above 'substantially complete' and 'operationally functional' requirements have been met, rent will commence. GSA does not provide tenant agencies a grace period prior to rent commencement to accomplish the physical move into the space or to allow for the installation of personal property such as phones, furniture, computers, etc. However, rent should not start until those personal property items that have been

included in the General Services Administration's general construction contract, such as telephone and data systems or audio/video systems, are operational unless the Tenant chooses to move into the space pursuant to the preceding paragraph.

### **Occupancy Agreement Iterations**

The parties hereby agree that iterations of OAs prepared before completion of a building design, and before final security/joint use charges are provided, contain preliminary financial terms only. Financial terms in preliminary OAs are estimates for budgeting purposes, and are updated through additional OA versions as business terms evolve throughout the space acquisition. Accordingly, execution by the tenant agency on preliminary OAs constitutes that agency's commitment to the project, and is required prior to PBS awarding any contract for: design, construction/alterations, and/or a lease. Until site purchase or contract award to a design architect, the tenant agency has the right to cancel the proposed project without financial obligation.

### **PBS Services**

The services that PBS provides may be found in the fourth edition of the Pricing Desk Guide. Unless PBS provides otherwise in writing, the cost of these services is included in PBS's rents and fees. Any services beyond those identified in the Pricing Desk Guide are provided by PBS for an additional charge.

### **Payment of Tenant Improvements**

The tenant agency must pay for tenant improvements in excess of the allowance by RWA. The tenant agency also has the right to pay lump sum for tenant improvements below the allowance threshold. The ability to make lump sum payments below the allowance threshold is only available at assignment inception, and only for the customization component of the allowance in new space. In backfill or relet space, if the tenant can accept existing tenant improvements "as is" or with modifications, the tenant can elect to waive all or part of the general allowance. Further, once the tenant allowance is set, if the agency then wishes to make a lump sum payment for improvements which are charged against the allowance, PBS cannot accept payments below the allowance threshold by RWA.

### **OA Renewal**

In the event of a continued occupancy after expiration with no additional space and with no additional tenant improvements provided, the tenant agency will be financially responsible for an extension of this agreement at the market rates in place at the time of the expiration. The rates and term of the extension will be set according to the policy at the time of the extension. The tenant agency rights to relinquish space as specified in this OA remain in effect.

### **Replacement Responsibilities**

The parties agree that PBS is amortizing through a specific charge in Rent the portion of the tenant improvement allowance the tenant elects to use. The tenant has funding responsibility for replacement, renewal or alteration of tenant improvements. PBS is responsible for replacement and renewal of all building shell elements.

### **Tenant Agency Move**

In the event the space covered by this OA involves a tenant agency move, once a design and construction schedule has been established it must be incorporated into this OA. Once part of this OA, the schedule becomes binding upon the tenant agency as well as upon PBS. Delay in project completion caused by either a) tenant agency failure to meet the review and approval times provided in the construction schedule, or b) tenant changes to project scope, will be borne by the tenant agency. As a consequence of tenant-caused delay, PBS may decline to postpone the scheduled substantial completion date (thereby advancing Rent commencement for the space) by the duration of the tenant-caused delay, on a day-to-day basis; this may result in rent charges at two locations simultaneously for the tenant. Additional direct expenses caused through tenant-caused delay or changes in project scope are chargeable against the tenant allowance; in the event the tenant allowance has been exhausted, the tenant must pay the lump sum cost by RWA. In summary, the tenant is responsible for the delay claim of the affected contractor and for rent that GSA

budgeted to start on the date included in the Occupancy Agreement. If partial occupancy of the building is not possible due to one agency change, that agency is liable for the other tenant's rent who are unable to occupy their space on the date contained in their Occupancy Agreement. The rent start date should be adjusted for delay of occupancy caused by PBS failing to deliver the real property on time. The rent start date should not be adjusted for delay of occupancy caused by a GSA contractor failing to install personal property on time with one exception. For those personal property items that have been included in the general construction contract, such as telephone and data systems, or audio/video systems, and the systems are not ready, the rent start date should be adjusted. Delayed furniture delivery and installation, which is not part of the general construction contract, is not reason for delaying the rent start date. In its role as building owner, PBS may also be the cause of delay. Expenses associated with PBS-caused delay incurred by the tenant, for such things as additional storage for furniture, re-procurement expense, or additional consulting fees, will be credited against the tenant's rent obligation to PBS for the new space. In the case of excusable delay (e.g., force majeure or any other delay the cause of which is beyond the reasonable control of either PBS or the tenant agency), neither PBS nor the tenant agency may pursue the other for the consequences of the delay.

### **Environmental and Safety Standards and Regulations**

The tenant agency will comply with all applicable Federal, State, and local environmental, health & safety laws and regulations, such as but not limited to those issued by the U.S. Environmental Protection Agency (EPA) under Title 40 of the Code of Federal Regulations (CFR); the U.S. Occupational Safety and Health Administration (OSHA) under Title 29 of the CFR; the Federal Management Regulation sections that relate to safety and environmental management (41 CFR part 102-80, subpart B); and all applicable laws and regulations set by State and local regulatory agencies.

### **Other Mandatory Clauses**

#### **JU Space Details**

The agency share of Joint Use Spaces is 67.94 rentable square feet, \$3,187.97 Annual which is further defined as:

	Rentable Space RSF	Rentable Space Annual
JFK FEDERAL BUILDING (MA0131), 15 New Sudbury St	67.94	\$3,187.97

### **Security Services**

Beginning in FY 2005, payment for FPS provided Basic and Building Specific Operating Security will be made to the Federal Protective Service (FPS), Department of Homeland Security (DHS) and will be separate from rental payments to GSA (OMB Object Class 23.1). Charges for FPS provided security are determined by, and may be obtained from, FPS.

### **Optional Clauses**

#### **Ad Hoc Clauses**

I agree to the initial terms with the understanding modifications will be made over time.

(b)(5)

And

**GENERAL SERVICES ADMINISTRATION**

AMA03631	Final	Version:	1	Date Last Modified:	18-Jan-2018
MA0131ZZ					

(b)(5) will occupy 0.00 usable ( 0.00 rentable) square feet of space and 0 structured parking spaces and 0 surface parking spaces at JFK FEDERAL BUILDING (MA0131) located at 15 New Sudbury St, BOSTON, MA, for a period of 35 months commencing on or about 01/08/2018.

(b)(5) will pay the General Services Administration rent in accordance with the attached page(s).

(b)(5) will pay the General Services Administration additional rent for prorated share of joint use space associated with this location, if any.

Additional/reduced services are shown on the attached Occupancy Agreement Financial Summary.

#### **Mandatory Clauses**

##### **Promoting Efficient Spending**

##### **Reduce the Footprint**

The Office of Management and Budget Memorandum, "Promoting Efficient Spending to Support Agency Operations" issued on May 11, 2012 and Management Procedures Memorandum issued on March 25, 2015, have established a Reduce the Footprint policy for executive agencies. GSA OUTLEASED SPACE is responsible for making sure their space request is consistent with any applicable square foot reduction targets and can contact TotalWorkplace@gsa.gov for help developing agency-wide space design standards that optimize their space usage.

##### **Federal Specific Mandatory Clauses**

##### **Alterations by Tenant Agency**

The tenant agency agrees that it will undertake no alterations to the real property governed by this OA without prior approval from PBS.

##### **Building Services**

Building services to be provided are outlined in the PBS Real Property Customer Guide. Additional or upgraded services beyond those identified are provided by PBS on a reimbursable basis. Charges for certain recurring reimbursable services may be billed on the PBS Bill. Recurring charges for overtime utilities, enhanced custodial services, mechanical O&M HVAC, mechanical O&M Other and additional guard services are eligible for billing on the PBS Bill provided the tenant agency has been designated as a "participating agency". The charges must be initiated by the tenant agency and renewed annually. The recurring RWA processing fee will be assessed against each service billed.

**Federal Construction**

In the case of Federal construction, the parties agree that PBS is responsible for providing the funds necessary to acquire land (if appropriate), design and construct the building shell, and fund the tenant agency's tenant improvement allowance. The tenant agency is responsible for any tenant improvement costs in excess of the tenant improvement allowance. The parties further agree that savings or cost over-runs on the acquisition of land or the design and construction of building shell will not result in increases or decreases in the tenant allowance amount, except in the case of prospectus level projects, where bids for the construction of the shell are over the approved budget. In this case, it is permissible to lower the tenant allowance in order to increase the shell budget, but only with approval of the tenant agency. The tenant agency can appeal to the PBS asset manager in cases in which the agency's assigned tenant improvement allowance is inadequate to provide basic functionality for the space.

**Federal Rent Charges**

Federal rental charges will consist of a shell rent plus amortized tenant improvements, if applicable. There may be additional charges for operating expenses, security, joint use, parking, and other space items such as antennas. In 2017, GSA transitions to 10-year rates for occupancies in buildings where new appraisals are available. OAs will be transitioned to a 10-year rate as the current shell rate terms expire. The shell or "as is" rent will be reset every 10 years. For OAs in a building without a new 10-year appraisal, the shell rate or as is rate will continue to be set for periods up to but not beyond 5 years. These OAs will transition to the new 10-year rate no later than FY22 as their current rate terms expire. In the case of buildings priced on a "Return on Investment" approach, the rent attributable to the original shell improvements will remain level for the duration of the OA. If additional capitalized shell replacements or improvements are made, the Shell Rent rate will be adjusted every 5 years to reflect the additional investment. Charges for operating expenses, joint use space, parking, antennas and security may be adjusted on an annual basis.

**Financial Terms**

While this Occupancy Agreement (OA) addresses financial terms that cover multiple fiscal years, the parties agree that unless otherwise specified: The tenant agency may relinquish space upon four (4) months notice. Thus, at any future time, the tenant agency's financial obligation can be reduced to four (4) months of rent, plus the unamortized balance of any tenant improvements financed through PBS, plus any rent concession not yet earned. Any free Rent or other concession given at the beginning of the occupancy term must be allocated on a pro-rata basis over the entire OA term, and the unearned balance repaid to PBS. The tenant's financial obligations for years beyond the current year do not mature until the later year(s) are reached. Thus, there is no requirement that the tenant agency certify that current year funds are available to defray future year obligations. Any free Rent or other concession given at the beginning of the occupancy term (for all occupancy types) must be allocated on a pro-rata basis over the entire OA term, and the unearned balance repaid to PBS.

The tenant's financial obligations for years beyond the current year do not mature until the later year(s) are reached. Thus, there is no requirement that the tenant agency certify that current year funds are available to defray future year obligations.

The tenant's future years obligation to pay Rent is subject to the availability of funds, but the tenant agrees to make a good faith effort to meet its obligations as they arise.

**Move Cost Responsibilities**

At the end of this OA term, if the tenant cannot remain in the space covered by this OA, the tenant is responsible for funding the physical move to new space. In the event PBS displaces or allows another user to displace the tenant before the expiration of the OA term, PBS must fund, or require the new user to fund, the tenant's physical move, and relocation of the tenant's telecommunications equipment. PBS must also reimburse, or require the new user to reimburse, the tenant for the undepreciated value of any lump sum payments the tenant made toward tenant improvements and the Rent differential at the new location until

the displaced agency has time to budget. The Rent differential is calculated on all elements of Rent except the amortized tenant improvement cost. In the event of a PBS disposal of a building or an approved prospectus project requiring the agency relocation from this space before the expiration of the OA term, PBS will fund tenant agency move costs unless PBS has provided 3 years' written notice of the action. In the event PBS provides 3 years' written notice, the agency is responsible for funding the physical move to new space.

### **Obligation to Pay Rent**

The Tenant agency's obligation to pay rent for the space governed by this OA commences when both of the following occur: the space is substantially complete and operationally functional. Occupancy and rent start will be coordinated with the Tenant.

1. The space is ready for occupancy of personal property, typically the substantial completion date. Substantial completion is signaled by PBS's acceptance of the space as substantially complete in accordance with the general construction contract documents. "Substantially complete" and "substantial completion" mean that the work, the common and other areas of the building, and all other things necessary for the Government's access to the premises and occupancy, possession, use and enjoyment thereof, as provided in the general construction contract, have been completed or obtained, excepting only such minor matters as do not interfere with or materially diminish such access, occupancy, possession, use or enjoyment

. PBS will offer to an authorized representative of the Tenant the opportunity to participate in a walk-through of the space prior to final acceptance of the space as substantially complete by PBS. The authorized representative of the Tenant will make himself or herself available so as to not delay the walk-through of the space. The authorized representatives of PBS and the Tenant will itemize any defects and omissions (D&Os, or "punch list") of the construction project that will need to be corrected prior to final contract payment. Provided that the D&Os are minor matters not materially diminishing use of the space, the authorized representative of PBS, acting on behalf of the Government and its Tenant, will determine substantial completion.

2. The space is operationally functional. Operationally functional means that the building systems included in the general construction contract must function and GSA-provided building-specific safety and security features must be operational. Related space that is necessary for a Tenant to function due to workflow adjacencies must be complete before rent commences

For large projects that entail phased occupancy of the Tenant's space, rent will commence on the individual blocks of space when they are substantially complete and operationally functional. The blocks will be added to the Agency Space Assignment (ASA) incrementally. In the case of phased occupancy with separate ASAs (example, different Agency/Bureau codes), the rent start date for each ASA will occur when the space associated with it is substantially complete and operationally functional.

If there is a substantial punch list for the space that would interfere with the Tenant's full access, occupancy, possession, use and enjoyment of the space, and the Tenant chooses to move in anyway, GSA will negotiate a rent discount with the Tenant while the punch list work is being completed. If after hours work is required, GSA will ensure that adequate security is provided while the contractor is in the Tenant's space.

Once the above 'substantially complete' and 'operationally functional' requirements have been met, rent will commence. GSA does not provide tenant agencies a grace period prior to rent commencement to accomplish the physical move into the space or to allow for the installation of personal property such as phones, furniture, computers, etc. However, rent should not start until those personal property items that have been included in the General Services Administration's general construction contract, such as telephone and data systems or audio/video systems, are operational unless the Tenant chooses to move into the space pursuant

to the preceding paragraph.

### **Occupancy Agreement Iterations**

The parties hereby agree that iterations of OAs prepared before completion of a building design, and before final security/joint use charges are provided, contain preliminary financial terms only. Financial terms in preliminary OAs are estimates for budgeting purposes, and are updated through additional OA versions as business terms evolve throughout the space acquisition. Accordingly, execution by the tenant agency on preliminary OAs constitutes that agency's commitment to the project, and is required prior to PBS awarding any contract for: design, construction/alterations, and/or a lease. Until site purchase or contract award to a design architect, the tenant agency has the right to cancel the proposed project without financial obligation.

### **PBS Services**

The services that PBS provides may be found in the fourth edition of the Pricing Desk Guide. Unless PBS provides otherwise in writing, the cost of these services is included in PBS's rents and fees. Any services beyond those identified in the Pricing Desk Guide are provided by PBS for an additional charge.

### **Payment of Tenant Improvements**

The tenant agency must pay for tenant improvements in excess of the allowance by RWA. The tenant agency also has the right to pay lump sum for tenant improvements below the allowance threshold. The ability to make lump sum payments below the allowance threshold is only available at assignment inception, and only for the customization component of the allowance in new space. In backfill or relet space, if the tenant can accept existing tenant improvements "as is" or with modifications, the tenant can elect to waive all or part of the general allowance. Further, once the tenant allowance is set, if the agency then wishes to make a lump sum payment for improvements which are charged against the allowance, PBS cannot accept payments below the allowance threshold by RWA.

### **OA Renewal**

In the event of a continued occupancy after expiration with no additional space and with no additional tenant improvements provided, the tenant agency will be financially responsible for an extension of this agreement at the market rates in place at the time of the expiration. The rates and term of the extension will be set according to the policy at the time of the extension. The tenant agency rights to relinquish space as specified in this OA remain in effect.

### **Replacement Responsibilities**

The parties agree that PBS is amortizing through a specific charge in Rent the portion of the tenant improvement allowance the tenant elects to use. The tenant has funding responsibility for replacement, renewal or alteration of tenant improvements. PBS is responsible for replacement and renewal of all building shell elements.

### **Tenant Agency Move**

In the event the space covered by this OA involves a tenant agency move, once a design and construction schedule has been established it must be incorporated into this OA. Once part of this OA, the schedule becomes binding upon the tenant agency as well as upon PBS. Delay in project completion caused by either a) tenant agency failure to meet the review and approval times provided in the construction schedule, or b) tenant changes to project scope, will be borne by the tenant agency. As a consequence of tenant-caused delay, PBS may decline to postpone the scheduled substantial completion date (thereby advancing Rent commencement for the space) by the duration of the tenant-caused delay, on a day-to-day basis; this may result in rent charges at two locations simultaneously for the tenant. Additional direct expenses caused through tenant-caused delay or changes in project scope are chargeable against the tenant allowance; in the event the tenant allowance has been exhausted, the tenant must pay the lump sum cost by RWA. In summary, the tenant is responsible for the delay claim of the affected contractor and for rent that GSA budgeted to start on the date included in the Occupancy Agreement. If partial occupancy of the building is not possible due to one agency change, that agency is liable for the other tenant's rent who are unable to

occupy their space on the date contained in their Occupancy Agreement. The rent start date should be adjusted for delay of occupancy caused by PBS failing to deliver the real property on time. The rent start date should not be adjusted for delay of occupancy caused by a GSA contractor failing to install personal property on time with one exception. For those personal property items that have been included in the general construction contract, such as telephone and data systems, or audio/video systems, and the systems are not ready, the rent start date should be adjusted. Delayed furniture delivery and installation, which is not part of the general construction contract, is not reason for delaying the rent start date. In its role as building owner, PBS may also be the cause of delay. Expenses associated with PBS-caused delay incurred by the tenant, for such things as additional storage for furniture, re-procurement expense, or additional consulting fees, will be credited against the tenant's rent obligation to PBS for the new space. In the case of excusable delay (e.g., force majeure or any other delay the cause of which is beyond the reasonable control of either PBS or the tenant agency), neither PBS nor the tenant agency may pursue the other for the consequences of the delay.

#### **Environmental and Safety Standards and Regulations**

The tenant agency will comply with all applicable Federal, State, and local environmental, health & safety laws and regulations, such as but not limited to those issued by the U.S. Environmental Protection Agency (EPA) under Title 40 of the Code of Federal Regulations (CFR); the U.S. Occupational Safety and Health Administration (OSHA) under Title 29 of the CFR; the Federal Management Regulation sections that relate to safety and environmental management (41 CFR part 102-80, subpart B); and all applicable laws and regulations set by State and local regulatory agencies.

#### **Other Mandatory Clauses**

##### **Space Item of Antenna**

Placement, installation, operation and removal of telecommunications devices (such as antennas) in common areas (such as rooftops) may be conducted by the customer agency with the approval of the GSA Building Manager. GSA's cost for providing space for telecommunications will be covered through a license fee that may be established by GSA on the basis of:

An appraisal or market analysis prepared by a local real estate professional.

or

A national valuation model.

#### **Security Services**

Beginning in FY 2005, payment for FPS provided Basic and Building Specific Operating Security will be made to the Federal Protective Service (FPS), Department of Homeland Security (DHS) and will be separate from rental payments to GSA (OMB Object Class 23.1). Charges for FPS provided security are determined by, and may be obtained from, FPS.

#### **Optional Clauses**

##### **Ad Hoc Clauses**

I agree to the initial terms with the understanding modifications will be made over time.

## Signed Agreement and Financial Summary

### OCCUPANCY AGREEMENT

Between

(b)(5)

And

**GENERAL SERVICES ADMINISTRATION**

AMA03663	Final	Version:	4	Date Last Modified:	30-Sep-2018
MA0131ZZ				Fiscal Year Update	

(b)(5) will occupy 1,038.38 usable ( 1,406.10 rentable) square feet of space and 0 structured parking spaces and 0 surface parking spaces at JFK FEDERAL BUILDING (MA0131) located at 15 New Sudbury St, BOSTON, MA, for a period of 6 months commencing on or about 09/30/2018.

The agency share of Joint Use Spaces is 83.61 rentable square feet.

(b)(5) will pay the General Services Administration rent in accordance with the attached page(s). The rental will be adjusted annually for operating cost.

(b)(5) will pay the General Services Administration additional rent for prorated share of joint use space associated with this location, if any.

Additional/reduced services are shown on the attached Occupancy Agreement Financial Summary.

#### **Mandatory Clauses**

##### **Federal Specific Mandatory Clauses**

##### **Alterations by Tenant Agency**

The tenant agency agrees that it will undertake no alterations to the real property governed by this OA without prior approval from PBS.

##### **Building Services**

Building services to be provided are outlined in the PBS Real Property Customer Guide. Additional or upgraded services beyond those identified are provided by PBS on a reimbursable basis. Charges for certain recurring reimbursable services may be billed on the PBS Bill. Recurring charges for overtime utilities, enhanced custodial services, mechanical O&M HVAC, mechanical O&M Other and additional guard services are eligible for billing on the PBS Bill provided the tenant agency has been designated as a "participating agency". The charges must be initiated by the tenant agency and renewed annually. The recurring RWA processing fee will be assessed against each service billed.

##### **Federal Construction**

In the case of Federal construction, the parties agree that PBS is responsible for providing the funds necessary to acquire land (if appropriate), design and construct the building shell, and fund the tenant agency's tenant improvement allowance. The tenant agency is responsible for any tenant improvement costs in excess of the tenant improvement allowance. The parties further agree that savings or cost over-runs on the acquisition of land or the design and construction of building shell will not result in increases or decreases in the tenant allowance amount, except in the case of prospectus level projects, where bids for the

construction of the shell are over the approved budget. In this case, it is permissible to lower the tenant allowance in order to increase the shell budget, but only with approval of the tenant agency. The tenant agency can appeal to the PBS asset manager in cases in which the agency's assigned tenant improvement allowance is inadequate to provide basic functionality for the space.

### **Federal Rent Charges**

Federal rental charges will consist of a shell rent plus amortized tenant improvements, if applicable. There may be additional charges for operating expenses, security, joint use, parking, and other space items such as antennas. In 2017, GSA transitions to 10-year rates for occupancies in buildings where new appraisals are available. OAs will be transitioned to a 10-year rate as the current shell rate terms expire. The shell or "as is" rent will be reset every 10 years. For OAs in a building without a new 10-year appraisal, the shell rate or as is rate will continue to be set for periods up to but not beyond 5 years. These OAs will transition to the new 10-year rate no later than FY22 as their current rate terms expire. In the case of buildings priced on a "Return on Investment" approach, the rent attributable to the original shell improvements will remain level for the duration of the OA. If additional capitalized shell replacements or improvements are made, the Shell Rent rate will be adjusted every 5 years to reflect the additional investment. Charges for operating expenses, joint use space, parking, antennas and security may be adjusted on an annual basis.

### **Financial Terms**

While this Occupancy Agreement (OA) addresses financial terms that cover multiple fiscal years, the parties agree that unless otherwise specified: The tenant agency may relinquish space upon four (4) months notice. Thus, at any future time, the tenant agency's financial obligation can be reduced to four (4) months of rent, plus the unamortized balance of any tenant improvements financed through PBS, plus any rent concession not yet earned. Any free Rent or other concession given at the beginning of the occupancy term must be allocated on a pro-rata basis over the entire OA term, and the unearned balance repaid to PBS. The tenant's financial obligations for years beyond the current year do not mature until the later year(s) are reached. Thus, there is no requirement that the tenant agency certify that current year funds are available to defray future year obligations. Any free Rent or other concession given at the beginning of the occupancy term (for all occupancy types) must be allocated on a pro-rata basis over the entire OA term, and the unearned balance repaid to PBS.

The tenant's financial obligations for years beyond the current year do not mature until the later year(s) are reached. Thus, there is no requirement that the tenant agency certify that current year funds are available to defray future year obligations.

The tenant's future years obligation to pay Rent is subject to the availability of funds, but the tenant agrees to make a good faith effort to meet its obligations as they arise.

### **Move Cost Responsibilities**

At the end of this OA term, if the tenant cannot remain in the space covered by this OA, the tenant is responsible for funding the physical move to new space. In the event PBS displaces or allows another user to displace the tenant before the expiration of the OA term, PBS must fund, or require the new user to fund, the tenant's physical move, and relocation of the tenant's telecommunications equipment. PBS must also reimburse, or require the new user to reimburse, the tenant for the undepreciated value of any lump sum payments the tenant made toward tenant improvements and the Rent differential at the new location until the displaced agency has time to budget. The Rent differential is calculated on all elements of Rent except the amortized tenant improvement cost. In the event of a PBS disposal of a building or an approved prospectus project requiring the agency relocation from this space before the expiration of the OA term, PBS will fund tenant agency move costs unless PBS has provided 3 years' written notice of the action. In the event PBS provides 3 years' written notice, the agency is responsible for funding the physical move to new space.

### **Obligation to Pay Rent**

The Tenant agency's obligation to pay rent for the space governed by this OA commences when both of the following occur: the space is substantially complete and operationally functional. Occupancy and rent start will be coordinated with the Tenant.

1. The space is ready for occupancy of personal property, typically the substantial completion date. Substantial completion is signaled by PBS's acceptance of the space as substantially complete in accordance with the general construction contract documents. "Substantially complete" and "substantial completion" mean that the work, the common and other areas of the building, and all other things necessary for the Government's access to the premises and occupancy, possession, use and enjoyment thereof, as provided in the general construction contract, have been completed or obtained, excepting only such minor matters as do not interfere with or materially diminish such access, occupancy, possession, use or enjoyment

. PBS will offer to an authorized representative of the Tenant the opportunity to participate in a walk-through of the space prior to final acceptance of the space as substantially complete by PBS. The authorized representative of the Tenant will make himself or herself available so as to not delay the walk-through of the space. The authorized representatives of PBS and the Tenant will itemize any defects and omissions (D&Os, or "punch list") of the construction project that will need to be corrected prior to final contract payment. Provided that the D&Os are minor matters not materially diminishing use of the space, the authorized representative of PBS, acting on behalf of the Government and its Tenant, will determine substantial completion.

2. The space is operationally functional. Operationally functional means that the building systems included in the general construction contract must function and GSA-provided building-specific safety and security features must be operational. Related space that is necessary for a Tenant to function due to workflow adjacencies must be complete before rent commences

For large projects that entail phased occupancy of the Tenant's space, rent will commence on the individual blocks of space when they are substantially complete and operationally functional. The blocks will be added to the Agency Space Assignment (ASA) incrementally. In the case of phased occupancy with separate ASAs (example, different Agency/Bureau codes), the rent start date for each ASA will occur when the space associated with it is substantially complete and operationally functional.

If there is a substantial punch list for the space that would interfere with the Tenant's full access, occupancy, possession, use and enjoyment of the space, and the Tenant chooses to move in anyway, GSA will negotiate a rent discount with the Tenant while the punch list work is being completed. If after hours work is required, GSA will ensure that adequate security is provided while the contractor is in the Tenant's space.

Once the above 'substantially complete' and 'operationally functional' requirements have been met, rent will commence. GSA does not provide tenant agencies a grace period prior to rent commencement to accomplish the physical move into the space or to allow for the installation of personal property such as phones, furniture, computers, etc. However, rent should not start until those personal property items that have been included in the General Services Administration's general construction contract, such as telephone and data systems or audio/video systems, are operational unless the Tenant chooses to move into the space pursuant to the preceding paragraph.

### **Occupancy Agreement Iterations**

The parties hereby agree that iterations of OAs prepared before completion of a building design, and before final security/joint use charges are provided, contain preliminary financial terms only. Financial terms in preliminary OAs are estimates for budgeting purposes, and are updated through additional OA versions as business terms evolve throughout the space acquisition. Accordingly, execution by the tenant agency on preliminary OAs constitutes that agency's commitment to the project, and is required prior to PBS awarding

any contract for: design, construction/alterations, and/or a lease. Until site purchase or contract award to a design architect, the tenant agency has the right to cancel the proposed project without financial obligation.

### **PBS Services**

The services that PBS provides may be found in the fourth edition of the Pricing Desk Guide. Unless PBS provides otherwise in writing, the cost of these services is included in PBS's rents and fees. Any services beyond those identified in the Pricing Desk Guide are provided by PBS for an additional charge.

### **Payment of Tenant Improvements**

The tenant agency must pay for tenant improvements in excess of the allowance by RWA. The tenant agency also has the right to pay lump sum for tenant improvements below the allowance threshold. The ability to make lump sum payments below the allowance threshold is only available at assignment inception, and only for the customization component of the allowance in new space. In backfill or relet space, if the tenant can accept existing tenant improvements "as is" or with modifications, the tenant can elect to waive all or part of the general allowance. Further, once the tenant allowance is set, if the agency then wishes to make a lump sum payment for improvements which are charged against the allowance, PBS cannot accept payments below the allowance threshold by RWA.

### **OA Renewal**

In the event of a continued occupancy after expiration with no additional space and with no additional tenant improvements provided, the tenant agency will be financially responsible for an extension of this agreement at the market rates in place at the time of the expiration. The rates and term of the extension will be set according to the policy at the time of the extension. The tenant agency rights to relinquish space as specified in this OA remain in effect.

### **Replacement Responsibilities**

The parties agree that PBS is amortizing through a specific charge in Rent the portion of the tenant improvement allowance the tenant elects to use. The tenant has funding responsibility for replacement, renewal or alteration of tenant improvements. PBS is responsible for replacement and renewal of all building shell elements.

### **Tenant Agency Move**

In the event the space covered by this OA involves a tenant agency move, once a design and construction schedule has been established it must be incorporated into this OA. Once part of this OA, the schedule becomes binding upon the tenant agency as well as upon PBS. Delay in project completion caused by either a) tenant agency failure to meet the review and approval times provided in the construction schedule, or b) tenant changes to project scope, will be borne by the tenant agency. As a consequence of tenant-caused delay, PBS may decline to postpone the scheduled substantial completion date (thereby advancing Rent commencement for the space) by the duration of the tenant-caused delay, on a day-to-day basis; this may result in rent charges at two locations simultaneously for the tenant. Additional direct expenses caused through tenant-caused delay or changes in project scope are chargeable against the tenant allowance; in the event the tenant allowance has been exhausted, the tenant must pay the lump sum cost by RWA. In summary, the tenant is responsible for the delay claim of the affected contractor and for rent that GSA budgeted to start on the date included in the Occupancy Agreement. If partial occupancy of the building is not possible due to one agency change, that agency is liable for the other tenant's rent who are unable to occupy their space on the date contained in their Occupancy Agreement. The rent start date should be adjusted for delay of occupancy caused by PBS failing to deliver the real property on time. The rent start date should not be adjusted for delay of occupancy caused by a GSA contractor failing to install personal property on time with one exception. For those personal property items that have been included in the general construction contract, such as telephone and data systems, or audio/video systems, and the systems are not ready, the rent start date should be adjusted. Delayed furniture delivery and installation, which is not part of the general construction contract, is not reason for delaying the rent start date. In its role as building owner, PBS may also be the cause of delay. Expenses associated with PBS-caused delay incurred by the

tenant, for such things as additional storage for furniture, re-procurement expense, or additional consulting fees, will be credited against the tenant's rent obligation to PBS for the new space. In the case of excusable delay (e.g., force majeure or any other delay the cause of which is beyond the reasonable control of either PBS or the tenant agency), neither PBS nor the tenant agency may pursue the other for the consequences of the delay.

### **Environmental and Safety Standards and Regulations**

The tenant agency will comply with all applicable Federal, State, and local environmental, health & safety laws and regulations, such as but not limited to those issued by the U.S. Environmental Protection Agency (EPA) under Title 40 of the Code of Federal Regulations (CFR); the U.S. Occupational Safety and Health Administration (OSHA) under Title 29 of the CFR; the Federal Management Regulation sections that relate to safety and environmental management (41 CFR part 102-80, subpart B); and all applicable laws and regulations set by State and local regulatory agencies.

### **Other Mandatory Clauses**

#### **JU Space Details**

The agency share of Joint Use Spaces is 83.61 rentable square feet, \$3,923.62 Annual which is further defined as:

	Rentable Space RSF	Rentable Space Annual
JFK FEDERAL BUILDING (MA0131), 15 New Sudbury St	83.61	\$3,923.62

### **Security Services**

Beginning in FY 2005, payment for FPS provided Basic and Building Specific Operating Security will be made to the Federal Protective Service (FPS), Department of Homeland Security (DHS) and will be separate from rental payments to GSA (OMB Object Class 23.1). Charges for FPS provided security are determined by, and may be obtained from, FPS.

### **Optional Clauses**

#### **Optional Clauses for All Occupancy Agreements**

##### **General Storage and Tenant Floor Cut Space Only**

This OA has been issued to establish a reduced rate of 20.87per RSF for 1038.38 USF of space that meets the definition of general storage or tenant floor cut in the current edition of the GSA/PBS National Business Space Assignment Policy.

### **Ad Hoc Clauses**

#### **Spatial Data Management**

This building has completed a Spatial Data Management re-measurement. GSA will periodically verify space in the building covered by this Occupancy Agreement in order to ensure compliance with PBS application of the ANSI/BOMA measurement standard. As a result of these space verifications, tenants may experience changes in square footage and/or changes in rental rates (due to a change in the building's rentable/usable factor) which may change their overall rent bill. Should there be any changes found during verification, tenants will be notified prior to these changes being implemented to their occupancy and will be given proper time to budget for any rental increase or decrease.

I agree to the initial terms with the understanding modifications will be made over time.

## Signed Agreement and Financial Summary

### OCCUPANCY AGREEMENT

Between

(b)(5)

And

GENERAL SERVICES ADMINISTRATION

AMA02002	Final	Version:	37	Date Last Modified:	02-Oct-2018
MA0013ZZ				Extension of Term - 10-Year	

(b)(5) will occupy 10,480.00 usable ( 15,592.33 rentable) square feet of space and 2 structured parking spaces and 0 surface parking spaces at JOHN W. MCCORMACK BUILDING (MA0013) located at 5 Post Office Sq, BOSTON, MA, for a period of 120 months commencing on or about 10/01/2019.

The agency share of Joint Use Spaces is 732.03 rentable square feet. The agency share of Joint Use Structured Parking Spaces is 0.03 parking spaces.

(b)(5) will pay the General Services Administration rent in accordance with the attached page(s). The rental will be adjusted annually for operating cost and parking escalations.

(b)(5) will pay the General Services Administration additional rent for prorated share of joint use space associated with this location, if any.

Additional/reduced services are shown on the attached Occupancy Agreement Financial Summary.

#### Mandatory Clauses

##### Promoting Efficient Spending

##### Reduce the Footprint

The Office of Management and Budget Memorandum, "Promoting Efficient Spending to Support Agency Operations" issued on May 11, 2012 and Management Procedures Memorandum issued on March 25, 2015, have established a Reduce the Footprint policy for executive agencies. UNITED STATES TRUSTEES is responsible for making sure their space request is consistent with any applicable square foot reduction targets and can contact TotalWorkplace@gsa.gov for help developing agency-wide space design standards that optimize their space usage.

##### Federal Specific Mandatory Clauses

##### Alterations by Tenant Agency

The tenant agency agrees that it will undertake no alterations to the real property governed by this OA without prior approval from PBS.

##### Building Services

Building services to be provided are outlined in the PBS Real Property Customer Guide. Additional or upgraded services beyond those identified are provided by PBS on a reimbursable basis. Charges for certain recurring reimbursable services may be billed on the PBS Bill. Recurring charges for overtime utilities, enhanced custodial services, mechanical O&M HVAC, mechanical O&M Other and additional guard

services are eligible for billing on the PBS Bill provided the tenant agency has been designated as a "participating agency". The charges must be initiated by the tenant agency and renewed annually. The recurring RWA processing fee will be assessed against each service billed.

**Federal Construction**

In the case of Federal construction, the parties agree that PBS is responsible for providing the funds necessary to acquire land (if appropriate), design and construct the building shell, and fund the tenant agency's tenant improvement allowance. The tenant agency is responsible for any tenant improvement costs in excess of the tenant improvement allowance. The parties further agree that savings or cost over-runs on the acquisition of land or the design and construction of building shell will not result in increases or decreases in the tenant allowance amount, except in the case of prospectus level projects, where bids for the construction of the shell are over the approved budget. In this case, it is permissible to lower the tenant allowance in order to increase the shell budget, but only with approval of the tenant agency. The tenant agency can appeal to the PBS asset manager in cases in which the agency's assigned tenant improvement allowance is inadequate to provide basic functionality for the space.

**Federal Rent Charges**

Federal rental charges will consist of a shell rent plus amortized tenant improvements, if applicable. There may be additional charges for operating expenses, security, joint use, parking, and other space items such as antennas. In 2017, GSA transitions to 10-year rates for occupancies in buildings where new appraisals are available. OAs will be transitioned to a 10-year rate as the current shell rate terms expire. The shell or "as is" rent will be reset every 10 years. For OAs in a building without a new 10-year appraisal, the shell rate or as is rate will continue to be set for periods up to but not beyond 5 years. These OAs will transition to the new 10-year rate no later than FY22 as their current rate terms expire. In the case of buildings priced on a "Return on Investment" approach, the rent attributable to the original shell improvements will remain level for the duration of the OA. If additional capitalized shell replacements or improvements are made, the Shell Rent rate will be adjusted every 5 years to reflect the additional investment. Charges for operating expenses, joint use space, parking, antennas and security may be adjusted on an annual basis.

**Financial Terms**

While this Occupancy Agreement (OA) addresses financial terms that cover multiple fiscal years, the parties agree that unless otherwise specified: The tenant agency may relinquish space upon four (4) months notice. Thus, at any future time, the tenant agency's financial obligation can be reduced to four (4) months of rent, plus the unamortized balance of any tenant improvements financed through PBS, plus any rent concession not yet earned. Any free Rent or other concession given at the beginning of the occupancy term must be allocated on a pro-rata basis over the entire OA term, and the unearned balance repaid to PBS. The tenant's financial obligations for years beyond the current year do not mature until the later year(s) are reached. Thus, there is no requirement that the tenant agency certify that current year funds are available to defray future year obligations. Any free Rent or other concession given at the beginning of the occupancy term (for all occupancy types) must be allocated on a pro-rata basis over the entire OA term, and the unearned balance repaid to PBS.

The tenant's financial obligations for years beyond the current year do not mature until the later year(s) are reached. Thus, there is no requirement that the tenant agency certify that current year funds are available to defray future year obligations.

The tenant's future years obligation to pay Rent is subject to the availability of funds, but the tenant agrees to make a good faith effort to meet its obligations as they arise.

**Move Cost Responsibilities**

At the end of this OA term, if the tenant cannot remain in the space covered by this OA, the tenant is responsible for funding the physical move to new space. In the event PBS displaces or allows another user

to displace the tenant before the expiration of the OA term, PBS must fund, or require the new user to fund, the tenant's physical move, and relocation of the tenant's telecommunications equipment. PBS must also reimburse, or require the new user to reimburse, the tenant for the undepreciated value of any lump sum payments the tenant made toward tenant improvements and the Rent differential at the new location until the displaced agency has time to budget. The Rent differential is calculated on all elements of Rent except the amortized tenant improvement cost. In the event of a PBS disposal of a building or an approved prospectus project requiring the agency relocation from this space before the expiration of the OA term, PBS will fund tenant agency move costs unless PBS has provided 3 years' written notice of the action. In the event PBS provides 3 years' written notice, the agency is responsible for funding the physical move to new space.

### **Obligation to Pay Rent**

The Tenant agency's obligation to pay rent for the space governed by this OA commences when both of the following occur: the space is substantially complete and operationally functional. Occupancy and rent start will be coordinated with the Tenant.

1. The space is ready for occupancy of personal property, typically the substantial completion date. Substantial completion is signaled by PBS's acceptance of the space as substantially complete in accordance with the general construction contract documents. "Substantially complete" and "substantial completion" mean that the work, the common and other areas of the building, and all other things necessary for the Government's access to the premises and occupancy, possession, use and enjoyment thereof, as provided in the general construction contract, have been completed or obtained, excepting only such minor matters as do not interfere with or materially diminish such access, occupancy, possession, use or enjoyment

. PBS will offer to an authorized representative of the Tenant the opportunity to participate in a walk-through of the space prior to final acceptance of the space as substantially complete by PBS. The authorized representative of the Tenant will make himself or herself available so as to not delay the walk-through of the space. The authorized representatives of PBS and the Tenant will itemize any defects and omissions (D&Os, or "punch list") of the construction project that will need to be corrected prior to final contract payment. Provided that the D&Os are minor matters not materially diminishing use of the space, the authorized representative of PBS, acting on behalf of the Government and its Tenant, will determine substantial completion.

2. The space is operationally functional. Operationally functional means that the building systems included in the general construction contract must function and GSA-provided building-specific safety and security features must be operational. Related space that is necessary for a Tenant to function due to workflow adjacencies must be complete before rent commences

For large projects that entail phased occupancy of the Tenant's space, rent will commence on the individual blocks of space when they are substantially complete and operationally functional. The blocks will be added to the Agency Space Assignment (ASA) incrementally. In the case of phased occupancy with separate ASAs (example, different Agency/Bureau codes), the rent start date for each ASA will occur when the space associated with it is substantially complete and operationally functional.

If there is a substantial punch list for the space that would interfere with the Tenant's full access, occupancy, possession, use and enjoyment of the space, and the Tenant chooses to move in anyway, GSA will negotiate a rent discount with the Tenant while the punch list work is being completed. If after hours work is required, GSA will ensure that adequate security is provided while the contractor is in the Tenant's space.

Once the above 'substantially complete' and 'operationally functional' requirements have been met, rent will commence. GSA does not provide tenant agencies a grace period prior to rent commencement to accomplish

the physical move into the space or to allow for the installation of personal property such as phones, furniture, computers, etc. However, rent should not start until those personal property items that have been included in the General Services Administration's general construction contract, such as telephone and data systems or audio/video systems, are operational unless the Tenant chooses to move into the space pursuant to the preceding paragraph.

### **Occupancy Agreement Iterations**

The parties hereby agree that iterations of OAs prepared before completion of a building design, and before final security/joint use charges are provided, contain preliminary financial terms only. Financial terms in preliminary OAs are estimates for budgeting purposes, and are updated through additional OA versions as business terms evolve throughout the space acquisition. Accordingly, execution by the tenant agency on preliminary OAs constitutes that agency's commitment to the project, and is required prior to PBS awarding any contract for: design, construction/alterations, and/or a lease. Until site purchase or contract award to a design architect, the tenant agency has the right to cancel the proposed project without financial obligation.

### **PBS Services**

The services that PBS provides may be found in the fourth edition of the Pricing Desk Guide. Unless PBS provides otherwise in writing, the cost of these services is included in PBS's rents and fees. Any services beyond those identified in the Pricing Desk Guide are provided by PBS for an additional charge.

### **Payment of Tenant Improvements**

The tenant agency must pay for tenant improvements in excess of the allowance by RWA. The tenant agency also has the right to pay lump sum for tenant improvements below the allowance threshold. The ability to make lump sum payments below the allowance threshold is only available at assignment inception, and only for the customization component of the allowance in new space. In backfill or relet space, if the tenant can accept existing tenant improvements "as is" or with modifications, the tenant can elect to waive all or part of the general allowance. Further, once the tenant allowance is set, if the agency then wishes to make a lump sum payment for improvements which are charged against the allowance, PBS cannot accept payments below the allowance threshold by RWA.

### **OA Renewal**

In the event of a continued occupancy after expiration with no additional space and with no additional tenant improvements provided, the tenant agency will be financially responsible for an extension of this agreement at the market rates in place at the time of the expiration. The rates and term of the extension will be set according to the policy at the time of the extension. The tenant agency rights to relinquish space as specified in this OA remain in effect.

### **Replacement Responsibilities**

The parties agree that PBS is amortizing through a specific charge in Rent the portion of the tenant improvement allowance the tenant elects to use. The tenant has funding responsibility for replacement, renewal or alteration of tenant improvements. PBS is responsible for replacement and renewal of all building shell elements.

### **Tenant Agency Move**

In the event the space covered by this OA involves a tenant agency move, once a design and construction schedule has been established it must be incorporated into this OA. Once part of this OA, the schedule becomes binding upon the tenant agency as well as upon PBS. Delay in project completion caused by either a) tenant agency failure to meet the review and approval times provided in the construction schedule, or b) tenant changes to project scope, will be borne by the tenant agency. As a consequence of tenant-caused delay, PBS may decline to postpone the scheduled substantial completion date (thereby advancing Rent commencement for the space) by the duration of the tenant-caused delay, on a day-to-day basis; this may result in rent charges at two locations simultaneously for the tenant. Additional direct expenses caused through tenant-caused delay or changes in project scope are chargeable against the tenant allowance; in the

event the tenant allowance has been exhausted, the tenant must pay the lump sum cost by RWA. In summary, the tenant is responsible for the delay claim of the affected contractor and for rent that GSA budgeted to start on the date included in the Occupancy Agreement. If partial occupancy of the building is not possible due to one agency change, that agency is liable for the other tenant's rent who are unable to occupy their space on the date contained in their Occupancy Agreement. The rent start date should be adjusted for delay of occupancy caused by PBS failing to deliver the real property on time. The rent start date should not be adjusted for delay of occupancy caused by a GSA contractor failing to install personal property on time with one exception. For those personal property items that have been included in the general construction contract, such as telephone and data systems, or audio/video systems, and the systems are not ready, the rent start date should be adjusted. Delayed furniture delivery and installation, which is not part of the general construction contract, is not reason for delaying the rent start date. In its role as building owner, PBS may also be the cause of delay. Expenses associated with PBS-caused delay incurred by the tenant, for such things as additional storage for furniture, re-procurement expense, or additional consulting fees, will be credited against the tenant's rent obligation to PBS for the new space. In the case of excusable delay (e.g., force majeure or any other delay the cause of which is beyond the reasonable control of either PBS or the tenant agency), neither PBS nor the tenant agency may pursue the other for the consequences of the delay.

### **Environmental and Safety Standards and Regulations**

The tenant agency will comply with all applicable Federal, State, and local environmental, health & safety laws and regulations, such as but not limited to those issued by the U.S. Environmental Protection Agency (EPA) under Title 40 of the Code of Federal Regulations (CFR); the U.S. Occupational Safety and Health Administration (OSHA) under Title 29 of the CFR; the Federal Management Regulation sections that relate to safety and environmental management (41 CFR part 102-80, subpart B); and all applicable laws and regulations set by State and local regulatory agencies.

### **Other Mandatory Clauses**

#### **Continuing Occupancies - 10-Year Levelized Rates**

This OA is being extended to reflect the continuing requirement of your current assignment. There have been no changes to the usable square footage and no tenant improvement costs have been added. PBS has transitioned to 10-year levelized rate appraisals, and the shell term has been extended for an additional 10 years or through the remainder of this OA's term, whichever occurs first, at new appraised shell and operating rates per GSA PBS Pricing Policy. This OA is considered FINAL and does not require agency signature. Please notify GSA within 60 days if you disagree with any of the terms and conditions expressed in this agreement.

### **JU Space Details**

The agency share of Joint Use Spaces is 732.03 rentable square feet, \$33,855.39 Annual which is further defined as:

	Rentable Space RSF	Rentable Space Annual
JOHN W. MCCORMACK BUILDING (MA0013), 5 Post Office Sq	732.03	\$33,855.39

### **Tenant Improvement Amortization Cost**

(b)(5) has elected to expend a total of \$447,686.00 for their tenant improvements. This amount has been amortized in the rent and is itemized on the Financial Summary.

### **Security Services**

Beginning in FY 2005, payment for FPS provided Basic and Building Specific Operating Security will be made to the Federal Protective Service (FPS), Department of Homeland Security (DHS) and will be separate from rental payments to GSA (OMB Object Class 23.1). Charges for FPS provided security are

determined by, and may be obtained from, FPS.

**Optional Clauses**

**Ad Hoc Clauses**

**Spatial Data Management (SDM) -Space Verifications**

This building has completed a Spatial Data Management re-measurement. GSA will periodically verify space in the building covered by this Occupancy Agreement in order to ensure compliance with PBS application of the ANSI/BOMA measurement standard. As a result of these space verifications, tenants may experience changes in square footage and/or changes in rental rates (due to a change in the building's rentable/usable factor) which may change their overall rent bill. Should there be any changes found during verification, tenants will be notified prior to these changes being implemented to their occupancy and will be given proper time to budget for any rental increase or decrease.

I agree to the initial terms with the understanding modifications will be made over time.

### OCCUPANCY AGREEMENT

Between

(b)(5)

And

GENERAL SERVICES ADMINISTRATION

AMA02003	Final	Version:	50	Date Last Modified:	18-Dec-2018
MA0013ZZ				Late Replacement	

(b)(5) will occupy 192,275.90 usable ( 282,415.45 rentable) square feet of space and 14 structured parking spaces and 0 surface parking spaces at JOHN W. MCCORMACK BUILDING (MA0013) located at 5 Post Office Sq, BOSTON, MA, for a period of 9 months commencing on or about 01/01/2019.

The agency share of Joint Use Spaces is 13,430.46 rentable square feet. The agency share of Joint Use Structured Parking Spaces is 0.50 parking spaces.

(b)(5) will pay the General Services Administration rent in accordance with the attached page(s). The rental will be adjusted annually for operating cost and parking escalations.

(b)(5) will pay the General Services Administration additional rent for prorated share of joint use space associated with this location, if any.

Additional/reduced services are shown on the attached Occupancy Agreement Financial Summary.

#### Mandatory Clauses

##### Promoting Efficient Spending

##### Reduce the Footprint

The Office of Management and Budget Memorandum, "Promoting Efficient Spending to Support Agency Operations" issued on May 11, 2012 and Management Procedures Memorandum issued on March 25, 2015, have established a Reduce the Footprint policy for executive agencies. ENVIRONMENTAL PROTECTION AGENCY is responsible for making sure their space request is consistent with any applicable square foot reduction targets and can contact TotalWorkplace@gsa.gov for help developing agency-wide space design standards that optimize their space usage.

##### Federal Specific Mandatory Clauses

##### Alterations by Tenant Agency

The tenant agency agrees that it will undertake no alterations to the real property governed by this OA without prior approval from PBS.

##### Building Services

Building services to be provided are outlined in the PBS Real Property Customer Guide. Additional or upgraded services beyond those identified are provided by PBS on a reimbursable basis. Charges for certain recurring reimbursable services may be billed on the PBS Bill. Recurring charges for overtime utilities, enhanced custodial services, mechanical O&M HVAC, mechanical O&M Other and additional guard

services are eligible for billing on the PBS Bill provided the tenant agency has been designated as a "participating agency". The charges must be initiated by the tenant agency and renewed annually. The recurring RWA processing fee will be assessed against each service billed.

### **Federal Construction**

In the case of Federal construction, the parties agree that PBS is responsible for providing the funds necessary to acquire land (if appropriate), design and construct the building shell, and fund the tenant agency's tenant improvement allowance. The tenant agency is responsible for any tenant improvement costs in excess of the tenant improvement allowance. The parties further agree that savings or cost over-runs on the acquisition of land or the design and construction of building shell will not result in increases or decreases in the tenant allowance amount, except in the case of prospectus level projects, where bids for the construction of the shell are over the approved budget. In this case, it is permissible to lower the tenant allowance in order to increase the shell budget, but only with approval of the tenant agency. The tenant agency can appeal to the PBS asset manager in cases in which the agency's assigned tenant improvement allowance is inadequate to provide basic functionality for the space.

### **Federal Rent Charges**

Federal rental charges will consist of a shell rent plus amortized tenant improvements, if applicable. There may be additional charges for operating expenses, security, joint use, parking, and other space items such as antennas. In 2017, GSA transitions to 10-year rates for occupancies in buildings where new appraisals are available. OAs will be transitioned to a 10-year rate as the current shell rate terms expire. The shell or "as is" rent will be reset every 10 years. For OAs in a building without a new 10-year appraisal, the shell rate or as is rate will continue to be set for periods up to but not beyond 5 years. These OAs will transition to the new 10-year rate no later than FY22 as their current rate terms expire. In the case of buildings priced on a "Return on Investment" approach, the rent attributable to the original shell improvements will remain level for the duration of the OA. If additional capitalized shell replacements or improvements are made, the Shell Rent rate will be adjusted every 5 years to reflect the additional investment. Charges for operating expenses, joint use space, parking, antennas and security may be adjusted on an annual basis.

### **Financial Terms**

While this Occupancy Agreement (OA) addresses financial terms that cover multiple fiscal years, the parties agree that unless otherwise specified: The tenant agency may relinquish space upon four (4) months notice. Thus, at any future time, the tenant agency's financial obligation can be reduced to four (4) months of rent, plus the unamortized balance of any tenant improvements financed through PBS, plus any rent concession not yet earned. Any free Rent or other concession given at the beginning of the occupancy term must be allocated on a pro-rata basis over the entire OA term, and the unearned balance repaid to PBS. The tenant's financial obligations for years beyond the current year do not mature until the later year(s) are reached. Thus, there is no requirement that the tenant agency certify that current year funds are available to defray future year obligations. Any free Rent or other concession given at the beginning of the occupancy term (for all occupancy types) must be allocated on a pro-rata basis over the entire OA term, and the unearned balance repaid to PBS.

The tenant's financial obligations for years beyond the current year do not mature until the later year(s) are reached. Thus, there is no requirement that the tenant agency certify that current year funds are available to defray future year obligations.

The tenant's future years obligation to pay Rent is subject to the availability of funds, but the tenant agrees to make a good faith effort to meet its obligations as they arise.

### **Move Cost Responsibilities**

At the end of this OA term, if the tenant cannot remain in the space covered by this OA, the tenant is responsible for funding the physical move to new space. In the event PBS displaces or allows another user

to displace the tenant before the expiration of the OA term, PBS must fund, or require the new user to fund, the tenant's physical move, and relocation of the tenant's telecommunications equipment. PBS must also reimburse, or require the new user to reimburse, the tenant for the undepreciated value of any lump sum payments the tenant made toward tenant improvements and the Rent differential at the new location until the displaced agency has time to budget. The Rent differential is calculated on all elements of Rent except the amortized tenant improvement cost. In the event of a PBS disposal of a building or an approved prospectus project requiring the agency relocation from this space before the expiration of the OA term, PBS will fund tenant agency move costs unless PBS has provided 3 years' written notice of the action. In the event PBS provides 3 years' written notice, the agency is responsible for funding the physical move to new space.

### **Obligation to Pay Rent**

The Tenant agency's obligation to pay rent for the space governed by this OA commences when both of the following occur: the space is substantially complete and operationally functional. Occupancy and rent start will be coordinated with the Tenant.

1. The space is ready for occupancy of personal property, typically the substantial completion date. Substantial completion is signaled by PBS's acceptance of the space as substantially complete in accordance with the general construction contract documents. "Substantially complete" and "substantial completion" mean that the work, the common and other areas of the building, and all other things necessary for the Government's access to the premises and occupancy, possession, use and enjoyment thereof, as provided in the general construction contract, have been completed or obtained, excepting only such minor matters as do not interfere with or materially diminish such access, occupancy, possession, use or enjoyment

. PBS will offer to an authorized representative of the Tenant the opportunity to participate in a walk-through of the space prior to final acceptance of the space as substantially complete by PBS. The authorized representative of the Tenant will make himself or herself available so as to not delay the walk-through of the space. The authorized representatives of PBS and the Tenant will itemize any defects and omissions (D&Os, or "punch list") of the construction project that will need to be corrected prior to final contract payment. Provided that the D&Os are minor matters not materially diminishing use of the space, the authorized representative of PBS, acting on behalf of the Government and its Tenant, will determine substantial completion.

2. The space is operationally functional. Operationally functional means that the building systems included in the general construction contract must function and GSA-provided building-specific safety and security features must be operational. Related space that is necessary for a Tenant to function due to workflow adjacencies must be complete before rent commences

For large projects that entail phased occupancy of the Tenant's space, rent will commence on the individual blocks of space when they are substantially complete and operationally functional. The blocks will be added to the Agency Space Assignment (ASA) incrementally. In the case of phased occupancy with separate ASAs (example, different Agency/Bureau codes), the rent start date for each ASA will occur when the space associated with it is substantially complete and operationally functional.

If there is a substantial punch list for the space that would interfere with the Tenant's full access, occupancy, possession, use and enjoyment of the space, and the Tenant chooses to move in anyway, GSA will negotiate a rent discount with the Tenant while the punch list work is being completed. If after hours work is required, GSA will ensure that adequate security is provided while the contractor is in the Tenant's space.

Once the above 'substantially complete' and 'operationally functional' requirements have been met, rent will commence. GSA does not provide tenant agencies a grace period prior to rent commencement to accomplish

the physical move into the space or to allow for the installation of personal property such as phones, furniture, computers, etc. However, rent should not start until those personal property items that have been included in the General Services Administration's general construction contract, such as telephone and data systems or audio/video systems, are operational unless the Tenant chooses to move into the space pursuant to the preceding paragraph.

### **Occupancy Agreement Iterations**

The parties hereby agree that iterations of OAs prepared before completion of a building design, and before final security/joint use charges are provided, contain preliminary financial terms only. Financial terms in preliminary OAs are estimates for budgeting purposes, and are updated through additional OA versions as business terms evolve throughout the space acquisition. Accordingly, execution by the tenant agency on preliminary OAs constitutes that agency's commitment to the project, and is required prior to PBS awarding any contract for: design, construction/alterations, and/or a lease. Until site purchase or contract award to a design architect, the tenant agency has the right to cancel the proposed project without financial obligation.

### **PBS Services**

The services that PBS provides may be found in the fourth edition of the Pricing Desk Guide. Unless PBS provides otherwise in writing, the cost of these services is included in PBS's rents and fees. Any services beyond those identified in the Pricing Desk Guide are provided by PBS for an additional charge.

### **Payment of Tenant Improvements**

The tenant agency must pay for tenant improvements in excess of the allowance by RWA. The tenant agency also has the right to pay lump sum for tenant improvements below the allowance threshold. The ability to make lump sum payments below the allowance threshold is only available at assignment inception, and only for the customization component of the allowance in new space. In backfill or relet space, if the tenant can accept existing tenant improvements "as is" or with modifications, the tenant can elect to waive all or part of the general allowance. Further, once the tenant allowance is set, if the agency then wishes to make a lump sum payment for improvements which are charged against the allowance, PBS cannot accept payments below the allowance threshold by RWA.

### **OA Renewal**

In the event of a continued occupancy after expiration with no additional space and with no additional tenant improvements provided, the tenant agency will be financially responsible for an extension of this agreement at the market rates in place at the time of the expiration. The rates and term of the extension will be set according to the policy at the time of the extension. The tenant agency rights to relinquish space as specified in this OA remain in effect.

### **Replacement Responsibilities**

The parties agree that PBS is amortizing through a specific charge in Rent the portion of the tenant improvement allowance the tenant elects to use. The tenant has funding responsibility for replacement, renewal or alteration of tenant improvements. PBS is responsible for replacement and renewal of all building shell elements.

### **Tenant Agency Move**

In the event the space covered by this OA involves a tenant agency move, once a design and construction schedule has been established it must be incorporated into this OA. Once part of this OA, the schedule becomes binding upon the tenant agency as well as upon PBS. Delay in project completion caused by either a) tenant agency failure to meet the review and approval times provided in the construction schedule, or b) tenant changes to project scope, will be borne by the tenant agency. As a consequence of tenant-caused delay, PBS may decline to postpone the scheduled substantial completion date (thereby advancing Rent commencement for the space) by the duration of the tenant-caused delay, on a day-to-day basis; this may result in rent charges at two locations simultaneously for the tenant. Additional direct expenses caused through tenant-caused delay or changes in project scope are chargeable against the tenant allowance; in the

event the tenant allowance has been exhausted, the tenant must pay the lump sum cost by RWA. In summary, the tenant is responsible for the delay claim of the affected contractor and for rent that GSA budgeted to start on the date included in the Occupancy Agreement. If partial occupancy of the building is not possible due to one agency change, that agency is liable for the other tenant's rent who are unable to occupy their space on the date contained in their Occupancy Agreement. The rent start date should be adjusted for delay of occupancy caused by PBS failing to deliver the real property on time. The rent start date should not be adjusted for delay of occupancy caused by a GSA contractor failing to install personal property on time with one exception. For those personal property items that have been included in the general construction contract, such as telephone and data systems, or audio/video systems, and the systems are not ready, the rent start date should be adjusted. Delayed furniture delivery and installation, which is not part of the general construction contract, is not reason for delaying the rent start date. In its role as building owner, PBS may also be the cause of delay. Expenses associated with PBS-caused delay incurred by the tenant, for such things as additional storage for furniture, re-procurement expense, or additional consulting fees, will be credited against the tenant's rent obligation to PBS for the new space. In the case of excusable delay (e.g., force majeure or any other delay the cause of which is beyond the reasonable control of either PBS or the tenant agency), neither PBS nor the tenant agency may pursue the other for the consequences of the delay.

### **Environmental and Safety Standards and Regulations**

The tenant agency will comply with all applicable Federal, State, and local environmental, health & safety laws and regulations, such as but not limited to those issued by the U.S. Environmental Protection Agency (EPA) under Title 40 of the Code of Federal Regulations (CFR); the U.S. Occupational Safety and Health Administration (OSHA) under Title 29 of the CFR; the Federal Management Regulation sections that relate to safety and environmental management (41 CFR part 102-80, subpart B); and all applicable laws and regulations set by State and local regulatory agencies.

### **Other Mandatory Clauses**

#### **JU Space Details**

The agency share of Joint Use Spaces is 13,430.46 rentable square feet, \$621,142.69 Annual which is further defined as:

	Rentable Space RSF	Rentable Space Annual
JOHN W. MCCORMACK BUILDING (MA0013), 5 Post Office Sq	13,430.46	\$621,142.69

### **Security Services**

Beginning in FY 2005, payment for FPS provided Basic and Building Specific Operating Security will be made to the Federal Protective Service (FPS), Department of Homeland Security (DHS) and will be separate from rental payments to GSA (OMB Object Class 23.1). Charges for FPS provided security are determined by, and may be obtained from, FPS.

### **Optional Clauses**

#### **Optional Clauses for All Occupancy Agreements**

#### **General Storage and Tenant Floor Cut Space Only**

This OA has been issued to establish a reduced rate of \$15.99per RSF for 3,870.06 USF of space that meets the definition of general storage or tenant floor cut in the current edition of the GSA/PBS National Business Space Assignment Policy.

#### **General Storage and Tenant Floor Cut Space - Blended Rate**

The OA tool has systematically blended the rates for the general use office space and general storage/tenant floor cut space to yield a calculated shell rate of \$23.93per RSF and a calculated operating rate of \$7.71

per RSF. The blended rates are comprised of the fully serviced shell and operating rates for the general use office space and a 50% reduction of the shell and operating rates for the general storage/tenant floor cut space.

**Ad Hoc Clauses**

**"Spatial Data Management (SDM) - Space Verificatio**

This building has completed a Spatial Data Management re-measurement. GSA will periodically verify space in the building covered by this Occupancy Agreement in order to ensure compliance with PBS application of the ANSI/BOMA measurement standard. As a result of these space verifications, tenants may experience changes in square footage and/or changes in rental rates (due to a change in the building's rentable/usable factor) which may change their overall rent bill. Should there be any changes found during verification, tenants will be notified prior to these changes being implemented to their occupancy and will be given proper time to budget for any rental increase or decrease.

I agree to the initial terms with the understanding modifications will be made over time.

### OCCUPANCY AGREEMENT

Between

(b)(5)

And

GENERAL SERVICES ADMINISTRATION

AMA02004	Final	Version:	38	Date Last Modified:	02-Oct-2018
MA0013ZZ				Extension of Term - 10-Year	

(b)(5) will occupy 37,901.00 usable ( 56,389.79 rentable) square feet of space and 4 structured parking spaces and 0 surface parking spaces at JOHN W. MCCORMACK BUILDING (MA0013) located at 5 Post Office Sq, BOSTON, MA, for a period of 120 months commencing on or about 10/01/2019.

The agency share of Joint Use Spaces is 2,647.38 rentable square feet. The agency share of Joint Use Structured Parking Spaces is 0.10 parking spaces.

(b)(5) will pay the General Services Administration rent in accordance with the attached page(s). The rental will be adjusted annually for operating cost and parking escalations.

(b)(5) will pay the General Services Administration additional rent for prorated share of joint use space associated with this location, if any.

Additional/reduced services are shown on the attached Occupancy Agreement Financial Summary.

#### Mandatory Clauses

##### Promoting Efficient Spending

##### Reduce the Footprint

The Office of Management and Budget Memorandum, "Promoting Efficient Spending to Support Agency Operations" issued on May 11, 2012 and Management Procedures Memorandum issued on March 25, 2015, have established a Reduce the Footprint policy for executive agencies. DEPARTMENT OF EDUCATION is responsible for making sure their space request is consistent with any applicable square foot reduction targets and can contact TotalWorkplace@gsa.gov for help developing agency-wide space design standards that optimize their space usage.

##### Federal Specific Mandatory Clauses

##### Alterations by Tenant Agency

The tenant agency agrees that it will undertake no alterations to the real property governed by this OA without prior approval from PBS.

##### Building Services

Building services to be provided are outlined in the PBS Real Property Customer Guide. Additional or upgraded services beyond those identified are provided by PBS on a reimbursable basis. Charges for certain recurring reimbursable services may be billed on the PBS Bill. Recurring charges for overtime utilities, enhanced custodial services, mechanical O&M HVAC, mechanical O&M Other and additional guard

services are eligible for billing on the PBS Bill provided the tenant agency has been designated as a "participating agency". The charges must be initiated by the tenant agency and renewed annually. The recurring RWA processing fee will be assessed against each service billed.

### **Federal Construction**

In the case of Federal construction, the parties agree that PBS is responsible for providing the funds necessary to acquire land (if appropriate), design and construct the building shell, and fund the tenant agency's tenant improvement allowance. The tenant agency is responsible for any tenant improvement costs in excess of the tenant improvement allowance. The parties further agree that savings or cost over-runs on the acquisition of land or the design and construction of building shell will not result in increases or decreases in the tenant allowance amount, except in the case of prospectus level projects, where bids for the construction of the shell are over the approved budget. In this case, it is permissible to lower the tenant allowance in order to increase the shell budget, but only with approval of the tenant agency. The tenant agency can appeal to the PBS asset manager in cases in which the agency's assigned tenant improvement allowance is inadequate to provide basic functionality for the space.

### **Federal Rent Charges**

Federal rental charges will consist of a shell rent plus amortized tenant improvements, if applicable. There may be additional charges for operating expenses, security, joint use, parking, and other space items such as antennas. In 2017, GSA transitions to 10-year rates for occupancies in buildings where new appraisals are available. OAs will be transitioned to a 10-year rate as the current shell rate terms expire. The shell or "as is" rent will be reset every 10 years. For OAs in a building without a new 10-year appraisal, the shell rate or as is rate will continue to be set for periods up to but not beyond 5 years. These OAs will transition to the new 10-year rate no later than FY22 as their current rate terms expire. In the case of buildings priced on a "Return on Investment" approach, the rent attributable to the original shell improvements will remain level for the duration of the OA. If additional capitalized shell replacements or improvements are made, the Shell Rent rate will be adjusted every 5 years to reflect the additional investment. Charges for operating expenses, joint use space, parking, antennas and security may be adjusted on an annual basis.

### **Financial Terms**

While this Occupancy Agreement (OA) addresses financial terms that cover multiple fiscal years, the parties agree that unless otherwise specified: The tenant agency may relinquish space upon four (4) months notice. Thus, at any future time, the tenant agency's financial obligation can be reduced to four (4) months of rent, plus the unamortized balance of any tenant improvements financed through PBS, plus any rent concession not yet earned. Any free Rent or other concession given at the beginning of the occupancy term must be allocated on a pro-rata basis over the entire OA term, and the unearned balance repaid to PBS. The tenant's financial obligations for years beyond the current year do not mature until the later year(s) are reached. Thus, there is no requirement that the tenant agency certify that current year funds are available to defray future year obligations. Any free Rent or other concession given at the beginning of the occupancy term (for all occupancy types) must be allocated on a pro-rata basis over the entire OA term, and the unearned balance repaid to PBS.

The tenant's financial obligations for years beyond the current year do not mature until the later year(s) are reached. Thus, there is no requirement that the tenant agency certify that current year funds are available to defray future year obligations.

The tenant's future years obligation to pay Rent is subject to the availability of funds, but the tenant agrees to make a good faith effort to meet its obligations as they arise.

### **Move Cost Responsibilities**

At the end of this OA term, if the tenant cannot remain in the space covered by this OA, the tenant is responsible for funding the physical move to new space. In the event PBS displaces or allows another user

to displace the tenant before the expiration of the OA term, PBS must fund, or require the new user to fund, the tenant's physical move, and relocation of the tenant's telecommunications equipment. PBS must also reimburse, or require the new user to reimburse, the tenant for the undepreciated value of any lump sum payments the tenant made toward tenant improvements and the Rent differential at the new location until the displaced agency has time to budget. The Rent differential is calculated on all elements of Rent except the amortized tenant improvement cost. In the event of a PBS disposal of a building or an approved prospectus project requiring the agency relocation from this space before the expiration of the OA term, PBS will fund tenant agency move costs unless PBS has provided 3 years' written notice of the action. In the event PBS provides 3 years' written notice, the agency is responsible for funding the physical move to new space.

### **Obligation to Pay Rent**

The Tenant agency's obligation to pay rent for the space governed by this OA commences when both of the following occur: the space is substantially complete and operationally functional. Occupancy and rent start will be coordinated with the Tenant.

1. The space is ready for occupancy of personal property, typically the substantial completion date. Substantial completion is signaled by PBS's acceptance of the space as substantially complete in accordance with the general construction contract documents. "Substantially complete" and "substantial completion" mean that the work, the common and other areas of the building, and all other things necessary for the Government's access to the premises and occupancy, possession, use and enjoyment thereof, as provided in the general construction contract, have been completed or obtained, excepting only such minor matters as do not interfere with or materially diminish such access, occupancy, possession, use or enjoyment

. PBS will offer to an authorized representative of the Tenant the opportunity to participate in a walk-through of the space prior to final acceptance of the space as substantially complete by PBS. The authorized representative of the Tenant will make himself or herself available so as to not delay the walk-through of the space. The authorized representatives of PBS and the Tenant will itemize any defects and omissions (D&Os, or "punch list") of the construction project that will need to be corrected prior to final contract payment. Provided that the D&Os are minor matters not materially diminishing use of the space, the authorized representative of PBS, acting on behalf of the Government and its Tenant, will determine substantial completion.

2. The space is operationally functional. Operationally functional means that the building systems included in the general construction contract must function and GSA-provided building-specific safety and security features must be operational. Related space that is necessary for a Tenant to function due to workflow adjacencies must be complete before rent commences

For large projects that entail phased occupancy of the Tenant's space, rent will commence on the individual blocks of space when they are substantially complete and operationally functional. The blocks will be added to the Agency Space Assignment (ASA) incrementally. In the case of phased occupancy with separate ASAs (example, different Agency/Bureau codes), the rent start date for each ASA will occur when the space associated with it is substantially complete and operationally functional.

If there is a substantial punch list for the space that would interfere with the Tenant's full access, occupancy, possession, use and enjoyment of the space, and the Tenant chooses to move in anyway, GSA will negotiate a rent discount with the Tenant while the punch list work is being completed. If after hours work is required, GSA will ensure that adequate security is provided while the contractor is in the Tenant's space.

Once the above 'substantially complete' and 'operationally functional' requirements have been met, rent will commence. GSA does not provide tenant agencies a grace period prior to rent commencement to accomplish

the physical move into the space or to allow for the installation of personal property such as phones, furniture, computers, etc. However, rent should not start until those personal property items that have been included in the General Services Administration's general construction contract, such as telephone and data systems or audio/video systems, are operational unless the Tenant chooses to move into the space pursuant to the preceding paragraph.

### **Occupancy Agreement Iterations**

The parties hereby agree that iterations of OAs prepared before completion of a building design, and before final security/joint use charges are provided, contain preliminary financial terms only. Financial terms in preliminary OAs are estimates for budgeting purposes, and are updated through additional OA versions as business terms evolve throughout the space acquisition. Accordingly, execution by the tenant agency on preliminary OAs constitutes that agency's commitment to the project, and is required prior to PBS awarding any contract for: design, construction/alterations, and/or a lease. Until site purchase or contract award to a design architect, the tenant agency has the right to cancel the proposed project without financial obligation.

### **PBS Services**

The services that PBS provides may be found in the fourth edition of the Pricing Desk Guide. Unless PBS provides otherwise in writing, the cost of these services is included in PBS's rents and fees. Any services beyond those identified in the Pricing Desk Guide are provided by PBS for an additional charge.

### **Payment of Tenant Improvements**

The tenant agency must pay for tenant improvements in excess of the allowance by RWA. The tenant agency also has the right to pay lump sum for tenant improvements below the allowance threshold. The ability to make lump sum payments below the allowance threshold is only available at assignment inception, and only for the customization component of the allowance in new space. In backfill or relet space, if the tenant can accept existing tenant improvements "as is" or with modifications, the tenant can elect to waive all or part of the general allowance. Further, once the tenant allowance is set, if the agency then wishes to make a lump sum payment for improvements which are charged against the allowance, PBS cannot accept payments below the allowance threshold by RWA.

### **OA Renewal**

In the event of a continued occupancy after expiration with no additional space and with no additional tenant improvements provided, the tenant agency will be financially responsible for an extension of this agreement at the market rates in place at the time of the expiration. The rates and term of the extension will be set according to the policy at the time of the extension. The tenant agency rights to relinquish space as specified in this OA remain in effect.

### **Replacement Responsibilities**

The parties agree that PBS is amortizing through a specific charge in Rent the portion of the tenant improvement allowance the tenant elects to use. The tenant has funding responsibility for replacement, renewal or alteration of tenant improvements. PBS is responsible for replacement and renewal of all building shell elements.

### **Tenant Agency Move**

In the event the space covered by this OA involves a tenant agency move, once a design and construction schedule has been established it must be incorporated into this OA. Once part of this OA, the schedule becomes binding upon the tenant agency as well as upon PBS. Delay in project completion caused by either a) tenant agency failure to meet the review and approval times provided in the construction schedule, or b) tenant changes to project scope, will be borne by the tenant agency. As a consequence of tenant-caused delay, PBS may decline to postpone the scheduled substantial completion date (thereby advancing Rent commencement for the space) by the duration of the tenant-caused delay, on a day-to-day basis; this may result in rent charges at two locations simultaneously for the tenant. Additional direct expenses caused through tenant-caused delay or changes in project scope are chargeable against the tenant allowance; in the

event the tenant allowance has been exhausted, the tenant must pay the lump sum cost by RWA. In summary, the tenant is responsible for the delay claim of the affected contractor and for rent that GSA budgeted to start on the date included in the Occupancy Agreement. If partial occupancy of the building is not possible due to one agency change, that agency is liable for the other tenant's rent who are unable to occupy their space on the date contained in their Occupancy Agreement. The rent start date should be adjusted for delay of occupancy caused by PBS failing to deliver the real property on time. The rent start date should not be adjusted for delay of occupancy caused by a GSA contractor failing to install personal property on time with one exception. For those personal property items that have been included in the general construction contract, such as telephone and data systems, or audio/video systems, and the systems are not ready, the rent start date should be adjusted. Delayed furniture delivery and installation, which is not part of the general construction contract, is not reason for delaying the rent start date. In its role as building owner, PBS may also be the cause of delay. Expenses associated with PBS-caused delay incurred by the tenant, for such things as additional storage for furniture, re-procurement expense, or additional consulting fees, will be credited against the tenant's rent obligation to PBS for the new space. In the case of excusable delay (e.g., force majeure or any other delay the cause of which is beyond the reasonable control of either PBS or the tenant agency), neither PBS nor the tenant agency may pursue the other for the consequences of the delay.

### **Environmental and Safety Standards and Regulations**

The tenant agency will comply with all applicable Federal, State, and local environmental, health & safety laws and regulations, such as but not limited to those issued by the U.S. Environmental Protection Agency (EPA) under Title 40 of the Code of Federal Regulations (CFR); the U.S. Occupational Safety and Health Administration (OSHA) under Title 29 of the CFR; the Federal Management Regulation sections that relate to safety and environmental management (41 CFR part 102-80, subpart B); and all applicable laws and regulations set by State and local regulatory agencies.

### **Other Mandatory Clauses**

#### **Continuing Occupancies - 10-Year Levelized Rates**

This OA is being extended to reflect the continuing requirement of your current assignment. There have been no changes to the usable square footage and no tenant improvement costs have been added. PBS has transitioned to 10-year levelized rate appraisals, and the shell term has been extended for an additional 10 years or through the remainder of this OA's term, whichever occurs first, at new appraised shell and operating rates per GSA PBS Pricing Policy. This OA is considered FINAL and does not require agency signature. Please notify GSA within 60 days if you disagree with any of the terms and conditions expressed in this agreement.

### **JU Space Details**

The agency share of Joint Use Spaces is 2,647.38 rentable square feet, \$122,438.27 Annual which is further defined as:

	Rentable Space RSF	Rentable Space Annual
JOHN W. MCCORMACK BUILDING (MA0013), 5 Post Office Sq	2,647.38	\$122,438.27

### **Tenant Improvement Amortization Cost**

(b)(5) has elected to expend a total of \$2,115,804.00 for their tenant improvements. This amount has been amortized in the rent and is itemized on the Financial Summary.

### **Security Services**

Beginning in FY 2005, payment for FPS provided Basic and Building Specific Operating Security will be made to the Federal Protective Service (FPS), Department of Homeland Security (DHS) and will be

separate from rental payments to GSA (OMB Object Class 23.1). Charges for FPS provided security are determined by, and may be obtained from, FPS.

**Optional Clauses**

**Ad Hoc Clauses**

**Spatial Data Management (SDM)-Space Verifications**

This building has completed a Spatial Data Management re-measurement. GSA will periodically verify space in the building covered by this Occupancy Agreement in order to ensure compliance with PBS application of the ANSI/BOMA measurement standard. As a result of these space verifications, tenants may experience changes in square footage and/or changes in rental rates (due to a change in the building's rentable/usable factor) which may change their overall rent bill. Should there be any changes found during verification, tenants will be notified prior to these changes being implemented to their occupancy and will be given proper time to budget for any rental increase or decrease.

I agree to the initial terms with the understanding modifications will be made over time.

### OCCUPANCY AGREEMENT

Between

(b)(5)

And

GENERAL SERVICES ADMINISTRATION

AMA02006	Final	Version:	36	Date Last Modified:	02-Oct-2018
MA0013ZZ				Extension of Term - 10-Year	

(b)(5) will occupy 1,845.00 usable (2,745.02 rentable) square feet of space and 0 structured parking spaces and 0 surface parking spaces at JOHN W. MCCORMACK BUILDING (MA0013) located at 5 Post Office Sq, BOSTON, MA, for a period of 120 months commencing on or about 10/01/2019.

The agency share of Joint Use Spaces is 128.87 rentable square feet.

(b)(5) will pay the General Services Administration rent in accordance with the attached page(s). The rental will be adjusted annually for operating cost.

(b)(5) will pay the General Services Administration additional rent for prorated share of joint use space associated with this location, if any.

Additional/reduced services are shown on the attached Occupancy Agreement Financial Summary.

#### Mandatory Clauses

##### Promoting Efficient Spending

##### Reduce the Footprint

The Office of Management and Budget Memorandum, "Promoting Efficient Spending to Support Agency Operations" issued on May 11, 2012 and Management Procedures Memorandum issued on March 25, 2015, have established a Reduce the Footprint policy for executive agencies. CENTERS FOR DISEASE CONTROL AND PREVENTION is responsible for making sure their space request is consistent with any applicable square foot reduction targets and can contact TotalWorkplace@gsa.gov for help developing agency-wide space design standards that optimize their space usage.

##### Federal Specific Mandatory Clauses

##### Alterations by Tenant Agency

The tenant agency agrees that it will undertake no alterations to the real property governed by this OA without prior approval from PBS.

##### Building Services

Building services to be provided are outlined in the PBS Real Property Customer Guide. Additional or upgraded services beyond those identified are provided by PBS on a reimbursable basis. Charges for certain recurring reimbursable services may be billed on the PBS Bill. Recurring charges for overtime utilities, enhanced custodial services, mechanical O&M HVAC, mechanical O&M Other and additional guard services are eligible for billing on the PBS Bill provided the tenant agency has been designated as a

"participating agency". The charges must be initiated by the tenant agency and renewed annually. The recurring RWA processing fee will be assessed against each service billed.

### **Federal Construction**

In the case of Federal construction, the parties agree that PBS is responsible for providing the funds necessary to acquire land (if appropriate), design and construct the building shell, and fund the tenant agency's tenant improvement allowance. The tenant agency is responsible for any tenant improvement costs in excess of the tenant improvement allowance. The parties further agree that savings or cost over-runs on the acquisition of land or the design and construction of building shell will not result in increases or decreases in the tenant allowance amount, except in the case of prospectus level projects, where bids for the construction of the shell are over the approved budget. In this case, it is permissible to lower the tenant allowance in order to increase the shell budget, but only with approval of the tenant agency. The tenant agency can appeal to the PBS asset manager in cases in which the agency's assigned tenant improvement allowance is inadequate to provide basic functionality for the space.

### **Federal Rent Charges**

Federal rental charges will consist of a shell rent plus amortized tenant improvements, if applicable. There may be additional charges for operating expenses, security, joint use, parking, and other space items such as antennas. In 2017, GSA transitions to 10-year rates for occupancies in buildings where new appraisals are available. OAs will be transitioned to a 10-year rate as the current shell rate terms expire. The shell or "as is" rent will be reset every 10 years. For OAs in a building without a new 10-year appraisal, the shell rate or as is rate will continue to be set for periods up to but not beyond 5 years. These OAs will transition to the new 10-year rate no later than FY22 as their current rate terms expire. In the case of buildings priced on a "Return on Investment" approach, the rent attributable to the original shell improvements will remain level for the duration of the OA. If additional capitalized shell replacements or improvements are made, the Shell Rent rate will be adjusted every 5 years to reflect the additional investment. Charges for operating expenses, joint use space, parking, antennas and security may be adjusted on an annual basis.

### **Financial Terms**

While this Occupancy Agreement (OA) addresses financial terms that cover multiple fiscal years, the parties agree that unless otherwise specified: The tenant agency may relinquish space upon four (4) months notice. Thus, at any future time, the tenant agency's financial obligation can be reduced to four (4) months of rent, plus the unamortized balance of any tenant improvements financed through PBS, plus any rent concession not yet earned. Any free Rent or other concession given at the beginning of the occupancy term must be allocated on a pro-rata basis over the entire OA term, and the unearned balance repaid to PBS. The tenant's financial obligations for years beyond the current year do not mature until the later year(s) are reached. Thus, there is no requirement that the tenant agency certify that current year funds are available to defray future year obligations. Any free Rent or other concession given at the beginning of the occupancy term (for all occupancy types) must be allocated on a pro-rata basis over the entire OA term, and the unearned balance repaid to PBS.

The tenant's financial obligations for years beyond the current year do not mature until the later year(s) are reached. Thus, there is no requirement that the tenant agency certify that current year funds are available to defray future year obligations.

The tenant's future years obligation to pay Rent is subject to the availability of funds, but the tenant agrees to make a good faith effort to meet its obligations as they arise.

### **Move Cost Responsibilities**

At the end of this OA term, if the tenant cannot remain in the space covered by this OA, the tenant is responsible for funding the physical move to new space. In the event PBS displaces or allows another user to displace the tenant before the expiration of the OA term, PBS must fund, or require the new user to fund,

the tenant's physical move, and relocation of the tenant's telecommunications equipment. PBS must also reimburse, or require the new user to reimburse, the tenant for the undepreciated value of any lump sum payments the tenant made toward tenant improvements and the Rent differential at the new location until the displaced agency has time to budget. The Rent differential is calculated on all elements of Rent except the amortized tenant improvement cost. In the event of a PBS disposal of a building or an approved prospectus project requiring the agency relocation from this space before the expiration of the OA term, PBS will fund tenant agency move costs unless PBS has provided 3 years' written notice of the action. In the event PBS provides 3 years' written notice, the agency is responsible for funding the physical move to new space.

### **Obligation to Pay Rent**

The Tenant agency's obligation to pay rent for the space governed by this OA commences when both of the following occur: the space is substantially complete and operationally functional. Occupancy and rent start will be coordinated with the Tenant.

1. The space is ready for occupancy of personal property, typically the substantial completion date. Substantial completion is signaled by PBS's acceptance of the space as substantially complete in accordance with the general construction contract documents. "Substantially complete" and "substantial completion" mean that the work, the common and other areas of the building, and all other things necessary for the Government's access to the premises and occupancy, possession, use and enjoyment thereof, as provided in the general construction contract, have been completed or obtained, excepting only such minor matters as do not interfere with or materially diminish such access, occupancy, possession, use or enjoyment

. PBS will offer to an authorized representative of the Tenant the opportunity to participate in a walk-through of the space prior to final acceptance of the space as substantially complete by PBS. The authorized representative of the Tenant will make himself or herself available so as to not delay the walk-through of the space. The authorized representatives of PBS and the Tenant will itemize any defects and omissions (D&Os, or "punch list") of the construction project that will need to be corrected prior to final contract payment. Provided that the D&Os are minor matters not materially diminishing use of the space, the authorized representative of PBS, acting on behalf of the Government and its Tenant, will determine substantial completion.

2. The space is operationally functional. Operationally functional means that the building systems included in the general construction contract must function and GSA-provided building-specific safety and security features must be operational. Related space that is necessary for a Tenant to function due to workflow adjacencies must be complete before rent commences

For large projects that entail phased occupancy of the Tenant's space, rent will commence on the individual blocks of space when they are substantially complete and operationally functional. The blocks will be added to the Agency Space Assignment (ASA) incrementally. In the case of phased occupancy with separate ASAs (example, different Agency/Bureau codes), the rent start date for each ASA will occur when the space associated with it is substantially complete and operationally functional.

If there is a substantial punch list for the space that would interfere with the Tenant's full access, occupancy, possession, use and enjoyment of the space, and the Tenant chooses to move in anyway, GSA will negotiate a rent discount with the Tenant while the punch list work is being completed. If after hours work is required, GSA will ensure that adequate security is provided while the contractor is in the Tenant's space.

Once the above 'substantially complete' and 'operationally functional' requirements have been met, rent will commence. GSA does not provide tenant agencies a grace period prior to rent commencement to accomplish the physical move into the space or to allow for the installation of personal property such as phones,

furniture, computers, etc. However, rent should not start until those personal property items that have been included in the General Services Administration's general construction contract, such as telephone and data systems or audio/video systems, are operational unless the Tenant chooses to move into the space pursuant to the preceding paragraph.

### **Occupancy Agreement Iterations**

The parties hereby agree that iterations of OAs prepared before completion of a building design, and before final security/joint use charges are provided, contain preliminary financial terms only. Financial terms in preliminary OAs are estimates for budgeting purposes, and are updated through additional OA versions as business terms evolve throughout the space acquisition. Accordingly, execution by the tenant agency on preliminary OAs constitutes that agency's commitment to the project, and is required prior to PBS awarding any contract for: design, construction/alterations, and/or a lease. Until site purchase or contract award to a design architect, the tenant agency has the right to cancel the proposed project without financial obligation.

### **PBS Services**

The services that PBS provides may be found in the fourth edition of the Pricing Desk Guide. Unless PBS provides otherwise in writing, the cost of these services is included in PBS's rents and fees. Any services beyond those identified in the Pricing Desk Guide are provided by PBS for an additional charge.

### **Payment of Tenant Improvements**

The tenant agency must pay for tenant improvements in excess of the allowance by RWA. The tenant agency also has the right to pay lump sum for tenant improvements below the allowance threshold. The ability to make lump sum payments below the allowance threshold is only available at assignment inception, and only for the customization component of the allowance in new space. In backfill or relet space, if the tenant can accept existing tenant improvements "as is" or with modifications, the tenant can elect to waive all or part of the general allowance. Further, once the tenant allowance is set, if the agency then wishes to make a lump sum payment for improvements which are charged against the allowance, PBS cannot accept payments below the allowance threshold by RWA.

### **OA Renewal**

In the event of a continued occupancy after expiration with no additional space and with no additional tenant improvements provided, the tenant agency will be financially responsible for an extension of this agreement at the market rates in place at the time of the expiration. The rates and term of the extension will be set according to the policy at the time of the extension. The tenant agency rights to relinquish space as specified in this OA remain in effect.

### **Replacement Responsibilities**

The parties agree that PBS is amortizing through a specific charge in Rent the portion of the tenant improvement allowance the tenant elects to use. The tenant has funding responsibility for replacement, renewal or alteration of tenant improvements. PBS is responsible for replacement and renewal of all building shell elements.

### **Tenant Agency Move**

In the event the space covered by this OA involves a tenant agency move, once a design and construction schedule has been established it must be incorporated into this OA. Once part of this OA, the schedule becomes binding upon the tenant agency as well as upon PBS. Delay in project completion caused by either a) tenant agency failure to meet the review and approval times provided in the construction schedule, or b) tenant changes to project scope, will be borne by the tenant agency. As a consequence of tenant-caused delay, PBS may decline to postpone the scheduled substantial completion date (thereby advancing Rent commencement for the space) by the duration of the tenant-caused delay, on a day-to-day basis; this may result in rent charges at two locations simultaneously for the tenant. Additional direct expenses caused through tenant-caused delay or changes in project scope are chargeable against the tenant allowance; in the event the tenant allowance has been exhausted, the tenant must pay the lump sum cost by RWA. In

summary, the tenant is responsible for the delay claim of the affected contractor and for rent that GSA budgeted to start on the date included in the Occupancy Agreement. If partial occupancy of the building is not possible due to one agency change, that agency is liable for the other tenant's rent who are unable to occupy their space on the date contained in their Occupancy Agreement. The rent start date should be adjusted for delay of occupancy caused by PBS failing to deliver the real property on time. The rent start date should not be adjusted for delay of occupancy caused by a GSA contractor failing to install personal property on time with one exception. For those personal property items that have been included in the general construction contract, such as telephone and data systems, or audio/video systems, and the systems are not ready, the rent start date should be adjusted. Delayed furniture delivery and installation, which is not part of the general construction contract, is not reason for delaying the rent start date. In its role as building owner, PBS may also be the cause of delay. Expenses associated with PBS-caused delay incurred by the tenant, for such things as additional storage for furniture, re-procurement expense, or additional consulting fees, will be credited against the tenant's rent obligation to PBS for the new space. In the case of excusable delay (e.g., force majeure or any other delay the cause of which is beyond the reasonable control of either PBS or the tenant agency), neither PBS nor the tenant agency may pursue the other for the consequences of the delay.

### **Environmental and Safety Standards and Regulations**

The tenant agency will comply with all applicable Federal, State, and local environmental, health & safety laws and regulations, such as but not limited to those issued by the U.S. Environmental Protection Agency (EPA) under Title 40 of the Code of Federal Regulations (CFR); the U.S. Occupational Safety and Health Administration (OSHA) under Title 29 of the CFR; the Federal Management Regulation sections that relate to safety and environmental management (41 CFR part 102-80, subpart B); and all applicable laws and regulations set by State and local regulatory agencies.

### **Other Mandatory Clauses**

#### **Continuing Occupancies - 10-Year Levelized Rates**

This OA is being extended to reflect the continuing requirement of your current assignment. There have been no changes to the usable square footage and no tenant improvement costs have been added. PBS has transitioned to 10-year levelized rate appraisals, and the shell term has been extended for an additional 10 years or through the remainder of this OA's term, whichever occurs first, at new appraised shell and operating rates per GSA PBS Pricing Policy. This OA is considered FINAL and does not require agency signature. Please notify GSA within 60 days if you disagree with any of the terms and conditions expressed in this agreement.

### **JU Space Details**

The agency share of Joint Use Spaces is 128.87 rentable square feet, \$5,960.23 Annual which is further defined as:

	Rentable Space RSF	Rentable Space Annual
JOHN W. MCCORMACK BUILDING (MA0013), 5 Post Office Sq	128.87	\$5,960.23

### **Tenant Improvement Amortization Cost**

(b)(5) has elected to expend a total of \$85,269.00 for their tenant improvements. This amount has been amortized in the rent and is itemized on the Financial Summary.

### **Security Services**

Beginning in FY 2005, payment for FPS provided Basic and Building Specific Operating Security will be made to the Federal Protective Service (FPS), Department of Homeland Security (DHS) and will be separate from rental payments to GSA (OMB Object Class 23.1). Charges for FPS provided security are

determined by, and may be obtained from, FPS.

**Optional Clauses**

**Ad Hoc Clauses**

**Spatial Data Management (SDM)- Space Verifications**

This building has completed a Spatial Data Management re-measurement. GSA will periodically verify space in the building covered by this Occupancy Agreement in order to ensure compliance with PBS application of the ANSI/BOMA measurement standard. As a result of these space verification's, tenants may experience changes in square footage and/or changes in rental rates (due to a change in the building's rentable/usable factor) which may change their overall rent bill. Should there be any changes found during verification, tenants will be notified prior to these changes being implemented to their occupancy and will be given proper time to budget for any rental increase or decrease.

### OCCUPANCY AGREEMENT

Between

(b)(5)

And

GENERAL SERVICES ADMINISTRATION

AMA03144	Final	Version:	35	Date Last Modified:	02-Oct-2018
MA0013ZZ				Extension of Term - 10-Year	

(b)(5) will occupy 2,083.00 usable ( 3,099.12 rentable) square feet of space and 3 structured parking spaces and 0 surface parking spaces at JOHN W. MCCORMACK BUILDING (MA0013) located at 5 Post Office Sq, BOSTON, MA, for a period of 120 months commencing on or about 10/01/2019.

The agency share of Joint Use Spaces is 145.50 rentable square feet. The agency share of Joint Use Structured Parking Spaces is 0.01 parking spaces.

(b)(5) will pay the General Services Administration rent in accordance with the attached page(s). The rental will be adjusted annually for operating cost and parking escalations.

(b)(5) will pay the General Services Administration additional rent for prorated share of joint use space associated with this location, if any.

Additional/reduced services are shown on the attached Occupancy Agreement Financial Summary.

#### Mandatory Clauses

##### Promoting Efficient Spending

##### Reduce the Footprint

The Office of Management and Budget Memorandum, "Promoting Efficient Spending to Support Agency Operations" issued on May 11, 2012 and Management Procedures Memorandum issued on March 25, 2015, have established a Reduce the Footprint policy for executive agencies. PUBLIC BUILDINGS SERVICE (FIELD OFFICE) is responsible for making sure their space request is consistent with any applicable square foot reduction targets and can contact TotalWorkplace@gsa.gov for help developing agency-wide space design standards that optimize their space usage.

##### Federal Specific Mandatory Clauses

##### Alterations by Tenant Agency

The tenant agency agrees that it will undertake no alterations to the real property governed by this OA without prior approval from PBS.

##### Building Services

Building services to be provided are outlined in the PBS Real Property Customer Guide. Additional or upgraded services beyond those identified are provided by PBS on a reimbursable basis. Charges for certain recurring reimbursable services may be billed on the PBS Bill. Recurring charges for overtime utilities, enhanced custodial services, mechanical O&M HVAC, mechanical O&M Other and additional guard

services are eligible for billing on the PBS Bill provided the tenant agency has been designated as a "participating agency". The charges must be initiated by the tenant agency and renewed annually. The recurring RWA processing fee will be assessed against each service billed.

**Federal Construction**

In the case of Federal construction, the parties agree that PBS is responsible for providing the funds necessary to acquire land (if appropriate), design and construct the building shell, and fund the tenant agency's tenant improvement allowance. The tenant agency is responsible for any tenant improvement costs in excess of the tenant improvement allowance. The parties further agree that savings or cost over-runs on the acquisition of land or the design and construction of building shell will not result in increases or decreases in the tenant allowance amount, except in the case of prospectus level projects, where bids for the construction of the shell are over the approved budget. In this case, it is permissible to lower the tenant allowance in order to increase the shell budget, but only with approval of the tenant agency. The tenant agency can appeal to the PBS asset manager in cases in which the agency's assigned tenant improvement allowance is inadequate to provide basic functionality for the space.

**Federal Rent Charges**

Federal rental charges will consist of a shell rent plus amortized tenant improvements, if applicable. There may be additional charges for operating expenses, security, joint use, parking, and other space items such as antennas. In 2017, GSA transitions to 10-year rates for occupancies in buildings where new appraisals are available. OAs will be transitioned to a 10-year rate as the current shell rate terms expire. The shell or "as is" rent will be reset every 10 years. For OAs in a building without a new 10-year appraisal, the shell rate or as is rate will continue to be set for periods up to but not beyond 5 years. These OAs will transition to the new 10-year rate no later than FY22 as their current rate terms expire. In the case of buildings priced on a "Return on Investment" approach, the rent attributable to the original shell improvements will remain level for the duration of the OA. If additional capitalized shell replacements or improvements are made, the Shell Rent rate will be adjusted every 5 years to reflect the additional investment. Charges for operating expenses, joint use space, parking, antennas and security may be adjusted on an annual basis.

**Financial Terms**

While this Occupancy Agreement (OA) addresses financial terms that cover multiple fiscal years, the parties agree that unless otherwise specified: The tenant agency may relinquish space upon four (4) months notice. Thus, at any future time, the tenant agency's financial obligation can be reduced to four (4) months of rent, plus the unamortized balance of any tenant improvements financed through PBS, plus any rent concession not yet earned. Any free Rent or other concession given at the beginning of the occupancy term must be allocated on a pro-rata basis over the entire OA term, and the unearned balance repaid to PBS. The tenant's financial obligations for years beyond the current year do not mature until the later year(s) are reached. Thus, there is no requirement that the tenant agency certify that current year funds are available to defray future year obligations. Any free Rent or other concession given at the beginning of the occupancy term (for all occupancy types) must be allocated on a pro-rata basis over the entire OA term, and the unearned balance repaid to PBS.

The tenant's financial obligations for years beyond the current year do not mature until the later year(s) are reached. Thus, there is no requirement that the tenant agency certify that current year funds are available to defray future year obligations.

The tenant's future years obligation to pay Rent is subject to the availability of funds, but the tenant agrees to make a good faith effort to meet its obligations as they arise.

**Move Cost Responsibilities**

At the end of this OA term, if the tenant cannot remain in the space covered by this OA, the tenant is responsible for funding the physical move to new space. In the event PBS displaces or allows another user

to displace the tenant before the expiration of the OA term, PBS must fund, or require the new user to fund, the tenant's physical move, and relocation of the tenant's telecommunications equipment. PBS must also reimburse, or require the new user to reimburse, the tenant for the undepreciated value of any lump sum payments the tenant made toward tenant improvements and the Rent differential at the new location until the displaced agency has time to budget. The Rent differential is calculated on all elements of Rent except the amortized tenant improvement cost. In the event of a PBS disposal of a building or an approved prospectus project requiring the agency relocation from this space before the expiration of the OA term, PBS will fund tenant agency move costs unless PBS has provided 3 years' written notice of the action. In the event PBS provides 3 years' written notice, the agency is responsible for funding the physical move to new space.

### **Obligation to Pay Rent**

The Tenant agency's obligation to pay rent for the space governed by this OA commences when both of the following occur: the space is substantially complete and operationally functional. Occupancy and rent start will be coordinated with the Tenant.

1. The space is ready for occupancy of personal property, typically the substantial completion date. Substantial completion is signaled by PBS's acceptance of the space as substantially complete in accordance with the general construction contract documents. "Substantially complete" and "substantial completion" mean that the work, the common and other areas of the building, and all other things necessary for the Government's access to the premises and occupancy, possession, use and enjoyment thereof, as provided in the general construction contract, have been completed or obtained, excepting only such minor matters as do not interfere with or materially diminish such access, occupancy, possession, use or enjoyment

. PBS will offer to an authorized representative of the Tenant the opportunity to participate in a walk-through of the space prior to final acceptance of the space as substantially complete by PBS. The authorized representative of the Tenant will make himself or herself available so as to not delay the walk-through of the space. The authorized representatives of PBS and the Tenant will itemize any defects and omissions (D&Os, or "punch list") of the construction project that will need to be corrected prior to final contract payment. Provided that the D&Os are minor matters not materially diminishing use of the space, the authorized representative of PBS, acting on behalf of the Government and its Tenant, will determine substantial completion.

2. The space is operationally functional. Operationally functional means that the building systems included in the general construction contract must function and GSA-provided building-specific safety and security features must be operational. Related space that is necessary for a Tenant to function due to workflow adjacencies must be complete before rent commences

For large projects that entail phased occupancy of the Tenant's space, rent will commence on the individual blocks of space when they are substantially complete and operationally functional. The blocks will be added to the Agency Space Assignment (ASA) incrementally. In the case of phased occupancy with separate ASAs (example, different Agency/Bureau codes), the rent start date for each ASA will occur when the space associated with it is substantially complete and operationally functional.

If there is a substantial punch list for the space that would interfere with the Tenant's full access, occupancy, possession, use and enjoyment of the space, and the Tenant chooses to move in anyway, GSA will negotiate a rent discount with the Tenant while the punch list work is being completed. If after hours work is required, GSA will ensure that adequate security is provided while the contractor is in the Tenant's space.

Once the above 'substantially complete' and 'operationally functional' requirements have been met, rent will commence. GSA does not provide tenant agencies a grace period prior to rent commencement to accomplish

the physical move into the space or to allow for the installation of personal property such as phones, furniture, computers, etc. However, rent should not start until those personal property items that have been included in the General Services Administration's general construction contract, such as telephone and data systems or audio/video systems, are operational unless the Tenant chooses to move into the space pursuant to the preceding paragraph.

### **Occupancy Agreement Iterations**

The parties hereby agree that iterations of OAs prepared before completion of a building design, and before final security/joint use charges are provided, contain preliminary financial terms only. Financial terms in preliminary OAs are estimates for budgeting purposes, and are updated through additional OA versions as business terms evolve throughout the space acquisition. Accordingly, execution by the tenant agency on preliminary OAs constitutes that agency's commitment to the project, and is required prior to PBS awarding any contract for: design, construction/alterations, and/or a lease. Until site purchase or contract award to a design architect, the tenant agency has the right to cancel the proposed project without financial obligation.

### **PBS Services**

The services that PBS provides may be found in the fourth edition of the Pricing Desk Guide. Unless PBS provides otherwise in writing, the cost of these services is included in PBS's rents and fees. Any services beyond those identified in the Pricing Desk Guide are provided by PBS for an additional charge.

### **Payment of Tenant Improvements**

The tenant agency must pay for tenant improvements in excess of the allowance by RWA. The tenant agency also has the right to pay lump sum for tenant improvements below the allowance threshold. The ability to make lump sum payments below the allowance threshold is only available at assignment inception, and only for the customization component of the allowance in new space. In backfill or relet space, if the tenant can accept existing tenant improvements "as is" or with modifications, the tenant can elect to waive all or part of the general allowance. Further, once the tenant allowance is set, if the agency then wishes to make a lump sum payment for improvements which are charged against the allowance, PBS cannot accept payments below the allowance threshold by RWA.

### **OA Renewal**

In the event of a continued occupancy after expiration with no additional space and with no additional tenant improvements provided, the tenant agency will be financially responsible for an extension of this agreement at the market rates in place at the time of the expiration. The rates and term of the extension will be set according to the policy at the time of the extension. The tenant agency rights to relinquish space as specified in this OA remain in effect.

### **Replacement Responsibilities**

The parties agree that PBS is amortizing through a specific charge in Rent the portion of the tenant improvement allowance the tenant elects to use. The tenant has funding responsibility for replacement, renewal or alteration of tenant improvements. PBS is responsible for replacement and renewal of all building shell elements.

### **Tenant Agency Move**

In the event the space covered by this OA involves a tenant agency move, once a design and construction schedule has been established it must be incorporated into this OA. Once part of this OA, the schedule becomes binding upon the tenant agency as well as upon PBS. Delay in project completion caused by either a) tenant agency failure to meet the review and approval times provided in the construction schedule, or b) tenant changes to project scope, will be borne by the tenant agency. As a consequence of tenant-caused delay, PBS may decline to postpone the scheduled substantial completion date (thereby advancing Rent commencement for the space) by the duration of the tenant-caused delay, on a day-to-day basis; this may result in rent charges at two locations simultaneously for the tenant. Additional direct expenses caused through tenant-caused delay or changes in project scope are chargeable against the tenant allowance; in the

event the tenant allowance has been exhausted, the tenant must pay the lump sum cost by RWA. In summary, the tenant is responsible for the delay claim of the affected contractor and for rent that GSA budgeted to start on the date included in the Occupancy Agreement. If partial occupancy of the building is not possible due to one agency change, that agency is liable for the other tenant's rent who are unable to occupy their space on the date contained in their Occupancy Agreement. The rent start date should be adjusted for delay of occupancy caused by PBS failing to deliver the real property on time. The rent start date should not be adjusted for delay of occupancy caused by a GSA contractor failing to install personal property on time with one exception. For those personal property items that have been included in the general construction contract, such as telephone and data systems, or audio/video systems, and the systems are not ready, the rent start date should be adjusted. Delayed furniture delivery and installation, which is not part of the general construction contract, is not reason for delaying the rent start date. In its role as building owner, PBS may also be the cause of delay. Expenses associated with PBS-caused delay incurred by the tenant, for such things as additional storage for furniture, re-procurement expense, or additional consulting fees, will be credited against the tenant's rent obligation to PBS for the new space. In the case of excusable delay (e.g., force majeure or any other delay the cause of which is beyond the reasonable control of either PBS or the tenant agency), neither PBS nor the tenant agency may pursue the other for the consequences of the delay.

### **Environmental and Safety Standards and Regulations**

The tenant agency will comply with all applicable Federal, State, and local environmental, health & safety laws and regulations, such as but not limited to those issued by the U.S. Environmental Protection Agency (EPA) under Title 40 of the Code of Federal Regulations (CFR); the U.S. Occupational Safety and Health Administration (OSHA) under Title 29 of the CFR; the Federal Management Regulation sections that relate to safety and environmental management (41 CFR part 102-80, subpart B); and all applicable laws and regulations set by State and local regulatory agencies.

### **GSA Mandatory Clauses**

#### **Space Utilization for GSA Occupancy**

Tenant agency personnel in this space include federal employees and contractors. The utilization rate for this space will be USF/person. For instructions on how to count personnel, please refer to the GSA directive OAS P 7005.1 Internal Space Allocation, Design, and Management Policy

### **Other Mandatory Clauses**

#### **Continuing Occupancies - 10-Year Levelized Rates**

This OA is being extended to reflect the continuing requirement of your current assignment. There have been no changes to the usable square footage and no tenant improvement costs have been added. PBS has transitioned to 10-year levelized rate appraisals, and the shell term has been extended for an additional 10 years or through the remainder of this OA's term, whichever occurs first, at new appraised shell and operating rates per GSA PBS Pricing Policy. This OA is considered FINAL and does not require agency signature. Please notify GSA within 60 days if you disagree with any of the terms and conditions expressed in this agreement.

### **JU Space Details**

The agency share of Joint Use Spaces is 145.50 rentable square feet, \$6,729.08 Annual which is further defined as:

	Rentable Space RSF	Rentable Space Annual
JOHN W. MCCORMACK BUILDING (MA0013), 5 Post Office Sq	145.50	\$6,729.08

(b)(4)

(b)(5) (b)(4)  
 (b)(4)

**Security Services**

Beginning in FY 2005, payment for FPS provided Basic and Building Specific Operating Security will be made to the Federal Protective Service (FPS), Department of Homeland Security (DHS) and will be separate from rental payments to GSA (OMB Object Class 23.1). Charges for FPS provided security are determined by, and may be obtained from, FPS.

**Optional Clauses**

**Ad Hoc Clauses**

**Spatial Data Management (SDM)- Space Verifications**

This building has completed a Spatial Data Management re-measurement. GSA will periodically verify space in the building covered by this Occupancy Agreement in order to ensure compliance with PBS application of the ANSI/BOMA measurement standard. As a result of these space verification's, tenants may experience changes in square footage and/or changes in rental rates (due to a change in the building's rentable/usable factor) which may change their overall rent bill. Should there be any changes found during verification, tenants will be notified prior to these changes being implemented to their occupancy and will be given proper time to budget for any rental increase or decrease.

I agree to the initial terms with the understanding modifications will be made over time.

## Signed Agreement and Financial Summary

### OCCUPANCY AGREEMENT

Between

(b)(5)

And

GENERAL SERVICES ADMINISTRATION

AMA03196	Final	Version:	30	Date Last Modified:	30-Sep-2018
MA0013ZZ				Fiscal Year Update	

(b)(5) will occupy 18,187.00 usable ( 26,678.36 rentable) square feet of space and 1 structured parking spaces and 0 surface parking spaces at JOHN W. MCCORMACK BUILDING (MA0013) located at 5 Post Office Sq, BOSTON, MA, for a period of 11 months commencing on or about 09/30/2018. The agency share of Joint Use Spaces is 1,270.36 rentable square feet. The agency share of Joint Use Structured Parking Spaces is 0.05 parking spaces.

(b)(5) will pay the General Services Administration rent in accordance with the attached page(s). The rental will be adjusted annually for operating cost and parking escalations. In addition to the annual rental to be paid, (b)(5) will make a lump sum payment for buildout and other related services in excess of the amount of the Tenant improvement allowance amortized in the rental rate, in accord with the attached page(s).

(b)(5) will pay the General Services Administration additional rent for prorated share of joint use space associated with this location, if any.

Additional/reduced services are shown on the attached Occupancy Agreement Financial Summary.

#### Mandatory Clauses

##### Federal Specific Mandatory Clauses

##### Alterations by Tenant Agency

The tenant agency agrees that it will undertake no alterations to the real property governed by this OA without prior approval from PBS.

##### Building Services

Building services to be provided are outlined in the PBS Real Property Customer Guide. Additional or upgraded services beyond those identified are provided by PBS on a reimbursable basis. Charges for certain recurring reimbursable services may be billed on the PBS Bill. Recurring charges for overtime utilities, enhanced custodial services, mechanical O&M HVAC, mechanical O&M Other and additional guard services are eligible for billing on the PBS Bill provided the tenant agency has been designated as a "participating agency". The charges must be initiated by the tenant agency and renewed annually. The recurring RWA processing fee will be assessed against each service billed.

##### Federal Construction

In the case of Federal construction, the parties agree that PBS is responsible for providing the funds necessary to acquire land (if appropriate), design and construct the building shell, and fund the tenant agency's tenant improvement allowance. The tenant agency is responsible for any tenant improvement costs in excess of the tenant improvement allowance. The parties further agree that savings or cost over-runs on the acquisition of land or the design and construction of building shell will not result in increases or decreases in the tenant allowance amount, except in the case of prospectus level projects, where bids for the construction of the shell are over the approved budget. In this case, it is permissible to lower the tenant allowance in order to increase the shell budget, but only with approval of the tenant agency. The tenant agency can appeal to the PBS asset manager in cases in which the agency's assigned tenant improvement allowance is inadequate to provide basic functionality for the space.

### **Federal Rent Charges**

Federal rental charges will consist of a shell rent plus amortized tenant improvements, if applicable. There may be additional charges for operating expenses, security, joint use, parking, and other space items such as antennas. In 2017, GSA transitions to 10-year rates for occupancies in buildings where new appraisals are available. OAs will be transitioned to a 10-year rate as the current shell rate terms expire. The shell or "as is" rent will be reset every 10 years. For OAs in a building without a new 10-year appraisal, the shell rate or as is rate will continue to be set for periods up to but not beyond 5 years. These OAs will transition to the new 10-year rate no later than FY22 as their current rate terms expire. In the case of buildings priced on a "Return on Investment" approach, the rent attributable to the original shell improvements will remain level for the duration of the OA. If additional capitalized shell replacements or improvements are made, the Shell Rent rate will be adjusted every 5 years to reflect the additional investment. Charges for operating expenses, joint use space, parking, antennas and security may be adjusted on an annual basis.

### **Financial Terms**

While this Occupancy Agreement (OA) addresses financial terms that cover multiple fiscal years, the parties agree that unless otherwise specified: The tenant agency may relinquish space upon four (4) months notice. Thus, at any future time, the tenant agency's financial obligation can be reduced to four (4) months of rent, plus the unamortized balance of any tenant improvements financed through PBS, plus any rent concession not yet earned. Any free Rent or other concession given at the beginning of the occupancy term must be allocated on a pro-rata basis over the entire OA term, and the unearned balance repaid to PBS. The tenant's financial obligations for years beyond the current year do not mature until the later year(s) are reached. Thus, there is no requirement that the tenant agency certify that current year funds are available to defray future year obligations. Any free Rent or other concession given at the beginning of the occupancy term (for all occupancy types) must be allocated on a pro-rata basis over the entire OA term, and the unearned balance repaid to PBS.

The tenant's financial obligations for years beyond the current year do not mature until the later year(s) are reached. Thus, there is no requirement that the tenant agency certify that current year funds are available to defray future year obligations.

The tenant's future years obligation to pay Rent is subject to the availability of funds, but the tenant agrees to make a good faith effort to meet its obligations as they arise.

### **Move Cost Responsibilities**

At the end of this OA term, if the tenant cannot remain in the space covered by this OA, the tenant is responsible for funding the physical move to new space. In the event PBS displaces or allows another user to displace the tenant before the expiration of the OA term, PBS must fund, or require the new user to fund, the tenant's physical move, and relocation of the tenant's telecommunications equipment. PBS must also reimburse, or require the new user to reimburse, the tenant for the undepreciated value of any lump sum payments the tenant made toward tenant improvements and the Rent differential at the new location until the displaced agency has time to budget. The Rent differential is calculated on all elements of Rent except

the amortized tenant improvement cost. In the event of a PBS disposal of a building or an approved prospectus project requiring the agency relocation from this space before the expiration of the OA term, PBS will fund tenant agency move costs unless PBS has provided 3 years' written notice of the action. In the event PBS provides 3 years' written notice, the agency is responsible for funding the physical move to new space.

### **Obligation to Pay Rent**

The Tenant agency's obligation to pay rent for the space governed by this OA commences when both of the following occur: the space is substantially complete and operationally functional. Occupancy and rent start will be coordinated with the Tenant.

1. The space is ready for occupancy of personal property, typically the substantial completion date. Substantial completion is signaled by PBS's acceptance of the space as substantially complete in accordance with the general construction contract documents. "Substantially complete" and "substantial completion" mean that the work, the common and other areas of the building, and all other things necessary for the Government's access to the premises and occupancy, possession, use and enjoyment thereof, as provided in the general construction contract, have been completed or obtained, excepting only such minor matters as do not interfere with or materially diminish such access, occupancy, possession, use or enjoyment

. PBS will offer to an authorized representative of the Tenant the opportunity to participate in a walk-through of the space prior to final acceptance of the space as substantially complete by PBS. The authorized representative of the Tenant will make himself or herself available so as to not delay the walk-through of the space. The authorized representatives of PBS and the Tenant will itemize any defects and omissions (D&Os, or "punch list") of the construction project that will need to be corrected prior to final contract payment. Provided that the D&Os are minor matters not materially diminishing use of the space, the authorized representative of PBS, acting on behalf of the Government and its Tenant, will determine substantial completion.

2. The space is operationally functional. Operationally functional means that the building systems included in the general construction contract must function and GSA-provided building-specific safety and security features must be operational. Related space that is necessary for a Tenant to function due to workflow adjacencies must be complete before rent commences

For large projects that entail phased occupancy of the Tenant's space, rent will commence on the individual blocks of space when they are substantially complete and operationally functional. The blocks will be added to the Agency Space Assignment (ASA) incrementally. In the case of phased occupancy with separate ASAs (example, different Agency/Bureau codes), the rent start date for each ASA will occur when the space associated with it is substantially complete and operationally functional.

If there is a substantial punch list for the space that would interfere with the Tenant's full access, occupancy, possession, use and enjoyment of the space, and the Tenant chooses to move in anyway, GSA will negotiate a rent discount with the Tenant while the punch list work is being completed. If after hours work is required, GSA will ensure that adequate security is provided while the contractor is in the Tenant's space.

Once the above 'substantially complete' and 'operationally functional' requirements have been met, rent will commence. GSA does not provide tenant agencies a grace period prior to rent commencement to accomplish the physical move into the space or to allow for the installation of personal property such as phones, furniture, computers, etc. However, rent should not start until those personal property items that have been included in the General Services Administration's general construction contract, such as telephone and data systems or audio/video systems, are operational unless the Tenant chooses to move into the space pursuant to the preceding paragraph.

**Occupancy Agreement Iterations**

The parties hereby agree that iterations of OAs prepared before completion of a building design, and before final security/joint use charges are provided, contain preliminary financial terms only. Financial terms in preliminary OAs are estimates for budgeting purposes, and are updated through additional OA versions as business terms evolve throughout the space acquisition. Accordingly, execution by the tenant agency on preliminary OAs constitutes that agency's commitment to the project, and is required prior to PBS awarding any contract for: design, construction/alterations, and/or a lease. Until site purchase or contract award to a design architect, the tenant agency has the right to cancel the proposed project without financial obligation.

**PBS Services**

The services that PBS provides may be found in the fourth edition of the Pricing Desk Guide. Unless PBS provides otherwise in writing, the cost of these services is included in PBS's rents and fees. Any services beyond those identified in the Pricing Desk Guide are provided by PBS for an additional charge.

**Payment of Tenant Improvements**

The tenant agency must pay for tenant improvements in excess of the allowance by RWA. The tenant agency also has the right to pay lump sum for tenant improvements below the allowance threshold. The ability to make lump sum payments below the allowance threshold is only available at assignment inception, and only for the customization component of the allowance in new space. In backfill or relet space, if the tenant can accept existing tenant improvements "as is" or with modifications, the tenant can elect to waive all or part of the general allowance. Further, once the tenant allowance is set, if the agency then wishes to make a lump sum payment for improvements which are charged against the allowance, PBS cannot accept payments below the allowance threshold by RWA.

**Replacement Responsibilities**

The parties agree that PBS is amortizing through a specific charge in Rent the portion of the tenant improvement allowance the tenant elects to use. The tenant has funding responsibility for replacement, renewal or alteration of tenant improvements. PBS is responsible for replacement and renewal of all building shell elements.

**Tenant Agency Move**

In the event the space covered by this OA involves a tenant agency move, once a design and construction schedule has been established it must be incorporated into this OA. Once part of this OA, the schedule becomes binding upon the tenant agency as well as upon PBS. Delay in project completion caused by either a) tenant agency failure to meet the review and approval times provided in the construction schedule, or b) tenant changes to project scope, will be borne by the tenant agency. As a consequence of tenant-caused delay, PBS may decline to postpone the scheduled substantial completion date (thereby advancing Rent commencement for the space) by the duration of the tenant-caused delay, on a day-to-day basis; this may result in rent charges at two locations simultaneously for the tenant. Additional direct expenses caused through tenant-caused delay or changes in project scope are chargeable against the tenant allowance; in the event the tenant allowance has been exhausted, the tenant must pay the lump sum cost by RWA. In summary, the tenant is responsible for the delay claim of the affected contractor and for rent that GSA budgeted to start on the date included in the Occupancy Agreement. If partial occupancy of the building is not possible due to one agency change, that agency is liable for the other tenant's rent who are unable to occupy their space on the date contained in their Occupancy Agreement. The rent start date should be adjusted for delay of occupancy caused by PBS failing to deliver the real property on time. The rent start date should not be adjusted for delay of occupancy caused by a GSA contractor failing to install personal property on time with one exception. For those personal property items that have been included in the general construction contract, such as telephone and data systems, or audio/video systems, and the systems are not ready, the rent start date should be adjusted. Delayed furniture delivery and installation, which is not part of the general construction contract, is not reason for delaying the rent start date. In its role as building owner, PBS may also be the cause of delay. Expenses associated with PBS-caused delay incurred by the

tenant, for such things as additional storage for furniture, re-procurement expense, or additional consulting fees, will be credited against the tenant's rent obligation to PBS for the new space. In the case of excusable delay (e.g., force majeure or any other delay the cause of which is beyond the reasonable control of either PBS or the tenant agency), neither PBS nor the tenant agency may pursue the other for the consequences of the delay.

### **Environmental and Safety Standards and Regulations**

The tenant agency will comply with all applicable Federal, State, and local environmental, health & safety laws and regulations, such as but not limited to those issued by the U.S. Environmental Protection Agency (EPA) under Title 40 of the Code of Federal Regulations (CFR); the U.S. Occupational Safety and Health Administration (OSHA) under Title 29 of the CFR; the Federal Management Regulation sections that relate to safety and environmental management (41 CFR part 102-80, subpart B); and all applicable laws and regulations set by State and local regulatory agencies.

### **Other Mandatory Clauses**

#### **JU Space Details**

The agency share of Joint Use Spaces is 1,270.36 rentable square feet, \$58,752.67 Annual which is further defined as:

	Rentable Space RSF	Rentable Space Annual
JOHN W. MCCORMACK BUILDING (MA0013), 5 Post Office Sq	1,270.36	\$58,752.67

### **Tenant Improvement Amortization Cost**

(b)(5) has elected to expend a total of \$864,232.05 for their tenant improvements. This amount has been amortized in the rent and is itemized on the Financial Summary.

### **Tenant Improvement Lump Sum Cost**

(b)(5) has elected to pay all or part of their TI Expended amount via a Reimbursable Work Authorization (RWA). The total RWA amount is \$954,838.84 and includes the TI amount of \$38,918.00 plus the RWA fee of \$915,920.84.

### **Security Services**

Beginning in FY 2005, payment for FPS provided Basic and Building Specific Operating Security will be made to the Federal Protective Service (FPS), Department of Homeland Security (DHS) and will be separate from rental payments to GSA (OMB Object Class 23.1). Charges for FPS provided security are determined by, and may be obtained from, FPS.

### **Federal Judiciary Mandatory Clause**

(b)(4)

(b)(4)

## Optional Clauses

### Ad Hoc Clauses

#### "Spatial Data Management (SDM) - Space Verification

This building has completed a Spatial Data Management re-measurement. GSA will periodically verify space in the building covered by this Occupancy Agreement in order to ensure compliance with PBS application of the ANSI/BOMA measurement standard. As a result of these space verifications, tenants may experience changes in square footage and/or changes in rental rates (due to a change in the building's rentable/usable factor) which may change their overall rent bill. Should there be any changes found during verification, tenants will be notified prior to these changes being implemented to their occupancy and will be given proper time to budget for any rental increase or decrease.

(b)(5)

And

GENERAL SERVICES ADMINISTRATION

AMA03197	Final	Version:	31	Date Last Modified:	02-Oct-2018
MA0013ZZ				Extension of Term - 10-Year	

(b)(5) will occupy 1,704.00 usable ( 2,535.24 rentable) square feet of space and 0 structured parking spaces and 0 surface parking spaces at JOHN W. MCCORMACK BUILDING (MA0013) located at 5 Post Office Sq, BOSTON, MA, for a period of 120 months commencing on or about 10/01/2019.

The agency share of Joint Use Spaces is 119.02 rentable square feet.

(b)(5) will pay the General Services Administration rent in accordance with the attached page(s). The rental will be adjusted annually for operating cost.

(b)(5) will pay the General Services Administration additional rent for prorated share of joint use space associated with this location, if any.

Additional/reduced services are shown on the attached Occupancy Agreement Financial Summary.

#### Mandatory Clauses

##### Promoting Efficient Spending

##### Reduce the Footprint

The Office of Management and Budget Memorandum, "Promoting Efficient Spending to Support Agency Operations" issued on May 11, 2012 and Management Procedures Memorandum issued on March 25, 2015, have established a Reduce the Footprint policy for executive agencies. UNITED STATES MARSHALS SERVICE is responsible for making sure their space request is consistent with any applicable square foot reduction targets and can contact TotalWorkplace@gsa.gov for help developing agency-wide space design standards that optimize their space usage.

##### Federal Specific Mandatory Clauses

##### Alterations by Tenant Agency

The tenant agency agrees that it will undertake no alterations to the real property governed by this OA without prior approval from PBS.

##### Building Services

Building services to be provided are outlined in the PBS Real Property Customer Guide. Additional or upgraded services beyond those identified are provided by PBS on a reimbursable basis. Charges for certain recurring reimbursable services may be billed on the PBS Bill. Recurring charges for overtime utilities, enhanced custodial services, mechanical O&M HVAC, mechanical O&M Other and additional guard services are eligible for billing on the PBS Bill provided the tenant agency has been designated as a "participating agency". The charges must be initiated by the tenant agency and renewed annually. The

recurring RWA processing fee will be assessed against each service billed.

### **Federal Construction**

In the case of Federal construction, the parties agree that PBS is responsible for providing the funds necessary to acquire land (if appropriate), design and construct the building shell, and fund the tenant agency's tenant improvement allowance. The tenant agency is responsible for any tenant improvement costs in excess of the tenant improvement allowance. The parties further agree that savings or cost over-runs on the acquisition of land or the design and construction of building shell will not result in increases or decreases in the tenant allowance amount, except in the case of prospectus level projects, where bids for the construction of the shell are over the approved budget. In this case, it is permissible to lower the tenant allowance in order to increase the shell budget, but only with approval of the tenant agency. The tenant agency can appeal to the PBS asset manager in cases in which the agency's assigned tenant improvement allowance is inadequate to provide basic functionality for the space.

### **Federal Rent Charges**

Federal rental charges will consist of a shell rent plus amortized tenant improvements, if applicable. There may be additional charges for operating expenses, security, joint use, parking, and other space items such as antennas. In 2017, GSA transitions to 10-year rates for occupancies in buildings where new appraisals are available. OAs will be transitioned to a 10-year rate as the current shell rate terms expire. The shell or "as is" rent will be reset every 10 years. For OAs in a building without a new 10-year appraisal, the shell rate or as is rate will continue to be set for periods up to but not beyond 5 years. These OAs will transition to the new 10-year rate no later than FY22 as their current rate terms expire. In the case of buildings priced on a "Return on Investment" approach, the rent attributable to the original shell improvements will remain level for the duration of the OA. If additional capitalized shell replacements or improvements are made, the Shell Rent rate will be adjusted every 5 years to reflect the additional investment. Charges for operating expenses, joint use space, parking, antennas and security may be adjusted on an annual basis.

### **Financial Terms**

While this Occupancy Agreement (OA) addresses financial terms that cover multiple fiscal years, the parties agree that unless otherwise specified: The tenant agency may relinquish space upon four (4) months notice. Thus, at any future time, the tenant agency's financial obligation can be reduced to four (4) months of rent, plus the unamortized balance of any tenant improvements financed through PBS, plus any rent concession not yet earned. Any free Rent or other concession given at the beginning of the occupancy term must be allocated on a pro-rata basis over the entire OA term, and the unearned balance repaid to PBS. The tenant's financial obligations for years beyond the current year do not mature until the later year(s) are reached. Thus, there is no requirement that the tenant agency certify that current year funds are available to defray future year obligations. Any free Rent or other concession given at the beginning of the occupancy term (for all occupancy types) must be allocated on a pro-rata basis over the entire OA term, and the unearned balance repaid to PBS.

The tenant's financial obligations for years beyond the current year do not mature until the later year(s) are reached. Thus, there is no requirement that the tenant agency certify that current year funds are available to defray future year obligations.

The tenant's future years obligation to pay Rent is subject to the availability of funds, but the tenant agrees to make a good faith effort to meet its obligations as they arise.

### **Move Cost Responsibilities**

At the end of this OA term, if the tenant cannot remain in the space covered by this OA, the tenant is responsible for funding the physical move to new space. In the event PBS displaces or allows another user to displace the tenant before the expiration of the OA term, PBS must fund, or require the new user to fund, the tenant's physical move, and relocation of the tenant's telecommunications equipment. PBS must also

reimburse, or require the new user to reimburse, the tenant for the undepreciated value of any lump sum payments the tenant made toward tenant improvements and the Rent differential at the new location until the displaced agency has time to budget. The Rent differential is calculated on all elements of Rent except the amortized tenant improvement cost. In the event of a PBS disposal of a building or an approved prospectus project requiring the agency relocation from this space before the expiration of the OA term, PBS will fund tenant agency move costs unless PBS has provided 3 years' written notice of the action. In the event PBS provides 3 years' written notice, the agency is responsible for funding the physical move to new space.

### **Obligation to Pay Rent**

The Tenant agency's obligation to pay rent for the space governed by this OA commences when both of the following occur: the space is substantially complete and operationally functional. Occupancy and rent start will be coordinated with the Tenant.

1. The space is ready for occupancy of personal property, typically the substantial completion date. Substantial completion is signaled by PBS's acceptance of the space as substantially complete in accordance with the general construction contract documents. "Substantially complete" and "substantial completion" mean that the work, the common and other areas of the building, and all other things necessary for the Government's access to the premises and occupancy, possession, use and enjoyment thereof, as provided in the general construction contract, have been completed or obtained, excepting only such minor matters as do not interfere with or materially diminish such access, occupancy, possession, use or enjoyment

. PBS will offer to an authorized representative of the Tenant the opportunity to participate in a walk-through of the space prior to final acceptance of the space as substantially complete by PBS. The authorized representative of the Tenant will make himself or herself available so as to not delay the walk-through of the space. The authorized representatives of PBS and the Tenant will itemize any defects and omissions (D&Os, or "punch list") of the construction project that will need to be corrected prior to final contract payment. Provided that the D&Os are minor matters not materially diminishing use of the space, the authorized representative of PBS, acting on behalf of the Government and its Tenant, will determine substantial completion.

2. The space is operationally functional. Operationally functional means that the building systems included in the general construction contract must function and GSA-provided building-specific safety and security features must be operational. Related space that is necessary for a Tenant to function due to workflow adjacencies must be complete before rent commences

For large projects that entail phased occupancy of the Tenant's space, rent will commence on the individual blocks of space when they are substantially complete and operationally functional. The blocks will be added to the Agency Space Assignment (ASA) incrementally. In the case of phased occupancy with separate ASAs (example, different Agency/Bureau codes), the rent start date for each ASA will occur when the space associated with it is substantially complete and operationally functional.

If there is a substantial punch list for the space that would interfere with the Tenant's full access, occupancy, possession, use and enjoyment of the space, and the Tenant chooses to move in anyway, GSA will negotiate a rent discount with the Tenant while the punch list work is being completed. If after hours work is required, GSA will ensure that adequate security is provided while the contractor is in the Tenant's space.

Once the above 'substantially complete' and 'operationally functional' requirements have been met, rent will commence. GSA does not provide tenant agencies a grace period prior to rent commencement to accomplish the physical move into the space or to allow for the installation of personal property such as phones, furniture, computers, etc. However, rent should not start until those personal property items that have been

included in the General Services Administration's general construction contract, such as telephone and data systems or audio/video systems, are operational unless the Tenant chooses to move into the space pursuant to the preceding paragraph.

### **Occupancy Agreement Iterations**

The parties hereby agree that iterations of OAs prepared before completion of a building design, and before final security/joint use charges are provided, contain preliminary financial terms only. Financial terms in preliminary OAs are estimates for budgeting purposes, and are updated through additional OA versions as business terms evolve throughout the space acquisition. Accordingly, execution by the tenant agency on preliminary OAs constitutes that agency's commitment to the project, and is required prior to PBS awarding any contract for: design, construction/alterations, and/or a lease. Until site purchase or contract award to a design architect, the tenant agency has the right to cancel the proposed project without financial obligation.

### **PBS Services**

The services that PBS provides may be found in the fourth edition of the Pricing Desk Guide. Unless PBS provides otherwise in writing, the cost of these services is included in PBS's rents and fees. Any services beyond those identified in the Pricing Desk Guide are provided by PBS for an additional charge.

### **Payment of Tenant Improvements**

The tenant agency must pay for tenant improvements in excess of the allowance by RWA. The tenant agency also has the right to pay lump sum for tenant improvements below the allowance threshold. The ability to make lump sum payments below the allowance threshold is only available at assignment inception, and only for the customization component of the allowance in new space. In backfill or relet space, if the tenant can accept existing tenant improvements "as is" or with modifications, the tenant can elect to waive all or part of the general allowance. Further, once the tenant allowance is set, if the agency then wishes to make a lump sum payment for improvements which are charged against the allowance, PBS cannot accept payments below the allowance threshold by RWA.

### **OA Renewal**

In the event of a continued occupancy after expiration with no additional space and with no additional tenant improvements provided, the tenant agency will be financially responsible for an extension of this agreement at the market rates in place at the time of the expiration. The rates and term of the extension will be set according to the policy at the time of the extension. The tenant agency rights to relinquish space as specified in this OA remain in effect.

### **Replacement Responsibilities**

The parties agree that PBS is amortizing through a specific charge in Rent the portion of the tenant improvement allowance the tenant elects to use. The tenant has funding responsibility for replacement, renewal or alteration of tenant improvements. PBS is responsible for replacement and renewal of all building shell elements.

### **Tenant Agency Move**

In the event the space covered by this OA involves a tenant agency move, once a design and construction schedule has been established it must be incorporated into this OA. Once part of this OA, the schedule becomes binding upon the tenant agency as well as upon PBS. Delay in project completion caused by either a) tenant agency failure to meet the review and approval times provided in the construction schedule, or b) tenant changes to project scope, will be borne by the tenant agency. As a consequence of tenant-caused delay, PBS may decline to postpone the scheduled substantial completion date (thereby advancing Rent commencement for the space) by the duration of the tenant-caused delay, on a day-to-day basis; this may result in rent charges at two locations simultaneously for the tenant. Additional direct expenses caused through tenant-caused delay or changes in project scope are chargeable against the tenant allowance; in the event the tenant allowance has been exhausted, the tenant must pay the lump sum cost by RWA. In summary, the tenant is responsible for the delay claim of the affected contractor and for rent that GSA

budgeted to start on the date included in the Occupancy Agreement. If partial occupancy of the building is not possible due to one agency change, that agency is liable for the other tenant's rent who are unable to occupy their space on the date contained in their Occupancy Agreement. The rent start date should be adjusted for delay of occupancy caused by PBS failing to deliver the real property on time. The rent start date should not be adjusted for delay of occupancy caused by a GSA contractor failing to install personal property on time with one exception. For those personal property items that have been included in the general construction contract, such as telephone and data systems, or audio/video systems, and the systems are not ready, the rent start date should be adjusted. Delayed furniture delivery and installation, which is not part of the general construction contract, is not reason for delaying the rent start date. In its role as building owner, PBS may also be the cause of delay. Expenses associated with PBS-caused delay incurred by the tenant, for such things as additional storage for furniture, re-procurement expense, or additional consulting fees, will be credited against the tenant's rent obligation to PBS for the new space. In the case of excusable delay (e.g., force majeure or any other delay the cause of which is beyond the reasonable control of either PBS or the tenant agency), neither PBS nor the tenant agency may pursue the other for the consequences of the delay.

### **Environmental and Safety Standards and Regulations**

The tenant agency will comply with all applicable Federal, State, and local environmental, health & safety laws and regulations, such as but not limited to those issued by the U.S. Environmental Protection Agency (EPA) under Title 40 of the Code of Federal Regulations (CFR); the U.S. Occupational Safety and Health Administration (OSHA) under Title 29 of the CFR; the Federal Management Regulation sections that relate to safety and environmental management (41 CFR part 102-80, subpart B); and all applicable laws and regulations set by State and local regulatory agencies.

### **Other Mandatory Clauses**

#### **Continuing Occupancies - 10-Year Levelized Rates**

This OA is being extended to reflect the continuing requirement of your current assignment. There have been no changes to the usable square footage and no tenant improvement costs have been added. PBS has transitioned to 10-year levelized rate appraisals, and the shell term has been extended for an additional 10 years or through the remainder of this OA's term, whichever occurs first, at new appraised shell and operating rates per GSA PBS Pricing Policy. This OA is considered FINAL and does not require agency signature. Please notify GSA within 60 days if you disagree with any of the terms and conditions expressed in this agreement.

### **JU Space Details**

The agency share of Joint Use Spaces is 119.02 rentable square feet, \$5,504.73 Annual which is further defined as:

	Rentable Space RSF	Rentable Space Annual
JOHN W. MCCORMACK BUILDING (MA0013), 5 Post Office Sq	119.02	\$5,504.73

### **Tenant Improvement Amortization Cost**

(b)(5) has elected to expend a total of \$84,844.40 for their tenant improvements. This amount has been amortized in the rent and is itemized on the Financial Summary.

### **Security Services**

Beginning in FY 2005, payment for FPS provided Basic and Building Specific Operating Security will be made to the Federal Protective Service (FPS), Department of Homeland Security (DHS) and will be separate from rental payments to GSA (OMB Object Class 23.1). Charges for FPS provided security are determined by, and may be obtained from, FPS.

## **US Marshals Service**

### **As Built Plans**

PBS will provide USMS as-built and/or space assignment drawings for their occupancies within 90 days of initial occupancy, building renovation or remeasurement.

### **Building Services**

Building services beyond those provided by PBS as outlined in the PBS Real Property Customer Guide and Pricing Desk Guide are reimbursable. Operating rent (O&M) billed through REXUS must be considered in determining whether reimbursement is necessary for the following types of space: Prisoner Elevators, Sallyports (mechanical sallyport doors) and Firing Ranges.

### **Reimbursable Services**

PBS will provide USMS an estimate of reimbursable building services, if applicable, for Prisoner Elevators, Sallyports and Firing Ranges by July 31st each year for the fiscal year commencing the following second October (i.e. July 2004 for October 2005).

## **Optional Clauses**

### **Ad Hoc Clauses**

#### **Spatial Data Management (SDM)- Space Verifications**

This building has completed a Spatial Data Management re-measurement. GSA will periodically verify space in the building covered by this Occupancy Agreement in order to ensure compliance with PBS application of the ANSI/BOMA measurement standard. As a result of these space verification's, tenants may experience changes in square footage and/or changes in rental rates (due to a change in the building's rentable/usable factor) which may change their overall rent bill. Should there be any changes found during verification, tenants will be notified prior to these changes being implemented to their occupancy and will be given proper time to budget for any rental increase or decrease.

I agree to the initial terms with the understanding modifications will be made over time.

## Signed Agreement and Financial Summary

### OCCUPANCY AGREEMENT

Between

(b)(5)

And

GENERAL SERVICES ADMINISTRATION

AMA03217	Final	Version:	29	Date Last Modified:	30-Sep-2018
MA0013ZZ				Fiscal Year Update	

(b)(5) will occupy 18,061.44 usable ( 26,494.18 rentable) square feet of space and 5 structured parking spaces and 0 surface parking spaces at JOHN W. MCCORMACK BUILDING (MA0013) located at 5 Post Office Sq, BOSTON, MA, for a period of 131 months commencing on or about 09/30/2018. The agency share of Joint Use Spaces is 1,261.59 rentable square feet. The agency share of Joint Use Structured Parking Spaces is 0.05 parking spaces.

(b)(5) will pay the General Services Administration rent in accordance with the attached page(s). The rental will be adjusted annually for operating cost and parking escalations.

(b)(5) will pay the General Services Administration additional rent for prorated share of joint use space associated with this location, if any.

Additional/reduced services are shown on the attached Occupancy Agreement Financial Summary.

#### Mandatory Clauses

##### Federal Specific Mandatory Clauses

##### Alterations by Tenant Agency

The tenant agency agrees that it will undertake no alterations to the real property governed by this OA without prior approval from PBS.

##### Building Services

Building services to be provided are outlined in the PBS Real Property Customer Guide. Additional or upgraded services beyond those identified are provided by PBS on a reimbursable basis. Charges for certain recurring reimbursable services may be billed on the PBS Bill. Recurring charges for overtime utilities, enhanced custodial services, mechanical O&M HVAC, mechanical O&M Other and additional guard services are eligible for billing on the PBS Bill provided the tenant agency has been designated as a "participating agency". The charges must be initiated by the tenant agency and renewed annually. The recurring RWA processing fee will be assessed against each service billed.

##### Federal Construction

In the case of Federal construction, the parties agree that PBS is responsible for providing the funds necessary to acquire land (if appropriate), design and construct the building shell, and fund the tenant agency's tenant improvement allowance. The tenant agency is responsible for any tenant improvement costs

in excess of the tenant improvement allowance. The parties further agree that savings or cost over-runs on the acquisition of land or the design and construction of building shell will not result in increases or decreases in the tenant allowance amount, except in the case of prospectus level projects, where bids for the construction of the shell are over the approved budget. In this case, it is permissible to lower the tenant allowance in order to increase the shell budget, but only with approval of the tenant agency. The tenant agency can appeal to the PBS asset manager in cases in which the agency's assigned tenant improvement allowance is inadequate to provide basic functionality for the space.

### **Federal Rent Charges**

Federal rental charges will consist of a shell rent plus amortized tenant improvements, if applicable. There may be additional charges for operating expenses, security, joint use, parking, and other space items such as antennas. In 2017, GSA transitions to 10-year rates for occupancies in buildings where new appraisals are available. OAs will be transitioned to a 10-year rate as the current shell rate terms expire. The shell or "as is" rent will be reset every 10 years. For OAs in a building without a new 10-year appraisal, the shell rate or as is rate will continue to be set for periods up to but not beyond 5 years. These OAs will transition to the new 10-year rate no later than FY22 as their current rate terms expire. In the case of buildings priced on a "Return on Investment" approach, the rent attributable to the original shell improvements will remain level for the duration of the OA. If additional capitalized shell replacements or improvements are made, the Shell Rent rate will be adjusted every 5 years to reflect the additional investment. Charges for operating expenses, joint use space, parking, antennas and security may be adjusted on an annual basis.

### **Financial Terms**

While this Occupancy Agreement (OA) addresses financial terms that cover multiple fiscal years, the parties agree that unless otherwise specified: The tenant agency may relinquish space upon four (4) months notice. Thus, at any future time, the tenant agency's financial obligation can be reduced to four (4) months of rent, plus the unamortized balance of any tenant improvements financed through PBS, plus any rent concession not yet earned. Any free Rent or other concession given at the beginning of the occupancy term must be allocated on a pro-rata basis over the entire OA term, and the unearned balance repaid to PBS. The tenant's financial obligations for years beyond the current year do not mature until the later year(s) are reached. Thus, there is no requirement that the tenant agency certify that current year funds are available to defray future year obligations. Any free Rent or other concession given at the beginning of the occupancy term (for all occupancy types) must be allocated on a pro-rata basis over the entire OA term, and the unearned balance repaid to PBS.

The tenant's financial obligations for years beyond the current year do not mature until the later year(s) are reached. Thus, there is no requirement that the tenant agency certify that current year funds are available to defray future year obligations.

The tenant's future years obligation to pay Rent is subject to the availability of funds, but the tenant agrees to make a good faith effort to meet its obligations as they arise.

### **Move Cost Responsibilities**

At the end of this OA term, if the tenant cannot remain in the space covered by this OA, the tenant is responsible for funding the physical move to new space. In the event PBS displaces or allows another user to displace the tenant before the expiration of the OA term, PBS must fund, or require the new user to fund, the tenant's physical move, and relocation of the tenant's telecommunications equipment. PBS must also reimburse, or require the new user to reimburse, the tenant for the undepreciated value of any lump sum payments the tenant made toward tenant improvements and the Rent differential at the new location until the displaced agency has time to budget. The Rent differential is calculated on all elements of Rent except the amortized tenant improvement cost. In the event of a PBS disposal of a building or an approved prospectus project requiring the agency relocation from this space before the expiration of the OA term, PBS will fund tenant agency move costs unless PBS has provided 3 years' written notice of the action. In the

event PBS provides 3 years' written notice, the agency is responsible for funding the physical move to new space.

### **Obligation to Pay Rent**

The Tenant agency's obligation to pay rent for the space governed by this OA commences when both of the following occur: the space is substantially complete and operationally functional. Occupancy and rent start will be coordinated with the Tenant.

1. The space is ready for occupancy of personal property, typically the substantial completion date. Substantial completion is signaled by PBS's acceptance of the space as substantially complete in accordance with the general construction contract documents. "Substantially complete" and "substantial completion" mean that the work, the common and other areas of the building, and all other things necessary for the Government's access to the premises and occupancy, possession, use and enjoyment thereof, as provided in the general construction contract, have been completed or obtained, excepting only such minor matters as do not interfere with or materially diminish such access, occupancy, possession, use or enjoyment

. PBS will offer to an authorized representative of the Tenant the opportunity to participate in a walk-through of the space prior to final acceptance of the space as substantially complete by PBS. The authorized representative of the Tenant will make himself or herself available so as to not delay the walk-through of the space. The authorized representatives of PBS and the Tenant will itemize any defects and omissions (D&Os, or "punch list") of the construction project that will need to be corrected prior to final contract payment. Provided that the D&Os are minor matters not materially diminishing use of the space, the authorized representative of PBS, acting on behalf of the Government and its Tenant, will determine substantial completion.

2. The space is operationally functional. Operationally functional means that the building systems included in the general construction contract must function and GSA-provided building-specific safety and security features must be operational. Related space that is necessary for a Tenant to function due to workflow adjacencies must be complete before rent commences

For large projects that entail phased occupancy of the Tenant's space, rent will commence on the individual blocks of space when they are substantially complete and operationally functional. The blocks will be added to the Agency Space Assignment (ASA) incrementally. In the case of phased occupancy with separate ASAs (example, different Agency/Bureau codes), the rent start date for each ASA will occur when the space associated with it is substantially complete and operationally functional.

If there is a substantial punch list for the space that would interfere with the Tenant's full access, occupancy, possession, use and enjoyment of the space, and the Tenant chooses to move in anyway, GSA will negotiate a rent discount with the Tenant while the punch list work is being completed. If after hours work is required, GSA will ensure that adequate security is provided while the contractor is in the Tenant's space.

Once the above 'substantially complete' and 'operationally functional' requirements have been met, rent will commence. GSA does not provide tenant agencies a grace period prior to rent commencement to accomplish the physical move into the space or to allow for the installation of personal property such as phones, furniture, computers, etc. However, rent should not start until those personal property items that have been included in the General Services Administration's general construction contract, such as telephone and data systems or audio/video systems, are operational unless the Tenant chooses to move into the space pursuant to the preceding paragraph.

### **Occupancy Agreement Iterations**

The parties hereby agree that iterations of OAs prepared before completion of a building design, and before final security/joint use charges are provided, contain preliminary financial terms only. Financial terms in preliminary OAs are estimates for budgeting purposes, and are updated through additional OA versions as business terms evolve throughout the space acquisition. Accordingly, execution by the tenant agency on preliminary OAs constitutes that agency's commitment to the project, and is required prior to PBS awarding any contract for: design, construction/alterations, and/or a lease. Until site purchase or contract award to a design architect, the tenant agency has the right to cancel the proposed project without financial obligation.

### **PBS Services**

The services that PBS provides may be found in the fourth edition of the Pricing Desk Guide. Unless PBS provides otherwise in writing, the cost of these services is included in PBS's rents and fees. Any services beyond those identified in the Pricing Desk Guide are provided by PBS for an additional charge.

### **Payment of Tenant Improvements**

The tenant agency must pay for tenant improvements in excess of the allowance by RWA. The tenant agency also has the right to pay lump sum for tenant improvements below the allowance threshold. The ability to make lump sum payments below the allowance threshold is only available at assignment inception, and only for the customization component of the allowance in new space. In backfill or relet space, if the tenant can accept existing tenant improvements "as is" or with modifications, the tenant can elect to waive all or part of the general allowance. Further, once the tenant allowance is set, if the agency then wishes to make a lump sum payment for improvements which are charged against the allowance, PBS cannot accept payments below the allowance threshold by RWA.

### **Replacement Responsibilities**

The parties agree that PBS is amortizing through a specific charge in Rent the portion of the tenant improvement allowance the tenant elects to use. The tenant has funding responsibility for replacement, renewal or alteration of tenant improvements. PBS is responsible for replacement and renewal of all building shell elements.

### **Tenant Agency Move**

In the event the space covered by this OA involves a tenant agency move, once a design and construction schedule has been established it must be incorporated into this OA. Once part of this OA, the schedule becomes binding upon the tenant agency as well as upon PBS. Delay in project completion caused by either a) tenant agency failure to meet the review and approval times provided in the construction schedule, or b) tenant changes to project scope, will be borne by the tenant agency. As a consequence of tenant-caused delay, PBS may decline to postpone the scheduled substantial completion date (thereby advancing Rent commencement for the space) by the duration of the tenant-caused delay, on a day-to-day basis; this may result in rent charges at two locations simultaneously for the tenant. Additional direct expenses caused through tenant-caused delay or changes in project scope are chargeable against the tenant allowance; in the event the tenant allowance has been exhausted, the tenant must pay the lump sum cost by RWA. In summary, the tenant is responsible for the delay claim of the affected contractor and for rent that GSA budgeted to start on the date included in the Occupancy Agreement. If partial occupancy of the building is not possible due to one agency change, that agency is liable for the other tenant's rent who are unable to occupy their space on the date contained in their Occupancy Agreement. The rent start date should be adjusted for delay of occupancy caused by PBS failing to deliver the real property on time. The rent start date should not be adjusted for delay of occupancy caused by a GSA contractor failing to install personal property on time with one exception. For those personal property items that have been included in the general construction contract, such as telephone and data systems, or audio/video systems, and the systems are not ready, the rent start date should be adjusted. Delayed furniture delivery and installation, which is not part of the general construction contract, is not reason for delaying the rent start date. In its role as building owner, PBS may also be the cause of delay. Expenses associated with PBS-caused delay incurred by the tenant, for such things as additional storage for furniture, re-procurement expense, or additional consulting

fees, will be credited against the tenant's rent obligation to PBS for the new space. In the case of excusable delay (e.g., force majeure or any other delay the cause of which is beyond the reasonable control of either PBS or the tenant agency), neither PBS nor the tenant agency may pursue the other for the consequences of the delay.

### **Environmental and Safety Standards and Regulations**

The tenant agency will comply with all applicable Federal, State, and local environmental, health & safety laws and regulations, such as but not limited to those issued by the U.S. Environmental Protection Agency (EPA) under Title 40 of the Code of Federal Regulations (CFR); the U.S. Occupational Safety and Health Administration (OSHA) under Title 29 of the CFR; the Federal Management Regulation sections that relate to safety and environmental management (41 CFR part 102-80, subpart B); and all applicable laws and regulations set by State and local regulatory agencies.

### **Other Mandatory Clauses**

#### **JU Space Details**

The agency share of Joint Use Spaces is 1,261.59 rentable square feet, \$58,347.05 Annual which is further defined as:

	Rentable Space RSF	Rentable Space Annual
JOHN W. MCCORMACK BUILDING (MA0013), 5 Post Office Sq	1,261.59	\$58,347.05

### **Security Services**

Beginning in FY 2005, payment for FPS provided Basic and Building Specific Operating Security will be made to the Federal Protective Service (FPS), Department of Homeland Security (DHS) and will be separate from rental payments to GSA (OMB Object Class 23.1). Charges for FPS provided security are determined by, and may be obtained from, FPS.

### **Federal Judiciary Mandatory Clause**

#### **Tenant Improvement Terms**

### **Optional Clauses**

#### **Ad Hoc Clauses**

#### **Spatial Data Management (SDM)-Space Verifications**

This building has completed a Spatial Data Management re-measurement. GSA will periodically verify space in the building covered by this Occupancy Agreement in order to ensure compliance with PBS

application of the ANSI/BOMA measurement standard. As a result of these space verifications, tenants may experience changes in square footage and/or changes in rental rates (due to a change in the building's rentable/usable factor) which may change their overall rent bill. Should there be any changes found during verification, tenants will be notified prior to these changes being implemented to their occupancy and will be given proper time to budget for any rental increase or decrease.

I agree to the initial terms with the understanding modifications will be made over time.

## Signed Agreement and Financial Summary

### OCCUPANCY AGREEMENT

Between

(b)(5)

And

GENERAL SERVICES ADMINISTRATION

AMA03234	Final	Version:	39	Date Last Modified:	02-Oct-2018
MA0013ZZ				Extension of Term - 10-Year	

(b)(5) will occupy 1,184.34 usable (1,762.08 rentable) square feet of space and 0 structured parking spaces and 0 surface parking spaces at JOHN W. MCCORMACK BUILDING (MA0013) located at 5 Post Office Sq, BOSTON, MA, for a period of 120 months commencing on or about 10/01/2019.

The agency share of Joint Use Spaces is 82.73 rentable square feet.

(b)(5) will pay the General Services Administration rent in accordance with the attached page(s). The rental will be adjusted annually for operating cost.

(b)(5) will pay the General Services Administration additional rent for prorated share of joint use space associated with this location, if any.

Additional/reduced services are shown on the attached Occupancy Agreement Financial Summary.

#### Mandatory Clauses

##### Promoting Efficient Spending

##### Reduce the Footprint

The Office of Management and Budget Memorandum, "Promoting Efficient Spending to Support Agency Operations" issued on May 11, 2012 and Management Procedures Memorandum issued on March 25, 2015, have established a Reduce the Footprint policy for executive agencies. PBS - MAINTENANCE AND CUSTODIAL OPERATIONS is responsible for making sure their space request is consistent with any applicable square foot reduction targets and can contact TotalWorkplace@gsa.gov for help developing agency-wide space design standards that optimize their space usage.

##### Federal Specific Mandatory Clauses

##### Alterations by Tenant Agency

The tenant agency agrees that it will undertake no alterations to the real property governed by this OA without prior approval from PBS.

##### Building Services

Building services to be provided are outlined in the PBS Real Property Customer Guide. Additional or upgraded services beyond those identified are provided by PBS on a reimbursable basis. Charges for certain recurring reimbursable services may be billed on the PBS Bill. Recurring charges for overtime utilities, enhanced custodial services, mechanical O&M HVAC, mechanical O&M Other and additional guard services are eligible for billing on the PBS Bill provided the tenant agency has been designated as a

"participating agency". The charges must be initiated by the tenant agency and renewed annually. The recurring RWA processing fee will be assessed against each service billed.

### **Federal Construction**

In the case of Federal construction, the parties agree that PBS is responsible for providing the funds necessary to acquire land (if appropriate), design and construct the building shell, and fund the tenant agency's tenant improvement allowance. The tenant agency is responsible for any tenant improvement costs in excess of the tenant improvement allowance. The parties further agree that savings or cost over-runs on the acquisition of land or the design and construction of building shell will not result in increases or decreases in the tenant allowance amount, except in the case of prospectus level projects, where bids for the construction of the shell are over the approved budget. In this case, it is permissible to lower the tenant allowance in order to increase the shell budget, but only with approval of the tenant agency. The tenant agency can appeal to the PBS asset manager in cases in which the agency's assigned tenant improvement allowance is inadequate to provide basic functionality for the space.

### **Federal Rent Charges**

Federal rental charges will consist of a shell rent plus amortized tenant improvements, if applicable. There may be additional charges for operating expenses, security, joint use, parking, and other space items such as antennas. In 2017, GSA transitions to 10-year rates for occupancies in buildings where new appraisals are available. OAs will be transitioned to a 10-year rate as the current shell rate terms expire. The shell or "as is" rent will be reset every 10 years. For OAs in a building without a new 10-year appraisal, the shell rate or as is rate will continue to be set for periods up to but not beyond 5 years. These OAs will transition to the new 10-year rate no later than FY22 as their current rate terms expire. In the case of buildings priced on a "Return on Investment" approach, the rent attributable to the original shell improvements will remain level for the duration of the OA. If additional capitalized shell replacements or improvements are made, the Shell Rent rate will be adjusted every 5 years to reflect the additional investment. Charges for operating expenses, joint use space, parking, antennas and security may be adjusted on an annual basis.

### **Financial Terms**

While this Occupancy Agreement (OA) addresses financial terms that cover multiple fiscal years, the parties agree that unless otherwise specified: The tenant agency may relinquish space upon four (4) months notice. Thus, at any future time, the tenant agency's financial obligation can be reduced to four (4) months of rent, plus the unamortized balance of any tenant improvements financed through PBS, plus any rent concession not yet earned. Any free Rent or other concession given at the beginning of the occupancy term must be allocated on a pro-rata basis over the entire OA term, and the unearned balance repaid to PBS. The tenant's financial obligations for years beyond the current year do not mature until the later year(s) are reached. Thus, there is no requirement that the tenant agency certify that current year funds are available to defray future year obligations. Any free Rent or other concession given at the beginning of the occupancy term (for all occupancy types) must be allocated on a pro-rata basis over the entire OA term, and the unearned balance repaid to PBS.

The tenant's financial obligations for years beyond the current year do not mature until the later year(s) are reached. Thus, there is no requirement that the tenant agency certify that current year funds are available to defray future year obligations.

The tenant's future years obligation to pay Rent is subject to the availability of funds, but the tenant agrees to make a good faith effort to meet its obligations as they arise.

### **Move Cost Responsibilities**

At the end of this OA term, if the tenant cannot remain in the space covered by this OA, the tenant is responsible for funding the physical move to new space. In the event PBS displaces or allows another user to displace the tenant before the expiration of the OA term, PBS must fund, or require the new user to fund,

the tenant's physical move, and relocation of the tenant's telecommunications equipment. PBS must also reimburse, or require the new user to reimburse, the tenant for the undepreciated value of any lump sum payments the tenant made toward tenant improvements and the Rent differential at the new location until the displaced agency has time to budget. The Rent differential is calculated on all elements of Rent except the amortized tenant improvement cost. In the event of a PBS disposal of a building or an approved prospectus project requiring the agency relocation from this space before the expiration of the OA term, PBS will fund tenant agency move costs unless PBS has provided 3 years' written notice of the action. In the event PBS provides 3 years' written notice, the agency is responsible for funding the physical move to new space.

### **Obligation to Pay Rent**

The Tenant agency's obligation to pay rent for the space governed by this OA commences when both of the following occur: the space is substantially complete and operationally functional. Occupancy and rent start will be coordinated with the Tenant.

1. The space is ready for occupancy of personal property, typically the substantial completion date. Substantial completion is signaled by PBS's acceptance of the space as substantially complete in accordance with the general construction contract documents. "Substantially complete" and "substantial completion" mean that the work, the common and other areas of the building, and all other things necessary for the Government's access to the premises and occupancy, possession, use and enjoyment thereof, as provided in the general construction contract, have been completed or obtained, excepting only such minor matters as do not interfere with or materially diminish such access, occupancy, possession, use or enjoyment

. PBS will offer to an authorized representative of the Tenant the opportunity to participate in a walk-through of the space prior to final acceptance of the space as substantially complete by PBS. The authorized representative of the Tenant will make himself or herself available so as to not delay the walk-through of the space. The authorized representatives of PBS and the Tenant will itemize any defects and omissions (D&Os, or "punch list") of the construction project that will need to be corrected prior to final contract payment. Provided that the D&Os are minor matters not materially diminishing use of the space, the authorized representative of PBS, acting on behalf of the Government and its Tenant, will determine substantial completion.

2. The space is operationally functional. Operationally functional means that the building systems included in the general construction contract must function and GSA-provided building-specific safety and security features must be operational. Related space that is necessary for a Tenant to function due to workflow adjacencies must be complete before rent commences

For large projects that entail phased occupancy of the Tenant's space, rent will commence on the individual blocks of space when they are substantially complete and operationally functional. The blocks will be added to the Agency Space Assignment (ASA) incrementally. In the case of phased occupancy with separate ASAs (example, different Agency/Bureau codes), the rent start date for each ASA will occur when the space associated with it is substantially complete and operationally functional.

If there is a substantial punch list for the space that would interfere with the Tenant's full access, occupancy, possession, use and enjoyment of the space, and the Tenant chooses to move in anyway, GSA will negotiate a rent discount with the Tenant while the punch list work is being completed. If after hours work is required, GSA will ensure that adequate security is provided while the contractor is in the Tenant's space.

Once the above 'substantially complete' and 'operationally functional' requirements have been met, rent will commence. GSA does not provide tenant agencies a grace period prior to rent commencement to accomplish the physical move into the space or to allow for the installation of personal property such as phones,

furniture, computers, etc. However, rent should not start until those personal property items that have been included in the General Services Administration's general construction contract, such as telephone and data systems or audio/video systems, are operational unless the Tenant chooses to move into the space pursuant to the preceding paragraph.

### **Occupancy Agreement Iterations**

The parties hereby agree that iterations of OAs prepared before completion of a building design, and before final security/joint use charges are provided, contain preliminary financial terms only. Financial terms in preliminary OAs are estimates for budgeting purposes, and are updated through additional OA versions as business terms evolve throughout the space acquisition. Accordingly, execution by the tenant agency on preliminary OAs constitutes that agency's commitment to the project, and is required prior to PBS awarding any contract for: design, construction/alterations, and/or a lease. Until site purchase or contract award to a design architect, the tenant agency has the right to cancel the proposed project without financial obligation.

### **PBS Services**

The services that PBS provides may be found in the fourth edition of the Pricing Desk Guide. Unless PBS provides otherwise in writing, the cost of these services is included in PBS's rents and fees. Any services beyond those identified in the Pricing Desk Guide are provided by PBS for an additional charge.

### **Payment of Tenant Improvements**

The tenant agency must pay for tenant improvements in excess of the allowance by RWA. The tenant agency also has the right to pay lump sum for tenant improvements below the allowance threshold. The ability to make lump sum payments below the allowance threshold is only available at assignment inception, and only for the customization component of the allowance in new space. In backfill or relet space, if the tenant can accept existing tenant improvements "as is" or with modifications, the tenant can elect to waive all or part of the general allowance. Further, once the tenant allowance is set, if the agency then wishes to make a lump sum payment for improvements which are charged against the allowance, PBS cannot accept payments below the allowance threshold by RWA.

### **OA Renewal**

In the event of a continued occupancy after expiration with no additional space and with no additional tenant improvements provided, the tenant agency will be financially responsible for an extension of this agreement at the market rates in place at the time of the expiration. The rates and term of the extension will be set according to the policy at the time of the extension. The tenant agency rights to relinquish space as specified in this OA remain in effect.

### **Replacement Responsibilities**

The parties agree that PBS is amortizing through a specific charge in Rent the portion of the tenant improvement allowance the tenant elects to use. The tenant has funding responsibility for replacement, renewal or alteration of tenant improvements. PBS is responsible for replacement and renewal of all building shell elements.

### **Tenant Agency Move**

In the event the space covered by this OA involves a tenant agency move, once a design and construction schedule has been established it must be incorporated into this OA. Once part of this OA, the schedule becomes binding upon the tenant agency as well as upon PBS. Delay in project completion caused by either a) tenant agency failure to meet the review and approval times provided in the construction schedule, or b) tenant changes to project scope, will be borne by the tenant agency. As a consequence of tenant-caused delay, PBS may decline to postpone the scheduled substantial completion date (thereby advancing Rent commencement for the space) by the duration of the tenant-caused delay, on a day-to-day basis; this may result in rent charges at two locations simultaneously for the tenant. Additional direct expenses caused through tenant-caused delay or changes in project scope are chargeable against the tenant allowance; in the event the tenant allowance has been exhausted, the tenant must pay the lump sum cost by RWA. In

summary, the tenant is responsible for the delay claim of the affected contractor and for rent that GSA budgeted to start on the date included in the Occupancy Agreement. If partial occupancy of the building is not possible due to one agency change, that agency is liable for the other tenant's rent who are unable to occupy their space on the date contained in their Occupancy Agreement. The rent start date should be adjusted for delay of occupancy caused by PBS failing to deliver the real property on time. The rent start date should not be adjusted for delay of occupancy caused by a GSA contractor failing to install personal property on time with one exception. For those personal property items that have been included in the general construction contract, such as telephone and data systems, or audio/video systems, and the systems are not ready, the rent start date should be adjusted. Delayed furniture delivery and installation, which is not part of the general construction contract, is not reason for delaying the rent start date. In its role as building owner, PBS may also be the cause of delay. Expenses associated with PBS-caused delay incurred by the tenant, for such things as additional storage for furniture, re-procurement expense, or additional consulting fees, will be credited against the tenant's rent obligation to PBS for the new space. In the case of excusable delay (e.g., force majeure or any other delay the cause of which is beyond the reasonable control of either PBS or the tenant agency), neither PBS nor the tenant agency may pursue the other for the consequences of the delay.

### **Environmental and Safety Standards and Regulations**

The tenant agency will comply with all applicable Federal, State, and local environmental, health & safety laws and regulations, such as but not limited to those issued by the U.S. Environmental Protection Agency (EPA) under Title 40 of the Code of Federal Regulations (CFR); the U.S. Occupational Safety and Health Administration (OSHA) under Title 29 of the CFR; the Federal Management Regulation sections that relate to safety and environmental management (41 CFR part 102-80, subpart B); and all applicable laws and regulations set by State and local regulatory agencies.

### **GSA Mandatory Clauses**

#### **Space Utilization for GSA Occupancy**

Tenant agency personnel in this space include 1 federal employees and 0 contractors. The utilization rate for this space will be 1184.34 USF/person. For instructions on how to count personnel, please refer to the GSA directive OAS P 7005.1 Internal Space Allocation, Design, and Management Policy

### **Other Mandatory Clauses**

#### **Continuing Occupancies - 10-Year Levelized Rates**

This OA is being extended to reflect the continuing requirement of your current assignment. There have been no changes to the usable square footage and no tenant improvement costs have been added. PBS has transitioned to 10-year levelized rate appraisals, and the shell term has been extended for an additional 10 years or through the remainder of this OA's term, whichever occurs first, at new appraised shell and operating rates per GSA PBS Pricing Policy. This OA is considered FINAL and does not require agency signature. Please notify GSA within 60 days if you disagree with any of the terms and conditions expressed in this agreement.

### **JU Space Details**

The agency share of Joint Use Spaces is 82.73 rentable square feet, \$3,825.98 Annual which is further defined as:

	Rentable Space RSF	Rentable Space Annual
JOHN W. MCCORMACK BUILDING (MA0013), 5 Post Office Sq	82.73	\$3,825.98

### **Security Services**

Beginning in FY 2005, payment for FPS provided Basic and Building Specific Operating Security will be made to the Federal Protective Service (FPS), Department of Homeland Security (DHS) and will be

separate from rental payments to GSA (OMB Object Class 23.1). Charges for FPS provided security are determined by, and may be obtained from, FPS.

**Optional Clauses**

**Ad Hoc Clauses**

**Spatial Data Management (SDM)- Space Verifications**

This building has completed a Spatial Data Management re-measurement. GSA will periodically verify space in the building covered by this Occupancy Agreement in order to ensure compliance with PBS application of the ANSI/BOMA measurement standard. As a result of these space verification's, tenants may experience changes in square footage and/or changes in rental rates (due to a change in the building's rentable/usable factor) which may change their overall rent bill. Should there be any changes found during verification, tenants will be notified prior to these changes being implemented to their occupancy and will be given proper time to budget for any rental increase or decrease.

I agree to the initial terms with the understanding modifications will be made over time.

## Signed Agreement and Financial Summary

### OCCUPANCY AGREEMENT

Between

(b)(5)

And

GENERAL SERVICES ADMINISTRATION

AMA03268	Final	Version:	26	Date Last Modified:	01-Oct-2018
MA0013ZZ			S0E	Annual Operating Cost Escalation	

(b)(5) will occupy 4,904.32 usable ( 7,296.74 rentable) square feet of space and 0 structured parking spaces and 0 surface parking spaces at JOHN W. MCCORMACK BUILDING (MA0013) located at 5 Post Office Sq, BOSTON, MA, for a period of 36 months commencing on or about 10/01/2018.  
The agency share of Joint Use Spaces is 342.57 rentable square feet. The agency share of Joint Use Structured Parking Spaces is 0.01 parking spaces.

(b)(5) will pay the General Services Administration rent in accordance with the attached page(s). The rental will be adjusted annually for operating cost.

(b)(5) will pay the General Services Administration additional rent for prorated share of joint use space associated with this location, if any.

Additional/reduced services are shown on the attached Occupancy Agreement Financial Summary.

#### Mandatory Clauses

##### Promoting Efficient Spending

##### Reduce the Footprint

The Office of Management and Budget Memorandum, "Promoting Efficient Spending to Support Agency Operations" issued on May 11, 2012 and Management Procedures Memorandum issued on March 25, 2015, have established a Reduce the Footprint policy for executive agencies. SOCIAL SECURITY ADMINISTRATION is responsible for making sure their space request is consistent with any applicable square foot reduction targets and can contact TotalWorkplace@gsa.gov for help developing agency-wide space design standards that optimize their space usage.

##### Federal Specific Mandatory Clauses

##### Alterations by Tenant Agency

The tenant agency agrees that it will undertake no alterations to the real property governed by this OA without prior approval from PBS.

##### Building Services

Building services to be provided are outlined in the PBS Real Property Customer Guide. Additional or upgraded services beyond those identified are provided by PBS on a reimbursable basis. Charges for certain recurring reimbursable services may be billed on the PBS Bill. Recurring charges for overtime utilities, enhanced custodial services, mechanical O&M HVAC, mechanical O&M Other and additional guard services are eligible for billing on the PBS Bill provided the tenant agency has been designated as a

"participating agency". The charges must be initiated by the tenant agency and renewed annually. The recurring RWA processing fee will be assessed against each service billed.

### **Federal Construction**

In the case of Federal construction, the parties agree that PBS is responsible for providing the funds necessary to acquire land (if appropriate), design and construct the building shell, and fund the tenant agency's tenant improvement allowance. The tenant agency is responsible for any tenant improvement costs in excess of the tenant improvement allowance. The parties further agree that savings or cost over-runs on the acquisition of land or the design and construction of building shell will not result in increases or decreases in the tenant allowance amount, except in the case of prospectus level projects, where bids for the construction of the shell are over the approved budget. In this case, it is permissible to lower the tenant allowance in order to increase the shell budget, but only with approval of the tenant agency. The tenant agency can appeal to the PBS asset manager in cases in which the agency's assigned tenant improvement allowance is inadequate to provide basic functionality for the space.

### **Federal Rent Charges**

Federal rental charges will consist of a shell rent plus amortized tenant improvements, if applicable. There may be additional charges for operating expenses, security, joint use, parking, and other space items such as antennas. In 2017, GSA transitions to 10-year rates for occupancies in buildings where new appraisals are available. OAs will be transitioned to a 10-year rate as the current shell rate terms expire. The shell or "as is" rent will be reset every 10 years. For OAs in a building without a new 10-year appraisal, the shell rate or as is rate will continue to be set for periods up to but not beyond 5 years. These OAs will transition to the new 10-year rate no later than FY22 as their current rate terms expire. In the case of buildings priced on a "Return on Investment" approach, the rent attributable to the original shell improvements will remain level for the duration of the OA. If additional capitalized shell replacements or improvements are made, the Shell Rent rate will be adjusted every 5 years to reflect the additional investment. Charges for operating expenses, joint use space, parking, antennas and security may be adjusted on an annual basis.

### **Financial Terms**

While this Occupancy Agreement (OA) addresses financial terms that cover multiple fiscal years, the parties agree that unless otherwise specified: The tenant agency may relinquish space upon four (4) months notice. Thus, at any future time, the tenant agency's financial obligation can be reduced to four (4) months of rent, plus the unamortized balance of any tenant improvements financed through PBS, plus any rent concession not yet earned. Any free Rent or other concession given at the beginning of the occupancy term must be allocated on a pro-rata basis over the entire OA term, and the unearned balance repaid to PBS. The tenant's financial obligations for years beyond the current year do not mature until the later year(s) are reached. Thus, there is no requirement that the tenant agency certify that current year funds are available to defray future year obligations. Any free Rent or other concession given at the beginning of the occupancy term (for all occupancy types) must be allocated on a pro-rata basis over the entire OA term, and the unearned balance repaid to PBS.

The tenant's financial obligations for years beyond the current year do not mature until the later year(s) are reached. Thus, there is no requirement that the tenant agency certify that current year funds are available to defray future year obligations.

The tenant's future years obligation to pay Rent is subject to the availability of funds, but the tenant agrees to make a good faith effort to meet its obligations as they arise.

### **Move Cost Responsibilities**

At the end of this OA term, if the tenant cannot remain in the space covered by this OA, the tenant is responsible for funding the physical move to new space. In the event PBS displaces or allows another user to displace the tenant before the expiration of the OA term, PBS must fund, or require the new user to fund,

the tenant's physical move, and relocation of the tenant's telecommunications equipment. PBS must also reimburse, or require the new user to reimburse, the tenant for the undepreciated value of any lump sum payments the tenant made toward tenant improvements and the Rent differential at the new location until the displaced agency has time to budget. The Rent differential is calculated on all elements of Rent except the amortized tenant improvement cost. In the event of a PBS disposal of a building or an approved prospectus project requiring the agency relocation from this space before the expiration of the OA term, PBS will fund tenant agency move costs unless PBS has provided 3 years' written notice of the action. In the event PBS provides 3 years' written notice, the agency is responsible for funding the physical move to new space.

### **Obligation to Pay Rent**

The Tenant agency's obligation to pay rent for the space governed by this OA commences when both of the following occur: the space is substantially complete and operationally functional. Occupancy and rent start will be coordinated with the Tenant.

1. The space is ready for occupancy of personal property, typically the substantial completion date. Substantial completion is signaled by PBS's acceptance of the space as substantially complete in accordance with the general construction contract documents. "Substantially complete" and "substantial completion" mean that the work, the common and other areas of the building, and all other things necessary for the Government's access to the premises and occupancy, possession, use and enjoyment thereof, as provided in the general construction contract, have been completed or obtained, excepting only such minor matters as do not interfere with or materially diminish such access, occupancy, possession, use or enjoyment

. PBS will offer to an authorized representative of the Tenant the opportunity to participate in a walk-through of the space prior to final acceptance of the space as substantially complete by PBS. The authorized representative of the Tenant will make himself or herself available so as to not delay the walk-through of the space. The authorized representatives of PBS and the Tenant will itemize any defects and omissions (D&Os, or "punch list") of the construction project that will need to be corrected prior to final contract payment. Provided that the D&Os are minor matters not materially diminishing use of the space, the authorized representative of PBS, acting on behalf of the Government and its Tenant, will determine substantial completion.

2. The space is operationally functional. Operationally functional means that the building systems included in the general construction contract must function and GSA-provided building-specific safety and security features must be operational. Related space that is necessary for a Tenant to function due to workflow adjacencies must be complete before rent commences

For large projects that entail phased occupancy of the Tenant's space, rent will commence on the individual blocks of space when they are substantially complete and operationally functional. The blocks will be added to the Agency Space Assignment (ASA) incrementally. In the case of phased occupancy with separate ASAs (example, different Agency/Bureau codes), the rent start date for each ASA will occur when the space associated with it is substantially complete and operationally functional.

If there is a substantial punch list for the space that would interfere with the Tenant's full access, occupancy, possession, use and enjoyment of the space, and the Tenant chooses to move in anyway, GSA will negotiate a rent discount with the Tenant while the punch list work is being completed. If after hours work is required, GSA will ensure that adequate security is provided while the contractor is in the Tenant's space.

Once the above 'substantially complete' and 'operationally functional' requirements have been met, rent will commence. GSA does not provide tenant agencies a grace period prior to rent commencement to accomplish the physical move into the space or to allow for the installation of personal property such as phones,

furniture, computers, etc. However, rent should not start until those personal property items that have been included in the General Services Administration's general construction contract, such as telephone and data systems or audio/video systems, are operational unless the Tenant chooses to move into the space pursuant to the preceding paragraph.

### **Occupancy Agreement Iterations**

The parties hereby agree that iterations of OAs prepared before completion of a building design, and before final security/joint use charges are provided, contain preliminary financial terms only. Financial terms in preliminary OAs are estimates for budgeting purposes, and are updated through additional OA versions as business terms evolve throughout the space acquisition. Accordingly, execution by the tenant agency on preliminary OAs constitutes that agency's commitment to the project, and is required prior to PBS awarding any contract for: design, construction/alterations, and/or a lease. Until site purchase or contract award to a design architect, the tenant agency has the right to cancel the proposed project without financial obligation.

### **PBS Services**

The services that PBS provides may be found in the fourth edition of the Pricing Desk Guide. Unless PBS provides otherwise in writing, the cost of these services is included in PBS's rents and fees. Any services beyond those identified in the Pricing Desk Guide are provided by PBS for an additional charge.

### **Payment of Tenant Improvements**

The tenant agency must pay for tenant improvements in excess of the allowance by RWA. The tenant agency also has the right to pay lump sum for tenant improvements below the allowance threshold. The ability to make lump sum payments below the allowance threshold is only available at assignment inception, and only for the customization component of the allowance in new space. In backfill or relet space, if the tenant can accept existing tenant improvements "as is" or with modifications, the tenant can elect to waive all or part of the general allowance. Further, once the tenant allowance is set, if the agency then wishes to make a lump sum payment for improvements which are charged against the allowance, PBS cannot accept payments below the allowance threshold by RWA.

### **Replacement Responsibilities**

The parties agree that PBS is amortizing through a specific charge in Rent the portion of the tenant improvement allowance the tenant elects to use. The tenant has funding responsibility for replacement, renewal or alteration of tenant improvements. PBS is responsible for replacement and renewal of all building shell elements.

### **Tenant Agency Move**

In the event the space covered by this OA involves a tenant agency move, once a design and construction schedule has been established it must be incorporated into this OA. Once part of this OA, the schedule becomes binding upon the tenant agency as well as upon PBS. Delay in project completion caused by either a) tenant agency failure to meet the review and approval times provided in the construction schedule, or b) tenant changes to project scope, will be borne by the tenant agency. As a consequence of tenant-caused delay, PBS may decline to postpone the scheduled substantial completion date (thereby advancing Rent commencement for the space) by the duration of the tenant-caused delay, on a day-to-day basis; this may result in rent charges at two locations simultaneously for the tenant. Additional direct expenses caused through tenant-caused delay or changes in project scope are chargeable against the tenant allowance; in the event the tenant allowance has been exhausted, the tenant must pay the lump sum cost by RWA. In summary, the tenant is responsible for the delay claim of the affected contractor and for rent that GSA budgeted to start on the date included in the Occupancy Agreement. If partial occupancy of the building is not possible due to one agency change, that agency is liable for the other tenant's rent who are unable to occupy their space on the date contained in their Occupancy Agreement. The rent start date should be adjusted for delay of occupancy caused by PBS failing to deliver the real property on time. The rent start date should not be adjusted for delay of occupancy caused by a GSA contractor failing to install personal property on time with one exception. For those personal property items that have been included in the

general construction contract, such as telephone and data systems, or audio/video systems, and the systems are not ready, the rent start date should be adjusted. Delayed furniture delivery and installation, which is not part of the general construction contract, is not reason for delaying the rent start date. In its role as building owner, PBS may also be the cause of delay. Expenses associated with PBS-caused delay incurred by the tenant, for such things as additional storage for furniture, re-procurement expense, or additional consulting fees, will be credited against the tenant's rent obligation to PBS for the new space. In the case of excusable delay (e.g., force majeure or any other delay the cause of which is beyond the reasonable control of either PBS or the tenant agency), neither PBS nor the tenant agency may pursue the other for the consequences of the delay.

#### **Environmental and Safety Standards and Regulations**

The tenant agency will comply with all applicable Federal, State, and local environmental, health & safety laws and regulations, such as but not limited to those issued by the U.S. Environmental Protection Agency (EPA) under Title 40 of the Code of Federal Regulations (CFR); the U.S. Occupational Safety and Health Administration (OSHA) under Title 29 of the CFR; the Federal Management Regulation sections that relate to safety and environmental management (41 CFR part 102-80, subpart B); and all applicable laws and regulations set by State and local regulatory agencies.

#### **Other Mandatory Clauses**

##### **JU Space Details**

The agency share of Joint Use Spaces is 342.57 rentable square feet, \$15,843.29 Annual which is further defined as:

	Rentable Space RSF	Rentable Space Annual
JOHN W. MCCORMACK BUILDING (MA0013), 5 Post Office Sq	342.57	\$15,843.29

#### **Security Services**

Beginning in FY 2005, payment for FPS provided Basic and Building Specific Operating Security will be made to the Federal Protective Service (FPS), Department of Homeland Security (DHS) and will be separate from rental payments to GSA (OMB Object Class 23.1). Charges for FPS provided security are determined by, and may be obtained from, FPS.

#### **Social Security Administration Mandatory Clauses**

(b)(4)

(b)(4)

**Optional Clauses****Optional Clauses for All Occupancy Agreements****Continuing Occupancies - 5-Year Levelized Rates**

This OA is being extended to reflect the continuing requirement of your current assignment beginning 10/1/2016. There have been no changes to the usable square footage and no additional Tenant Improvement costs have been added. The shell term has been extended for an additional 5 years ( 60 months) at a new appraised shell and operating rate per GSA PBS Pricing Policy. This OA is considered FINAL and does not require agency signature. Please notify GSA within 60 days if you disagree with any of the terms and conditions expressed in this agreement.

**Ad Hoc Clauses****"Spatial Data Management (SDM) - Space Verificatio**

This building has completed a Spatial Data Management re-measurement. GSA will periodically verify space in the building covered by this Occupancy Agreement in order to ensure compliance with PBS application of the ANSI/BOMA measurement standard. As a result of these space verifications, tenants may experience changes in square footage and/or changes in rental rates (due to a change in the building's rentable/usable factor) which may change their overall rent bill. Should there be any changes found during verification, tenants will be notified prior to these changes being implemented to their occupancy and will be given proper time to budget for any rental increase or decrease.

I agree to the initial terms with the understanding modifications will be made over time.

### OCCUPANCY AGREEMENT

Between

(b)(5)

And

GENERAL SERVICES ADMINISTRATION

AMA03278	Final	Version:	23	Date Last Modified:	30-Sep-2018
MA0013ZZ				Fiscal Year Update	

(b)(5) will occupy 500.11 usable ( 744.07 rentable) square feet of space and 0 structured parking spaces and 0 surface parking spaces at JOHN W. MCCORMACK BUILDING (MA0013) located at 5 Post Office Sq, BOSTON, MA, for a period of 31 months commencing on or about 09/30/2018. The agency share of Joint Use Spaces is 34.93 rentable square feet.

(b)(5) will pay the General Services Administration rent in accordance with the attached page(s). The rental will be adjusted annually for operating cost.

(b)(5) will pay the General Services Administration additional rent for prorated share of joint use space associated with this location, if any.

Additional/reduced services are shown on the attached Occupancy Agreement Financial Summary.

#### Mandatory Clauses

##### Federal Specific Mandatory Clauses

##### Alterations by Tenant Agency

The tenant agency agrees that it will undertake no alterations to the real property governed by this OA without prior approval from PBS.

##### Building Services

Building services to be provided are outlined in the PBS Real Property Customer Guide. Additional or upgraded services beyond those identified are provided by PBS on a reimbursable basis. Charges for certain recurring reimbursable services may be billed on the PBS Bill. Recurring charges for overtime utilities, enhanced custodial services, mechanical O&M HVAC, mechanical O&M Other and additional guard services are eligible for billing on the PBS Bill provided the tenant agency has been designated as a "participating agency". The charges must be initiated by the tenant agency and renewed annually. The recurring RWA processing fee will be assessed against each service billed.

##### Federal Construction

In the case of Federal construction, the parties agree that PBS is responsible for providing the funds necessary to acquire land (if appropriate), design and construct the building shell, and fund the tenant agency's tenant improvement allowance. The tenant agency is responsible for any tenant improvement costs in excess of the tenant improvement allowance. The parties further agree that savings or cost over-runs on

the acquisition of land or the design and construction of building shell will not result in increases or decreases in the tenant allowance amount, except in the case of prospectus level projects, where bids for the construction of the shell are over the approved budget. In this case, it is permissible to lower the tenant allowance in order to increase the shell budget, but only with approval of the tenant agency. The tenant agency can appeal to the PBS asset manager in cases in which the agency's assigned tenant improvement allowance is inadequate to provide basic functionality for the space.

### **Federal Rent Charges**

Federal rental charges will consist of a shell rent plus amortized tenant improvements, if applicable. There may be additional charges for operating expenses, security, joint use, parking, and other space items such as antennas. In 2017, GSA transitions to 10-year rates for occupancies in buildings where new appraisals are available. OAs will be transitioned to a 10-year rate as the current shell rate terms expire. The shell or "as is" rent will be reset every 10 years. For OAs in a building without a new 10-year appraisal, the shell rate or as is rate will continue to be set for periods up to but not beyond 5 years. These OAs will transition to the new 10-year rate no later than FY22 as their current rate terms expire. In the case of buildings priced on a "Return on Investment" approach, the rent attributable to the original shell improvements will remain level for the duration of the OA. If additional capitalized shell replacements or improvements are made, the Shell Rent rate will be adjusted every 5 years to reflect the additional investment. Charges for operating expenses, joint use space, parking, antennas and security may be adjusted on an annual basis.

### **Financial Terms**

While this occupancy agreement (OA) addresses financial terms that cover multiple fiscal years, the parties agree that:

- 1) For all other types of occupancies and new occupancies prior to October 1, 2011 the tenant agency may relinquish space upon four (4) months notice. Thus, at any future time, the tenant agency's financial obligation can be reduced to four (4) months of rent, plus the unamortized balance of any tenant improvements financed through PBS, plus any rent concession not yet earned.
- 2) For new occupancies (new space assignments to PBS inventory) as of October 1, 2011 the tenant agency may relinquish space upon four (4) months' notice at any point after the first twelve (12) months of occupancy. Thus, after the first twelve (12) months of occupancy, the tenant agency's financial obligation can be reduced to four (4) months of Rent, plus the unamortized balance of any tenant improvements financed through PBS, plus any rent concession not yet earned.

Any free Rent or other concession given at the beginning of the occupancy term (for all occupancy types) must be allocated on a pro-rata basis over the entire OA term, and the unearned balance repaid to PBS.

The tenant's financial obligations for years beyond the current year do not mature until the later year(s) are reached. Thus, there is no requirement that the tenant agency certify that current year funds are available to defray future year obligations.

The tenant's future years obligation to pay Rent is subject to the availability of funds, but the tenant agrees to make a good faith effort to meet its obligations as they arise.

### **Move Cost Responsibilities**

At the end of this OA term, if the tenant cannot remain in the space covered by this OA, the tenant is responsible for funding the physical move to new space. In the event PBS displaces or allows another user to displace the tenant before the expiration of the OA term, PBS must fund, or require the new user to fund, the tenant's physical move, and relocation of the tenant's telecommunications equipment. PBS must also reimburse, or require the new user to reimburse, the tenant for the undepreciated value of any lump sum payments the tenant made toward tenant improvements and the Rent differential at the new location until

the displaced agency has time to budget. The Rent differential is calculated on all elements of Rent except the amortized tenant improvement cost. In the event of a PBS disposal of a building or an approved prospectus project requiring the agency relocation from this space before the expiration of the OA term, PBS will fund tenant agency move costs unless PBS has provided 3 years' written notice of the action. In the event PBS provides 3 years' written notice, the agency is responsible for funding the physical move to new space.

### **Obligation to Pay Rent**

The Tenant agency's obligation to pay rent for the space governed by this OA commences when both of the following occur: the space is substantially complete and operationally functional. Occupancy and rent start will be coordinated with the Tenant.

1. The space is ready for occupancy of personal property, typically the substantial completion date. Substantial completion is signaled by PBS's acceptance of the space as substantially complete in accordance with the general construction contract documents. "Substantially complete" and "substantial completion" mean that the work, the common and other areas of the building, and all other things necessary for the Government's access to the premises and occupancy, possession, use and enjoyment thereof, as provided in the general construction contract, have been completed or obtained, excepting only such minor matters as do not interfere with or materially diminish such access, occupancy, possession, use or enjoyment

. PBS will offer to an authorized representative of the Tenant the opportunity to participate in a walk-through of the space prior to final acceptance of the space as substantially complete by PBS. The authorized representative of the Tenant will make himself or herself available so as to not delay the walk-through of the space. The authorized representatives of PBS and the Tenant will itemize any defects and omissions (D&Os, or "punch list") of the construction project that will need to be corrected prior to final contract payment. Provided that the D&Os are minor matters not materially diminishing use of the space, the authorized representative of PBS, acting on behalf of the Government and its Tenant, will determine substantial completion.

2. The space is operationally functional. Operationally functional means that the building systems included in the general construction contract must function and GSA-provided building-specific safety and security features must be operational. Related space that is necessary for a Tenant to function due to workflow adjacencies must be complete before rent commences

For large projects that entail phased occupancy of the Tenant's space, rent will commence on the individual blocks of space when they are substantially complete and operationally functional. The blocks will be added to the Agency Space Assignment (ASA) incrementally. In the case of phased occupancy with separate ASAs (example, different Agency/Bureau codes), the rent start date for each ASA will occur when the space associated with it is substantially complete and operationally functional.

If there is a substantial punch list for the space that would interfere with the Tenant's full access, occupancy, possession, use and enjoyment of the space, and the Tenant chooses to move in anyway, GSA will negotiate a rent discount with the Tenant while the punch list work is being completed. If after hours work is required, GSA will ensure that adequate security is provided while the contractor is in the Tenant's space.

Once the above 'substantially complete' and 'operationally functional' requirements have been met, rent will commence. GSA does not provide tenant agencies a grace period prior to rent commencement to accomplish the physical move into the space or to allow for the installation of personal property such as phones, furniture, computers, etc. However, rent should not start until those personal property items that have been included in the General Services Administration's general construction contract, such as telephone and data systems or audio/video systems, are operational unless the Tenant chooses to move into the space pursuant

to the preceding paragraph.

### **Occupancy Agreement Iterations**

The parties hereby agree that iterations of OAs prepared before completion of a building design, and before final security/joint use charges are provided, contain preliminary financial terms only. Financial terms in preliminary OAs are estimates for budgeting purposes, and are updated through additional OA versions as business terms evolve throughout the space acquisition. Accordingly, execution by the tenant agency on preliminary OAs constitutes that agency's commitment to the project, and is required prior to PBS awarding any contract for: design, construction/alterations, and/or a lease. Until site purchase or contract award to a design architect, the tenant agency has the right to cancel the proposed project without financial obligation.

### **PBS Services**

The services that PBS provides may be found in the fourth edition of the Pricing Desk Guide. Unless PBS provides otherwise in writing, the cost of these services is included in PBS's rents and fees. Any services beyond those identified in the Pricing Desk Guide are provided by PBS for an additional charge.

### **Payment of Tenant Improvements**

The tenant agency must pay for tenant improvements in excess of the allowance by RWA. The tenant agency also has the right to pay lump sum for tenant improvements below the allowance threshold. The ability to make lump sum payments below the allowance threshold is only available at assignment inception, and only for the customization component of the allowance in new space. In backfill or relet space, if the tenant can accept existing tenant improvements "as is" or with modifications, the tenant can elect to waive all or part of the general allowance. Further, once the tenant allowance is set, if the agency then wishes to make a lump sum payment for improvements which are charged against the allowance, PBS cannot accept payments below the allowance threshold by RWA.

### **Replacement Responsibilities**

The parties agree that PBS is amortizing through a specific charge in Rent the portion of the tenant improvement allowance the tenant elects to use. The tenant has funding responsibility for replacement, renewal or alteration of tenant improvements. PBS is responsible for replacement and renewal of all building shell elements.

### **Tenant Agency Move**

In the event the space covered by this OA involves a tenant agency move, once a design and construction schedule has been established it must be incorporated into this OA. Once part of this OA, the schedule becomes binding upon the tenant agency as well as upon PBS. Delay in project completion caused by either a) tenant agency failure to meet the review and approval times provided in the construction schedule, or b) tenant changes to project scope, will be borne by the tenant agency. As a consequence of tenant-caused delay, PBS may decline to postpone the scheduled substantial completion date (thereby advancing Rent commencement for the space) by the duration of the tenant-caused delay, on a day-to-day basis; this may result in rent charges at two locations simultaneously for the tenant. Additional direct expenses caused through tenant-caused delay or changes in project scope are chargeable against the tenant allowance; in the event the tenant allowance has been exhausted, the tenant must pay the lump sum cost by RWA. In summary, the tenant is responsible for the delay claim of the affected contractor and for rent that GSA budgeted to start on the date included in the Occupancy Agreement. If partial occupancy of the building is not possible due to one agency change, that agency is liable for the other tenant's rent who are unable to occupy their space on the date contained in their Occupancy Agreement. The rent start date should be adjusted for delay of occupancy caused by PBS failing to deliver the real property on time. The rent start date should not be adjusted for delay of occupancy caused by a GSA contractor failing to install personal property on time with one exception. For those personal property items that have been included in the general construction contract, such as telephone and data systems, or audio/video systems, and the systems are not ready, the rent start date should be adjusted. Delayed furniture delivery and installation, which is not part of the general construction contract, is not reason for delaying the rent start date. In its role as building

owner, PBS may also be the cause of delay. Expenses associated with PBS-caused delay incurred by the tenant, for such things as additional storage for furniture, re-procurement expense, or additional consulting fees, will be credited against the tenant's rent obligation to PBS for the new space. In the case of excusable delay (e.g., force majeure or any other delay the cause of which is beyond the reasonable control of either PBS or the tenant agency), neither PBS nor the tenant agency may pursue the other for the consequences of the delay.

#### **Environmental and Safety Standards and Regulations**

The tenant agency will comply with all applicable Federal, State, and local environmental, health & safety laws and regulations, such as but not limited to those issued by the U.S. Environmental Protection Agency (EPA) under Title 40 of the Code of Federal Regulations (CFR); the U.S. Occupational Safety and Health Administration (OSHA) under Title 29 of the CFR; the Federal Management Regulation sections that relate to safety and environmental management (41 CFR part 102-80, subpart B); and all applicable laws and regulations set by State and local regulatory agencies.

#### **Other Mandatory Clauses**

##### **JU Space Details**

The agency share of Joint Use Spaces is 34.93 rentable square feet, \$1,615.59 Annual which is further defined as:

	Rentable Space RSF	Rentable Space Annual
JOHN W. MCCORMACK BUILDING (MA0013), 5 Post Office Sq	34.93	\$1,615.59

#### **Tenant Improvement Amortization Cost**

(b)(5) has elected to expend a total of \$15,389.00 for their tenant improvements. This amount has been amortized in the rent and is itemized on the Financial Summary.

#### **Security Services**

Beginning in FY 2005, payment for FPS provided Basic and Building Specific Operating Security will be made to the Federal Protective Service (FPS), Department of Homeland Security (DHS) and will be separate from rental payments to GSA (OMB Object Class 23.1). Charges for FPS provided security are determined by, and may be obtained from, FPS.

(b)(4)

**Optional Clauses**

**Ad Hoc Clauses**

**Spatial Data Management (SDM)- Space Verifications**

This building has completed a Spatial Data Management re-measurement. GSA will periodically verify space in the building covered by this Occupancy Agreement in order to ensure compliance with PBS application of the ANSI/BOMA measurement standard. As a result of these space verification's, tenants may experience changes in square footage and/or changes in rental rates (due to a change in the building's rentable/usable factor) which may change their overall rent bill. Should there be any changes found during verification, tenants will be notified prior to these changes being implemented to their occupancy and will be given proper time to budget for any rental increase or decrease.

I agree to the initial terms with the understanding modifications will be made over time.

## Signed Agreement and Financial Summary

### OCCUPANCY AGREEMENT

Between

(b)(5)

And

GENERAL SERVICES ADMINISTRATION

AMA03291	Final	Version:	30	Date Last Modified:	01-Jan-2019
MA0013ZZ				Annual Operating Cost Escalation	

(b)(5) will occupy 5,725.57 usable ( 8,518.61 rentable) square feet of space and 0 structured parking spaces and 0 surface parking spaces at JOHN W. MCCORMACK BUILDING (MA0013) located at 5 Post Office Sq, BOSTON, MA, for a period of 36 months commencing on or about 01/01/2019.

The agency share of Joint Use Spaces is 399.93 rentable square feet. The agency share of Joint Use Structured Parking Spaces is 0.01 parking spaces.

(b)(5) will pay the General Services Administration rent in accordance with the attached page(s). The rental will be adjusted annually for operating cost.

(b)(5) will pay the General Services Administration additional rent for prorated share of joint use space associated with this location, if any.

Additional/reduced services are shown on the attached Occupancy Agreement Financial Summary.

#### Mandatory Clauses

##### Federal Specific Mandatory Clauses

##### Alterations by Tenant Agency

The tenant agency agrees that it will undertake no alterations to the real property governed by this OA without prior approval from PBS.

##### Building Services

Building services to be provided are outlined in the PBS Real Property Customer Guide. Additional or upgraded services beyond those identified are provided by PBS on a reimbursable basis. Charges for certain recurring reimbursable services may be billed on the PBS Bill. Recurring charges for overtime utilities, enhanced custodial services, mechanical O&M HVAC, mechanical O&M Other and additional guard services are eligible for billing on the PBS Bill provided the tenant agency has been designated as a "participating agency". The charges must be initiated by the tenant agency and renewed annually. The recurring RWA processing fee will be assessed against each service billed.

##### Federal Construction

In the case of Federal construction, the parties agree that PBS is responsible for providing the funds necessary to acquire land (if appropriate), design and construct the building shell, and fund the tenant agency's tenant improvement allowance. The tenant agency is responsible for any tenant improvement costs in excess of the tenant improvement allowance. The parties further agree that savings or cost over-runs on the acquisition of land or the design and construction of building shell will not result in increases or

decreases in the tenant allowance amount, except in the case of prospectus level projects, where bids for the construction of the shell are over the approved budget. In this case, it is permissible to lower the tenant allowance in order to increase the shell budget, but only with approval of the tenant agency. The tenant agency can appeal to the PBS asset manager in cases in which the agency's assigned tenant improvement allowance is inadequate to provide basic functionality for the space.

### **Federal Rent Charges**

Federal rental charges will consist of a shell rent plus amortized tenant improvements, if applicable. There may be additional charges for operating expenses, security, joint use, parking, and other space items such as antennas. In 2017, GSA transitions to 10-year rates for occupancies in buildings where new appraisals are available. OAs will be transitioned to a 10-year rate as the current shell rate terms expire. The shell or "as is" rent will be reset every 10 years. For OAs in a building without a new 10-year appraisal, the shell rate or as is rate will continue to be set for periods up to but not beyond 5 years. These OAs will transition to the new 10-year rate no later than FY22 as their current rate terms expire. In the case of buildings priced on a "Return on Investment" approach, the rent attributable to the original shell improvements will remain level for the duration of the OA. If additional capitalized shell replacements or improvements are made, the Shell Rent rate will be adjusted every 5 years to reflect the additional investment. Charges for operating expenses, joint use space, parking, antennas and security may be adjusted on an annual basis.

### **Financial Terms**

While this Occupancy Agreement (OA) addresses financial terms that cover multiple fiscal years, the parties agree that unless otherwise specified: The tenant agency may relinquish space upon four (4) months notice. Thus, at any future time, the tenant agency's financial obligation can be reduced to four (4) months of rent, plus the unamortized balance of any tenant improvements financed through PBS, plus any rent concession not yet earned. Any free Rent or other concession given at the beginning of the occupancy term must be allocated on a pro-rata basis over the entire OA term, and the unearned balance repaid to PBS. The tenant's financial obligations for years beyond the current year do not mature until the later year(s) are reached. Thus, there is no requirement that the tenant agency certify that current year funds are available to defray future year obligations. Any free Rent or other concession given at the beginning of the occupancy term (for all occupancy types) must be allocated on a pro-rata basis over the entire OA term, and the unearned balance repaid to PBS.

The tenant's financial obligations for years beyond the current year do not mature until the later year(s) are reached. Thus, there is no requirement that the tenant agency certify that current year funds are available to defray future year obligations.

The tenant's future years obligation to pay Rent is subject to the availability of funds, but the tenant agrees to make a good faith effort to meet its obligations as they arise.

### **Move Cost Responsibilities**

At the end of this OA term, if the tenant cannot remain in the space covered by this OA, the tenant is responsible for funding the physical move to new space. In the event PBS displaces or allows another user to displace the tenant before the expiration of the OA term, PBS must fund, or require the new user to fund, the tenant's physical move, and relocation of the tenant's telecommunications equipment. PBS must also reimburse, or require the new user to reimburse, the tenant for the undepreciated value of any lump sum payments the tenant made toward tenant improvements and the Rent differential at the new location until the displaced agency has time to budget. The Rent differential is calculated on all elements of Rent except the amortized tenant improvement cost. In the event of a PBS disposal of a building or an approved prospectus project requiring the agency relocation from this space before the expiration of the OA term, PBS will fund tenant agency move costs unless PBS has provided 3 years' written notice of the action. In the event PBS provides 3 years' written notice, the agency is responsible for funding the physical move to new space.

### **Obligation to Pay Rent**

The Tenant agency's obligation to pay rent for the space governed by this OA commences when both of the following occur: the space is substantially complete and operationally functional. Occupancy and rent start will be coordinated with the Tenant.

1. The space is ready for occupancy of personal property, typically the substantial completion date. Substantial completion is signaled by PBS's acceptance of the space as substantially complete in accordance with the general construction contract documents. "Substantially complete" and "substantial completion" mean that the work, the common and other areas of the building, and all other things necessary for the Government's access to the premises and occupancy, possession, use and enjoyment thereof, as provided in the general construction contract, have been completed or obtained, excepting only such minor matters as do not interfere with or materially diminish such access, occupancy, possession, use or enjoyment

. PBS will offer to an authorized representative of the Tenant the opportunity to participate in a walk-through of the space prior to final acceptance of the space as substantially complete by PBS. The authorized representative of the Tenant will make himself or herself available so as to not delay the walk-through of the space. The authorized representatives of PBS and the Tenant will itemize any defects and omissions (D&Os, or "punch list") of the construction project that will need to be corrected prior to final contract payment. Provided that the D&Os are minor matters not materially diminishing use of the space, the authorized representative of PBS, acting on behalf of the Government and its Tenant, will determine substantial completion.

2. The space is operationally functional. Operationally functional means that the building systems included in the general construction contract must function and GSA-provided building-specific safety and security features must be operational. Related space that is necessary for a Tenant to function due to workflow adjacencies must be complete before rent commences

For large projects that entail phased occupancy of the Tenant's space, rent will commence on the individual blocks of space when they are substantially complete and operationally functional. The blocks will be added to the Agency Space Assignment (ASA) incrementally. In the case of phased occupancy with separate ASAs (example, different Agency/Bureau codes), the rent start date for each ASA will occur when the space associated with it is substantially complete and operationally functional.

If there is a substantial punch list for the space that would interfere with the Tenant's full access, occupancy, possession, use and enjoyment of the space, and the Tenant chooses to move in anyway, GSA will negotiate a rent discount with the Tenant while the punch list work is being completed. If after hours work is required, GSA will ensure that adequate security is provided while the contractor is in the Tenant's space.

Once the above 'substantially complete' and 'operationally functional' requirements have been met, rent will commence. GSA does not provide tenant agencies a grace period prior to rent commencement to accomplish the physical move into the space or to allow for the installation of personal property such as phones, furniture, computers, etc. However, rent should not start until those personal property items that have been included in the General Services Administration's general construction contract, such as telephone and data systems or audio/video systems, are operational unless the Tenant chooses to move into the space pursuant to the preceding paragraph.

### **Occupancy Agreement Iterations**

The parties hereby agree that iterations of OAs prepared before completion of a building design, and before final security/joint use charges are provided, contain preliminary financial terms only. Financial terms in preliminary OAs are estimates for budgeting purposes, and are updated through additional OA versions as

business terms evolve throughout the space acquisition. Accordingly, execution by the tenant agency on preliminary OAs constitutes that agency's commitment to the project, and is required prior to PBS awarding any contract for: design, construction/alterations, and/or a lease. Until site purchase or contract award to a design architect, the tenant agency has the right to cancel the proposed project without financial obligation.

### **PBS Services**

The services that PBS provides may be found in the fourth edition of the Pricing Desk Guide. Unless PBS provides otherwise in writing, the cost of these services is included in PBS's rents and fees. Any services beyond those identified in the Pricing Desk Guide are provided by PBS for an additional charge.

### **Payment of Tenant Improvements**

The tenant agency must pay for tenant improvements in excess of the allowance by RWA. The tenant agency also has the right to pay lump sum for tenant improvements below the allowance threshold. The ability to make lump sum payments below the allowance threshold is only available at assignment inception, and only for the customization component of the allowance in new space. In backfill or relet space, if the tenant can accept existing tenant improvements "as is" or with modifications, the tenant can elect to waive all or part of the general allowance. Further, once the tenant allowance is set, if the agency then wishes to make a lump sum payment for improvements which are charged against the allowance, PBS cannot accept payments below the allowance threshold by RWA.

### **Replacement Responsibilities**

The parties agree that PBS is amortizing through a specific charge in Rent the portion of the tenant improvement allowance the tenant elects to use. The tenant has funding responsibility for replacement, renewal or alteration of tenant improvements. PBS is responsible for replacement and renewal of all building shell elements.

### **Tenant Agency Move**

In the event the space covered by this OA involves a tenant agency move, once a design and construction schedule has been established it must be incorporated into this OA. Once part of this OA, the schedule becomes binding upon the tenant agency as well as upon PBS. Delay in project completion caused by either a) tenant agency failure to meet the review and approval times provided in the construction schedule, or b) tenant changes to project scope, will be borne by the tenant agency. As a consequence of tenant-caused delay, PBS may decline to postpone the scheduled substantial completion date (thereby advancing Rent commencement for the space) by the duration of the tenant-caused delay, on a day-to-day basis; this may result in rent charges at two locations simultaneously for the tenant. Additional direct expenses caused through tenant-caused delay or changes in project scope are chargeable against the tenant allowance; in the event the tenant allowance has been exhausted, the tenant must pay the lump sum cost by RWA. In summary, the tenant is responsible for the delay claim of the affected contractor and for rent that GSA budgeted to start on the date included in the Occupancy Agreement. If partial occupancy of the building is not possible due to one agency change, that agency is liable for the other tenant's rent who are unable to occupy their space on the date contained in their Occupancy Agreement. The rent start date should be adjusted for delay of occupancy caused by PBS failing to deliver the real property on time. The rent start date should not be adjusted for delay of occupancy caused by a GSA contractor failing to install personal property on time with one exception. For those personal property items that have been included in the general construction contract, such as telephone and data systems, or audio/video systems, and the systems are not ready, the rent start date should be adjusted. Delayed furniture delivery and installation, which is not part of the general construction contract, is not reason for delaying the rent start date. In its role as building owner, PBS may also be the cause of delay. Expenses associated with PBS-caused delay incurred by the tenant, for such things as additional storage for furniture, re-procurement expense, or additional consulting fees, will be credited against the tenant's rent obligation to PBS for the new space. In the case of excusable delay (e.g., force majeure or any other delay the cause of which is beyond the reasonable control of either PBS or the tenant agency), neither PBS nor the tenant agency may pursue the other for the consequences of

the delay.

### **Environmental and Safety Standards and Regulations**

The tenant agency will comply with all applicable Federal, State, and local environmental, health & safety laws and regulations, such as but not limited to those issued by the U.S. Environmental Protection Agency (EPA) under Title 40 of the Code of Federal Regulations (CFR); the U.S. Occupational Safety and Health Administration (OSHA) under Title 29 of the CFR; the Federal Management Regulation sections that relate to safety and environmental management (41 CFR part 102-80, subpart B); and all applicable laws and regulations set by State and local regulatory agencies.

### **Other Mandatory Clauses**

#### **JU Space Details**

The agency share of Joint Use Spaces is 399.93 rentable square feet, \$18,496.32 Annual which is further defined as:

	Rentable Space RSF	Rentable Space Annual
JOHN W. MCCORMACK BUILDING (MA0013), 5 Post Office Sq	399.93	\$18,496.32

### **Security Services**

Beginning in FY 2005, payment for FPS provided Basic and Building Specific Operating Security will be made to the Federal Protective Service (FPS), Department of Homeland Security (DHS) and will be separate from rental payments to GSA (OMB Object Class 23.1). Charges for FPS provided security are determined by, and may be obtained from, FPS.

### **Optional Clauses**

#### **Optional Clauses for All Occupancy Agreements**

#### **Continuing Occupancies - 5-Year Levelized Rates**

This OA is being extended to reflect the continuing requirement of your current assignment beginning 01/2017. There have been no changes to the usable square footage and no additional Tenant Improvement costs have been added. The shell term has been extended for an additional 5 years (60 months) at a new appraised shell and operating rate per GSA PBS Pricing Policy. This OA is considered FINAL and does not require agency signature. Please notify GSA within 60 days if you disagree with any of the terms and conditions expressed in this agreement.

### **Ad Hoc Clauses**

#### **Spatial Data Management (SDM) - Space Verification**

This building has completed a Spatial Data Management re-measurement. GSA will periodically verify space in the building covered by this Occupancy Agreement in order to ensure compliance with PBS application of the ANSI/BOMA measurement standard. As a result of these space verifications, tenants may experience changes in square footage and/or changes in rental rates (due to a change in the building's rentable/usable factor) which may change their overall rent bill. Should there be any changes found during verification, tenants will be notified prior to these changes being implemented to their occupancy and will be given proper time to budget for any rental increase or decrease.

I agree to the initial terms with the understanding modifications will be made over time.

### OCCUPANCY AGREEMENT

Between

(b)(5)

And

### GENERAL SERVICES ADMINISTRATION

AMA03573	Final	Version:	3	Date Last Modified:	30-Sep-2018
MA0013ZZ				Fiscal Year Update	

(b)(5) will occupy 17,761.81 usable ( 26,426.34 rentable) square feet of space and 0 structured parking spaces and 0 surface parking spaces at JOHN W. MCCORMACK BUILDING (MA0013) located at 5 Post Office Sq, BOSTON, MA, for a period of 117 months commencing on or about 09/30/2018. The agency share of Joint Use Spaces is 1,240.66 rentable square feet. The agency share of Joint Use Structured Parking Spaces is 0.05 parking spaces.

(b)(5) will pay the General Services Administration rent in accordance with the attached page(s). The rental will be adjusted annually for operating cost.

(b)(5) will pay the General Services Administration additional rent for prorated share of joint use space associated with this location, if any.

Additional/reduced services are shown on the attached Occupancy Agreement Financial Summary.

#### Mandatory Clauses

##### Promoting Efficient Spending

##### Reduce the Footprint

The Office of Management and Budget Memorandum, "Promoting Efficient Spending to Support Agency Operations" issued on May 11, 2012 and Management Procedures Memorandum issued on March 25, 2015, have established a Reduce the Footprint policy for executive agencies. (b) is responsible for making sure their space request is consistent with any applicable square foot reduction targets and can contact TotalWorkplace@gsa.gov for help developing agency-wide space design standards that optimize their space usage.

#### Federal Specific Mandatory Clauses

##### Alterations by Tenant Agency

The tenant agency agrees that it will undertake no alterations to the real property governed by this OA without prior approval from PBS.

##### Building Services

Building services to be provided are outlined in the PBS Real Property Customer Guide. Additional or upgraded services beyond those identified are provided by PBS on a reimbursable basis. Charges for certain recurring reimbursable services may be billed on the PBS Bill. Recurring charges for overtime utilities, enhanced custodial services, mechanical O&M HVAC, mechanical O&M Other and additional guard services are eligible for billing on the PBS Bill provided the tenant agency has been designated as a "participating agency". The charges must be initiated by the tenant agency and renewed annually. The

recurring RWA processing fee will be assessed against each service billed.

**Federal Construction**

In the case of Federal construction, the parties agree that PBS is responsible for providing the funds necessary to acquire land (if appropriate), design and construct the building shell, and fund the tenant agency's tenant improvement allowance. The tenant agency is responsible for any tenant improvement costs in excess of the tenant improvement allowance. The parties further agree that savings or cost over-runs on the acquisition of land or the design and construction of building shell will not result in increases or decreases in the tenant allowance amount, except in the case of prospectus level projects, where bids for the construction of the shell are over the approved budget. In this case, it is permissible to lower the tenant allowance in order to increase the shell budget, but only with approval of the tenant agency. The tenant agency can appeal to the PBS asset manager in cases in which the agency's assigned tenant improvement allowance is inadequate to provide basic functionality for the space.

**Federal Rent Charges**

Federal rental charges will consist of a shell rent plus amortized tenant improvements, if applicable. There may be additional charges for operating expenses, security, joint use, parking, and other space items such as antennas. In 2017, GSA transitions to 10-year rates for occupancies in buildings where new appraisals are available. OAs will be transitioned to a 10-year rate as the current shell rate terms expire. The shell or "as is" rent will be reset every 10 years. For OAs in a building without a new 10-year appraisal, the shell rate or as is rate will continue to be set for periods up to but not beyond 5 years. These OAs will transition to the new 10-year rate no later than FY22 as their current rate terms expire. In the case of buildings priced on a "Return on Investment" approach, the rent attributable to the original shell improvements will remain level for the duration of the OA. If additional capitalized shell replacements or improvements are made, the Shell Rent rate will be adjusted every 5 years to reflect the additional investment. Charges for operating expenses, joint use space, parking, antennas and security may be adjusted on an annual basis.

**Financial Terms**

While this Occupancy Agreement (OA) addresses financial terms that cover multiple fiscal years, the parties agree that unless otherwise specified: The tenant agency may relinquish space upon four (4) months notice. Thus, at any future time, the tenant agency's financial obligation can be reduced to four (4) months of rent, plus the unamortized balance of any tenant improvements financed through PBS, plus any rent concession not yet earned. Any free Rent or other concession given at the beginning of the occupancy term must be allocated on a pro-rata basis over the entire OA term, and the unearned balance repaid to PBS. The tenant's financial obligations for years beyond the current year do not mature until the later year(s) are reached. Thus, there is no requirement that the tenant agency certify that current year funds are available to defray future year obligations. Any free Rent or other concession given at the beginning of the occupancy term (for all occupancy types) must be allocated on a pro-rata basis over the entire OA term, and the unearned balance repaid to PBS.

The tenant's financial obligations for years beyond the current year do not mature until the later year(s) are reached. Thus, there is no requirement that the tenant agency certify that current year funds are available to defray future year obligations.

The tenant's future years obligation to pay Rent is subject to the availability of funds, but the tenant agrees to make a good faith effort to meet its obligations as they arise.

**Move Cost Responsibilities**

At the end of this OA term, if the tenant cannot remain in the space covered by this OA, the tenant is responsible for funding the physical move to new space. In the event PBS displaces or allows another user to displace the tenant before the expiration of the OA term, PBS must fund, or require the new user to fund, the tenant's physical move, and relocation of the tenant's telecommunications equipment. PBS must also

reimburse, or require the new user to reimburse, the tenant for the undepreciated value of any lump sum payments the tenant made toward tenant improvements and the Rent differential at the new location until the displaced agency has time to budget. The Rent differential is calculated on all elements of Rent except the amortized tenant improvement cost. In the event of a PBS disposal of a building or an approved prospectus project requiring the agency relocation from this space before the expiration of the OA term, PBS will fund tenant agency move costs unless PBS has provided 3 years' written notice of the action. In the event PBS provides 3 years' written notice, the agency is responsible for funding the physical move to new space.

### **Obligation to Pay Rent**

The Tenant agency's obligation to pay rent for the space governed by this OA commences when both of the following occur: the space is substantially complete and operationally functional. Occupancy and rent start will be coordinated with the Tenant.

1. The space is ready for occupancy of personal property, typically the substantial completion date. Substantial completion is signaled by PBS's acceptance of the space as substantially complete in accordance with the general construction contract documents. "Substantially complete" and "substantial completion" mean that the work, the common and other areas of the building, and all other things necessary for the Government's access to the premises and occupancy, possession, use and enjoyment thereof, as provided in the general construction contract, have been completed or obtained, excepting only such minor matters as do not interfere with or materially diminish such access, occupancy, possession, use or enjoyment

. PBS will offer to an authorized representative of the Tenant the opportunity to participate in a walk-through of the space prior to final acceptance of the space as substantially complete by PBS. The authorized representative of the Tenant will make himself or herself available so as to not delay the walk-through of the space. The authorized representatives of PBS and the Tenant will itemize any defects and omissions (D&Os, or "punch list") of the construction project that will need to be corrected prior to final contract payment. Provided that the D&Os are minor matters not materially diminishing use of the space, the authorized representative of PBS, acting on behalf of the Government and its Tenant, will determine substantial completion.

2. The space is operationally functional. Operationally functional means that the building systems included in the general construction contract must function and GSA-provided building-specific safety and security features must be operational. Related space that is necessary for a Tenant to function due to workflow adjacencies must be complete before rent commences

For large projects that entail phased occupancy of the Tenant's space, rent will commence on the individual blocks of space when they are substantially complete and operationally functional. The blocks will be added to the Agency Space Assignment (ASA) incrementally. In the case of phased occupancy with separate ASAs (example, different Agency/Bureau codes), the rent start date for each ASA will occur when the space associated with it is substantially complete and operationally functional.

If there is a substantial punch list for the space that would interfere with the Tenant's full access, occupancy, possession, use and enjoyment of the space, and the Tenant chooses to move in anyway, GSA will negotiate a rent discount with the Tenant while the punch list work is being completed. If after hours work is required, GSA will ensure that adequate security is provided while the contractor is in the Tenant's space.

Once the above 'substantially complete' and 'operationally functional' requirements have been met, rent will commence. GSA does not provide tenant agencies a grace period prior to rent commencement to accomplish the physical move into the space or to allow for the installation of personal property such as phones, furniture, computers, etc. However, rent should not start until those personal property items that have been

included in the General Services Administration's general construction contract, such as telephone and data systems or audio/video systems, are operational unless the Tenant chooses to move into the space pursuant to the preceding paragraph.

### **Occupancy Agreement Iterations**

The parties hereby agree that iterations of OAs prepared before completion of a building design, and before final security/joint use charges are provided, contain preliminary financial terms only. Financial terms in preliminary OAs are estimates for budgeting purposes, and are updated through additional OA versions as business terms evolve throughout the space acquisition. Accordingly, execution by the tenant agency on preliminary OAs constitutes that agency's commitment to the project, and is required prior to PBS awarding any contract for: design, construction/alterations, and/or a lease. Until site purchase or contract award to a design architect, the tenant agency has the right to cancel the proposed project without financial obligation.

### **PBS Services**

The services that PBS provides may be found in the fourth edition of the Pricing Desk Guide. Unless PBS provides otherwise in writing, the cost of these services is included in PBS's rents and fees. Any services beyond those identified in the Pricing Desk Guide are provided by PBS for an additional charge.

### **Payment of Tenant Improvements**

The tenant agency must pay for tenant improvements in excess of the allowance by RWA. The tenant agency also has the right to pay lump sum for tenant improvements below the allowance threshold. The ability to make lump sum payments below the allowance threshold is only available at assignment inception, and only for the customization component of the allowance in new space. In backfill or relet space, if the tenant can accept existing tenant improvements "as is" or with modifications, the tenant can elect to waive all or part of the general allowance. Further, once the tenant allowance is set, if the agency then wishes to make a lump sum payment for improvements which are charged against the allowance, PBS cannot accept payments below the allowance threshold by RWA.

### **Replacement Responsibilities**

The parties agree that PBS is amortizing through a specific charge in Rent the portion of the tenant improvement allowance the tenant elects to use. The tenant has funding responsibility for replacement, renewal or alteration of tenant improvements. PBS is responsible for replacement and renewal of all building shell elements.

### **Tenant Agency Move**

In the event the space covered by this OA involves a tenant agency move, once a design and construction schedule has been established it must be incorporated into this OA. Once part of this OA, the schedule becomes binding upon the tenant agency as well as upon PBS. Delay in project completion caused by either a) tenant agency failure to meet the review and approval times provided in the construction schedule, or b) tenant changes to project scope, will be borne by the tenant agency. As a consequence of tenant-caused delay, PBS may decline to postpone the scheduled substantial completion date (thereby advancing Rent commencement for the space) by the duration of the tenant-caused delay, on a day-to-day basis; this may result in rent charges at two locations simultaneously for the tenant. Additional direct expenses caused through tenant-caused delay or changes in project scope are chargeable against the tenant allowance; in the event the tenant allowance has been exhausted, the tenant must pay the lump sum cost by RWA. In summary, the tenant is responsible for the delay claim of the affected contractor and for rent that GSA budgeted to start on the date included in the Occupancy Agreement. If partial occupancy of the building is not possible due to one agency change, that agency is liable for the other tenant's rent who are unable to occupy their space on the date contained in their Occupancy Agreement. The rent start date should be adjusted for delay of occupancy caused by PBS failing to deliver the real property on time. The rent start date should not be adjusted for delay of occupancy caused by a GSA contractor failing to install personal property on time with one exception. For those personal property items that have been included in the general construction contract, such as telephone and data systems, or audio/video systems, and the systems

are not ready, the rent start date should be adjusted. Delayed furniture delivery and installation, which is not part of the general construction contract, is not reason for delaying the rent start date. In its role as building owner, PBS may also be the cause of delay. Expenses associated with PBS-caused delay incurred by the tenant, for such things as additional storage for furniture, re-procurement expense, or additional consulting fees, will be credited against the tenant's rent obligation to PBS for the new space. In the case of excusable delay (e.g., force majeure or any other delay the cause of which is beyond the reasonable control of either PBS or the tenant agency), neither PBS nor the tenant agency may pursue the other for the consequences of the delay.

### **Environmental and Safety Standards and Regulations**

The tenant agency will comply with all applicable Federal, State, and local environmental, health & safety laws and regulations, such as but not limited to those issued by the U.S. Environmental Protection Agency (EPA) under Title 40 of the Code of Federal Regulations (CFR); the U.S. Occupational Safety and Health Administration (OSHA) under Title 29 of the CFR; the Federal Management Regulation sections that relate to safety and environmental management (41 CFR part 102-80, subpart B); and all applicable laws and regulations set by State and local regulatory agencies.

### **Other Mandatory Clauses**

#### **JU Space Details**

The agency share of Joint Use Spaces is 1,240.66 rentable square feet, \$57,379.10 Annual which is further defined as:

	Rentable Space RSF	Rentable Space Annual
JOHN W. MCCORMACK BUILDING (MA0013), 5 Post Office Sq	1,240.66	\$57,379.10

### **Security Services**

Beginning in FY 2005, payment for FPS provided Basic and Building Specific Operating Security will be made to the Federal Protective Service (FPS), Department of Homeland Security (DHS) and will be separate from rental payments to GSA (OMB Object Class 23.1). Charges for FPS provided security are determined by, and may be obtained from, FPS.

### **Optional Clauses**

#### **Ad Hoc Clauses**

#### **Spatial Data Management**

This building has completed a Spatial Data Management re-measurement. GSA will periodically verify space in the building covered by this Occupancy Agreement in order to ensure compliance with PBS application of the ANSI/BOMA measurement standard. As a result of these space verifications, tenants may experience changes in square footage and/or changes in rental rates (due to a change in the building's rentable/usable factor) which may change their overall rent bill. Should there be any changes found during verification, tenants will be notified prior to these changes being implemented to their occupancy and will be given proper time to budget for any rental increase or decrease.

I agree to the initial terms with the understanding modifications will be made over time.

## Signed Agreement and Financial Summary

### OCCUPANCY AGREEMENT

Between

(b)(5)

And

### GENERAL SERVICES ADMINISTRATION

AMA03573	Final	Version:	3	Date Last Modified:	30-Sep-2018
MA0013ZZ				Fiscal Year Update	

(b)(5) will occupy 17,761.81 usable ( 26,426.34 rentable) square feet of space and 0 structured parking spaces and 0 surface parking spaces at JOHN W. MCCORMACK BUILDING (MA0013) located at 5 Post Office Sq, BOSTON, MA, for a period of 117 months commencing on or about 09/30/2018. The agency share of Joint Use Spaces is 1,240.66 rentable square feet. The agency share of Joint Use Structured Parking Spaces is 0.05 parking spaces.

(b)(5) will pay the General Services Administration rent in accordance with the attached page(s). The rental will be adjusted annually for operating cost.

(b)(5) will pay the General Services Administration additional rent for prorated share of joint use space associated with this location, if any.

Additional/reduced services are shown on the attached Occupancy Agreement Financial Summary.

#### Mandatory Clauses

##### Promoting Efficient Spending

##### Reduce the Footprint

The Office of Management and Budget Memorandum, "Promoting Efficient Spending to Support Agency Operations" issued on May 11, 2012 and Management Procedures Memorandum issued on March 25, 2015, have established a Reduce the Footprint policy for executive agencies. (b) is responsible for making sure their space request is consistent with any applicable square foot reduction targets and can contact TotalWorkplace@gsa.gov for help developing agency-wide space design standards that optimize their space usage.

#### Federal Specific Mandatory Clauses

##### Alterations by Tenant Agency

The tenant agency agrees that it will undertake no alterations to the real property governed by this OA without prior approval from PBS.

##### Building Services

Building services to be provided are outlined in the PBS Real Property Customer Guide. Additional or upgraded services beyond those identified are provided by PBS on a reimbursable basis. Charges for certain recurring reimbursable services may be billed on the PBS Bill. Recurring charges for overtime utilities, enhanced custodial services, mechanical O&M HVAC, mechanical O&M Other and additional guard services are eligible for billing on the PBS Bill provided the tenant agency has been designated as a "participating agency". The charges must be initiated by the tenant agency and renewed annually. The

recurring RWA processing fee will be assessed against each service billed.

**Federal Construction**

In the case of Federal construction, the parties agree that PBS is responsible for providing the funds necessary to acquire land (if appropriate), design and construct the building shell, and fund the tenant agency's tenant improvement allowance. The tenant agency is responsible for any tenant improvement costs in excess of the tenant improvement allowance. The parties further agree that savings or cost over-runs on the acquisition of land or the design and construction of building shell will not result in increases or decreases in the tenant allowance amount, except in the case of prospectus level projects, where bids for the construction of the shell are over the approved budget. In this case, it is permissible to lower the tenant allowance in order to increase the shell budget, but only with approval of the tenant agency. The tenant agency can appeal to the PBS asset manager in cases in which the agency's assigned tenant improvement allowance is inadequate to provide basic functionality for the space.

**Federal Rent Charges**

Federal rental charges will consist of a shell rent plus amortized tenant improvements, if applicable. There may be additional charges for operating expenses, security, joint use, parking, and other space items such as antennas. In 2017, GSA transitions to 10-year rates for occupancies in buildings where new appraisals are available. OAs will be transitioned to a 10-year rate as the current shell rate terms expire. The shell or "as is" rent will be reset every 10 years. For OAs in a building without a new 10-year appraisal, the shell rate or as is rate will continue to be set for periods up to but not beyond 5 years. These OAs will transition to the new 10-year rate no later than FY22 as their current rate terms expire. In the case of buildings priced on a "Return on Investment" approach, the rent attributable to the original shell improvements will remain level for the duration of the OA. If additional capitalized shell replacements or improvements are made, the Shell Rent rate will be adjusted every 5 years to reflect the additional investment. Charges for operating expenses, joint use space, parking, antennas and security may be adjusted on an annual basis.

**Financial Terms**

While this Occupancy Agreement (OA) addresses financial terms that cover multiple fiscal years, the parties agree that unless otherwise specified: The tenant agency may relinquish space upon four (4) months notice. Thus, at any future time, the tenant agency's financial obligation can be reduced to four (4) months of rent, plus the unamortized balance of any tenant improvements financed through PBS, plus any rent concession not yet earned. Any free Rent or other concession given at the beginning of the occupancy term must be allocated on a pro-rata basis over the entire OA term, and the unearned balance repaid to PBS. The tenant's financial obligations for years beyond the current year do not mature until the later year(s) are reached. Thus, there is no requirement that the tenant agency certify that current year funds are available to defray future year obligations. Any free Rent or other concession given at the beginning of the occupancy term (for all occupancy types) must be allocated on a pro-rata basis over the entire OA term, and the unearned balance repaid to PBS.

The tenant's financial obligations for years beyond the current year do not mature until the later year(s) are reached. Thus, there is no requirement that the tenant agency certify that current year funds are available to defray future year obligations.

The tenant's future years obligation to pay Rent is subject to the availability of funds, but the tenant agrees to make a good faith effort to meet its obligations as they arise.

**Move Cost Responsibilities**

At the end of this OA term, if the tenant cannot remain in the space covered by this OA, the tenant is responsible for funding the physical move to new space. In the event PBS displaces or allows another user to displace the tenant before the expiration of the OA term, PBS must fund, or require the new user to fund, the tenant's physical move, and relocation of the tenant's telecommunications equipment. PBS must also

reimburse, or require the new user to reimburse, the tenant for the undepreciated value of any lump sum payments the tenant made toward tenant improvements and the Rent differential at the new location until the displaced agency has time to budget. The Rent differential is calculated on all elements of Rent except the amortized tenant improvement cost. In the event of a PBS disposal of a building or an approved prospectus project requiring the agency relocation from this space before the expiration of the OA term, PBS will fund tenant agency move costs unless PBS has provided 3 years' written notice of the action. In the event PBS provides 3 years' written notice, the agency is responsible for funding the physical move to new space.

### **Obligation to Pay Rent**

The Tenant agency's obligation to pay rent for the space governed by this OA commences when both of the following occur: the space is substantially complete and operationally functional. Occupancy and rent start will be coordinated with the Tenant.

1. The space is ready for occupancy of personal property, typically the substantial completion date. Substantial completion is signaled by PBS's acceptance of the space as substantially complete in accordance with the general construction contract documents. "Substantially complete" and "substantial completion" mean that the work, the common and other areas of the building, and all other things necessary for the Government's access to the premises and occupancy, possession, use and enjoyment thereof, as provided in the general construction contract, have been completed or obtained, excepting only such minor matters as do not interfere with or materially diminish such access, occupancy, possession, use or enjoyment

. PBS will offer to an authorized representative of the Tenant the opportunity to participate in a walk-through of the space prior to final acceptance of the space as substantially complete by PBS. The authorized representative of the Tenant will make himself or herself available so as to not delay the walk-through of the space. The authorized representatives of PBS and the Tenant will itemize any defects and omissions (D&Os, or "punch list") of the construction project that will need to be corrected prior to final contract payment. Provided that the D&Os are minor matters not materially diminishing use of the space, the authorized representative of PBS, acting on behalf of the Government and its Tenant, will determine substantial completion.

2. The space is operationally functional. Operationally functional means that the building systems included in the general construction contract must function and GSA-provided building-specific safety and security features must be operational. Related space that is necessary for a Tenant to function due to workflow adjacencies must be complete before rent commences

For large projects that entail phased occupancy of the Tenant's space, rent will commence on the individual blocks of space when they are substantially complete and operationally functional. The blocks will be added to the Agency Space Assignment (ASA) incrementally. In the case of phased occupancy with separate ASAs (example, different Agency/Bureau codes), the rent start date for each ASA will occur when the space associated with it is substantially complete and operationally functional.

If there is a substantial punch list for the space that would interfere with the Tenant's full access, occupancy, possession, use and enjoyment of the space, and the Tenant chooses to move in anyway, GSA will negotiate a rent discount with the Tenant while the punch list work is being completed. If after hours work is required, GSA will ensure that adequate security is provided while the contractor is in the Tenant's space.

Once the above 'substantially complete' and 'operationally functional' requirements have been met, rent will commence. GSA does not provide tenant agencies a grace period prior to rent commencement to accomplish the physical move into the space or to allow for the installation of personal property such as phones, furniture, computers, etc. However, rent should not start until those personal property items that have been

included in the General Services Administration's general construction contract, such as telephone and data systems or audio/video systems, are operational unless the Tenant chooses to move into the space pursuant to the preceding paragraph.

### **Occupancy Agreement Iterations**

The parties hereby agree that iterations of OAs prepared before completion of a building design, and before final security/joint use charges are provided, contain preliminary financial terms only. Financial terms in preliminary OAs are estimates for budgeting purposes, and are updated through additional OA versions as business terms evolve throughout the space acquisition. Accordingly, execution by the tenant agency on preliminary OAs constitutes that agency's commitment to the project, and is required prior to PBS awarding any contract for: design, construction/alterations, and/or a lease. Until site purchase or contract award to a design architect, the tenant agency has the right to cancel the proposed project without financial obligation.

### **PBS Services**

The services that PBS provides may be found in the fourth edition of the Pricing Desk Guide. Unless PBS provides otherwise in writing, the cost of these services is included in PBS's rents and fees. Any services beyond those identified in the Pricing Desk Guide are provided by PBS for an additional charge.

### **Payment of Tenant Improvements**

The tenant agency must pay for tenant improvements in excess of the allowance by RWA. The tenant agency also has the right to pay lump sum for tenant improvements below the allowance threshold. The ability to make lump sum payments below the allowance threshold is only available at assignment inception, and only for the customization component of the allowance in new space. In backfill or relet space, if the tenant can accept existing tenant improvements "as is" or with modifications, the tenant can elect to waive all or part of the general allowance. Further, once the tenant allowance is set, if the agency then wishes to make a lump sum payment for improvements which are charged against the allowance, PBS cannot accept payments below the allowance threshold by RWA.

### **Replacement Responsibilities**

The parties agree that PBS is amortizing through a specific charge in Rent the portion of the tenant improvement allowance the tenant elects to use. The tenant has funding responsibility for replacement, renewal or alteration of tenant improvements. PBS is responsible for replacement and renewal of all building shell elements.

### **Tenant Agency Move**

In the event the space covered by this OA involves a tenant agency move, once a design and construction schedule has been established it must be incorporated into this OA. Once part of this OA, the schedule becomes binding upon the tenant agency as well as upon PBS. Delay in project completion caused by either a) tenant agency failure to meet the review and approval times provided in the construction schedule, or b) tenant changes to project scope, will be borne by the tenant agency. As a consequence of tenant-caused delay, PBS may decline to postpone the scheduled substantial completion date (thereby advancing Rent commencement for the space) by the duration of the tenant-caused delay, on a day-to-day basis; this may result in rent charges at two locations simultaneously for the tenant. Additional direct expenses caused through tenant-caused delay or changes in project scope are chargeable against the tenant allowance; in the event the tenant allowance has been exhausted, the tenant must pay the lump sum cost by RWA. In summary, the tenant is responsible for the delay claim of the affected contractor and for rent that GSA budgeted to start on the date included in the Occupancy Agreement. If partial occupancy of the building is not possible due to one agency change, that agency is liable for the other tenant's rent who are unable to occupy their space on the date contained in their Occupancy Agreement. The rent start date should be adjusted for delay of occupancy caused by PBS failing to deliver the real property on time. The rent start date should not be adjusted for delay of occupancy caused by a GSA contractor failing to install personal property on time with one exception. For those personal property items that have been included in the general construction contract, such as telephone and data systems, or audio/video systems, and the systems

are not ready, the rent start date should be adjusted. Delayed furniture delivery and installation, which is not part of the general construction contract, is not reason for delaying the rent start date. In its role as building owner, PBS may also be the cause of delay. Expenses associated with PBS-caused delay incurred by the tenant, for such things as additional storage for furniture, re-procurement expense, or additional consulting fees, will be credited against the tenant's rent obligation to PBS for the new space. In the case of excusable delay (e.g., force majeure or any other delay the cause of which is beyond the reasonable control of either PBS or the tenant agency), neither PBS nor the tenant agency may pursue the other for the consequences of the delay.

### **Environmental and Safety Standards and Regulations**

The tenant agency will comply with all applicable Federal, State, and local environmental, health & safety laws and regulations, such as but not limited to those issued by the U.S. Environmental Protection Agency (EPA) under Title 40 of the Code of Federal Regulations (CFR); the U.S. Occupational Safety and Health Administration (OSHA) under Title 29 of the CFR; the Federal Management Regulation sections that relate to safety and environmental management (41 CFR part 102-80, subpart B); and all applicable laws and regulations set by State and local regulatory agencies.

### **Other Mandatory Clauses**

#### **JU Space Details**

The agency share of Joint Use Spaces is 1,240.66 rentable square feet, \$57,379.10 Annual which is further defined as:

	Rentable Space RSF	Rentable Space Annual
JOHN W. MCCORMACK BUILDING (MA0013), 5 Post Office Sq	1,240.66	\$57,379.10

### **Security Services**

Beginning in FY 2005, payment for FPS provided Basic and Building Specific Operating Security will be made to the Federal Protective Service (FPS), Department of Homeland Security (DHS) and will be separate from rental payments to GSA (OMB Object Class 23.1). Charges for FPS provided security are determined by, and may be obtained from, FPS.

### **Optional Clauses**

#### **Ad Hoc Clauses**

#### **Spatial Data Management**

This building has completed a Spatial Data Management re-measurement. GSA will periodically verify space in the building covered by this Occupancy Agreement in order to ensure compliance with PBS application of the ANSI/BOMA measurement standard. As a result of these space verifications, tenants may experience changes in square footage and/or changes in rental rates (due to a change in the building's rentable/usable factor) which may change their overall rent bill. Should there be any changes found during verification, tenants will be notified prior to these changes being implemented to their occupancy and will be given proper time to budget for any rental increase or decrease.
